The Spell Of The Sensuous

"The Spell of the Sensuous does more than place itself on the cutting edge where ecology meets philosophy, psychology, and history. It magically subverts the dichotomies of culture and nature, body and mind, opening a vista of organic being and human possibility that is often imagined but seldom described.

The Spell of the Sensuous: Perception and Language in a ...

For me, David Abram's The Spell of The Sensuous is a strong three, but a weak four. A 7 out of 10, which sounds a lot better than 3 out of 5. As in all other ways, this book defies easy categorization. It's hard to say how I felt about it. At times Abram frustrated me -- more than once I rolled my eyes at the text -- and yet his work certainly affected me, provoked internal arguments ...

In The Spell of the Sensuous David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand of magician to reveal the subtle dependence of human cognition on the natural environment.

Spell Of The Sensuous : David Abram : 9780679776390

The Spell of the Sensuous has important things to offer spiritual naturalists, naturalist animists, and others. Abram's work is entirely naturalistic but does not lapse into reductionism. He offers a way to talk about the relationship between nature and culture (assuming for the moment that there is a division between those two things!).

June 14, 2016 Book Review: The Spell of the Sensuous by David Abram I really want to give this book 5 out of 5 stars, since I really do consider it a truly paradigm-shifting book, but I've knocked off half a star for the language being a bit hippy-dippy and cringe-worthy at times (but mostly extremely poetic and beautifully written).

Book Review: The Spell of the Sensuous by David Abram

The Spell of the Sensuous David Abram, Ph.D., is an ecologist and philosopher whose writings have had a deepening influence upon the environmental movement in North America and abroad. A summa cum laude graduate of Wesleyan University, he holds a doctorate in philosophy from the State University of New York at Stony Brook and has been the recipient of fellowships from the Watson and ...
