The Political Class In Advanced Democracies A Comparative ...

Political class, or political elite is a concept in comparative political science

originally developed by Italian political theorist Gaetano Mosca. It refers to the relatively small group of activists that is highly aware and active in politics, and from whom the national leadership is largely drawn. As Max Weber noted, they not only live "for politics"—like the old notables used to—but make their careers "off politics" as policy specialists and experts on specific fields of public ...
