I. The Grocer and The Chief: A Parable

Abstract. This paper employs a proposed alterity discourse analysis (ADA) framework to argue that The Passing of Traditional Society- the bible of the modernization paradigm of development communication research - exemplifies far less a discourse on the relationship between empathy and development, as

it does on the political/ideological imperatives governing the construction of the Other (i.e. the Middle East) by the Self (i.e. the US).
