More. In Disney and Pixar's animated city of Monstropolis, multifarious monsters live and work in a society whose main industry is terror. At Monsters, Inc., creatures great and small, tentacled and hairy, lurk in the closets and under the beds of human children, frightening them to produce screams which are then bottled and used as a power source. The gateway between this parallel universe of colourful characters and the human world is a simple door.

Art is a medium-sized monster, in the shape of an arch. He has two small arms, light purple, shaggy fur with two dark purple stripes on both legs, and a large mouth with round teeth. During the Scare Games, he wears two wrist bands (on his legs) with the Oozma Kappa symbol on it, that was knitted by Ms. Squibbles.

At the Monsters, Inc., factory, skilled monsters employed as "scarers" venture into the human world to scare children and harvest their screams, through doors that activate portals to children's bedroom closets. It is considered dangerous work, as human children are believed to be toxic.

**Monsters, Inc. - Wikipedia**

The collection of concept art is very colourful, especially the pastel drawings by Dominique Louis and Ralph Eggleston. Every panel drawn by them is a delight to look at. The variety and style is great since numerous artists are commissioned to create in their own style. We get to see the many conceptual drawings for Scully and the other monsters.
