Personal Author.
 Janser, M. J. Page Count. 24. Abstract. This paper examines the applicability of recent findings from behavioral economics to military decision making. Army manuals concerning the Military Decision Making Process mention

general biases in decision making but do not mention specific biases or specific mechanisms for mitigating bias. Recent research has shed light on specific biases to include:
 overconfidence, insensitivity to sample size, availability, illusionary correlation

Cognitive Biases in Military Decision Making. | National ...

Cognitive bias is a perennial problem in intelligence analysis. Most DoD certified operational psychologists who advise military commanders possess limited understanding of what Hunziker (2016) has called depth typology: a holistic typology that seeks to understand the whole personality

including both its conscious and unconscious aspects (p. 4).

Managing Bias in Military Intelligence - Personality Type ...

The institutional nature of the military decision making process (MDMP), our organizational culture, and our individual mental processes in how we make decisions shape these heuristics and their accompanying biases. The theory of reflection-in-action and its implications for decision making may sit uneasily with many military professionals.

Heuristics and Biases in Military Decision Making

Background: The role of cognitive biases and heuristics in medical

decision making is of growing interest. The purpose of this study was to determine whether studies on cognitive biases and heuristics in medical decision making are based on actual or hypothetical decisions and are conducted with populations that are representative of those who typically make the medical decision; to categorize ...

Cognitive bias in clinical medicine

Cognitive biases increase our mental efficiency by enabling us to make quick decisions without any conscious deliberation. However, cognitive biases can also distort our thinking, leading to poor decision-making and false judgments. Three common cognitive biases are fundamental attribution error, hindsight bias, and confirmation bias.

Use These Three Military Lessons To Be Decisive In Business

Cognitive biases impair our assessment of the probability of each cost and benefit materialising. This, in turn, impairs military decision-making at the strategic and operational levels.

Cognitive Biases: The Root of Irrationality in Military ...

A cognitive bias is a systematic pattern of deviation from norm or rationality in judgment. Individuals create their own "subjective reality" from their perception of the input. An individual's construction of reality, not the objective input, may dictate their behavior in the world. Thus, cognitive biases

may sometimes lead to perceptual distortion, inaccurate judgment, illogical interpretation, or what is broadly called irrationality. Although it may seem like this type of perception is few an
