This is a great book for young children
learning about anatomy. Pages to color
and cut out will make a 'body' appear

before your eyes. The coinciding
information is simple and brief, but easy
for a young person to understand and
recall.

I love how the book was worded so my son can understand them. My son found it challenging to color and cut the pictures (he didn't have lot of cutting and coloring activity prior to this) but he was so persistent because he loves to stick the organ picture on the his body

poster.
