The premise of the book was what captivated me: Analysing the distance between text, preacher and listener. The fact there is a distance between the text and the listener.

Distance in Preaching: Room to Speak, Space to Listen by ...

Over the last decade in his preaching classes, Michael Brothers has noticed a dramatic change in his students' responses to preaching: as listeners, they want not so much to be drawn in to a preached sermon as to be given room for their own interpretations and experiences. In Distance in Preaching Brothers argues that critical and aesthetic distance as a hermeneutical tool is vital to ...
