Auto repair manuals

Off late, Maruti-Suzuki has created a ton of hype by launching their Celerio hatchback with the common man's automatic gearbox, the automated manual transmission or AMT. For the past few decades in automotive history, the rapid progress in the technology of automatic gearboxes has effectively nullified the necessity of manual operation of the gears using the clutch pedal and gear lever.

AMT (Automated Manual Transmission) Explained in Easy Language

Semi-automatic transmission denotes a multi-speed motor vehicle transmission where part of its operation is automated (typically the clutch actuation) but the driver's input is still required to start (i.e., launch the vehicle) from a standstill and to manually change gears. Most semi-automatic transmissions used in cars and motorcycles are based on conventional manual transmissions or a ...
