Earth Stoves Earth Stoves were purchased by Lennox Heating a few years ago, but there are still many models still out under the old brand. They are known for their great looks. However, many customers note that the rated BTUs and burn times don't quite match what the stoves put out in the field, so keep that in mind when sizing. Here are some of the more popular types: BV4000C Wood Burning ...

Earth Stoves (also known as Pioneer) were quite popular from their 1970s debut through the early 2000s. They manufactured steel and cast iron units, providing applications that efficiently burned wood, pellets, and even corn. Freestanding units as well as inserts were available for all fuel burning options, and many of the models were identifiable by the thick gold or brass trim around the ...
