International Management Ethics And Social Responsibility ...

In the international business arena, ethical problems also arise out mere international business transactions. Fair trade movement, transfer pricing, bioprospecting and biopiracy are examples of transactions that fall within the ambit of international business ethics. Similarly issues like child labor and cultural imperialism are controversial enough to call upon the attention of international business

ethics.

International Ethics Standards (IES)
International Ethics Standards establish ten global ethics principles

for professionals operating in the natural and built environment sector.

These principles ensure professionalism is delivered consistently and transparently throughout the world. RICS was a founding member of the International Ethics Standards Coalition, which was established at the United Nations in 2014.

International Ethics Standards (IES)

Meaning of

Management Ethics:

‘Management Ethics’ is related to social responsiveness of a firm. It is “the discipline dealing with what is good and bad, or right and wrong, or with moral duty and obligation. It is a standard of behaviour

that guides individual managers in their works”.

International Management Ethics - Bibliography - PhilPapers

The primary problem of international business ethics lies in the fact that most cultures and nations hold entirely different standards of

both law and ethics. In America, business ethics can be employed because, in general, the disagreement between what actions are ethical and what actions are unethical in a single culture will be lesser than the disagreement between two entirely different cultures with different values and cultural practices.

...

Lawyers and public interest litigations may not help a great deal but ethics can. Ethics tries to create a sense of right and wrong in the organizations and often when the law fails, it is the ethics that may stop organizations from harming the society or environment.
