TheraNeem Naturals Gentle Therape Shampoo. True to its name, the TheraNeem shampoo is gentle and non-irritating, even to a sensitive, scaly and red scalp. It's gentle enough to use on a daily basis - overall, I'd

rate this as one of the most mild shampoos you can use on your scalp. It's probably not as non-irritating as something like a homemade, pure soap nuts shampoo (which doesn't make my scalp tingle when I sweat), but it's pretty much the best you can get ready-made.
