Life Everlasting The Animal Way

Life Everlasting is the fruit of those investigations, illuminating what happens to animals great and small after death. From beetles to bald eagles, ravens to wolves, Heinrich reveals the fascinating and mostly hidden post-death world that occurs around us constantly, while examining the ancient

and important role we too play as scavengers, connecting death to life.

Life Everlasting: The Animal Way of Death: Heinrich, Bernd ...

Bernd Heinrich's new book is a beautiful musing on death, but more so, it is about life. An organism, an animal, is a being that processes energy -- energy comes in, becomes ordered, and eventually leaves. What happens to that energy after it leaves is Heinrich's subject. It doesn't disappear, but rather it feeds myriad new lives.

Life Everlasting The Animal Way of Death Audiobook

In Winter World: The Ingenuity of Animal Survival, biologist, illustrator, and award-winning author Bernd Heinrich explores his local woods, where he delights in the seemingly infinite feats of animal inventiveness he discovers there. Because winter drastically affects the most elemental component of all life---water---radical changes in a creature's physiology and behavior must take place to match the demands of the environment.
