Hocus Pocus Penguin Tarkington College, a

small, exclusive college in upstate New York, is turned upside down when ten thousand prisoners from the maximum security prison across Lake Mohiga break out and head for the college

Kurt Vonnegut: Novels 1987-1997 (LOA #273)

Bluebeard / Hocus Pocus / Timequake
Library of America

The definitive edition of Kurt Vonnegut's fiction concludes with three brilliantly satirical novels of the 1980s and '90s collected in one volume for the first time. Here are the final three novels of the visionary master who defined a generation. Bluebeard (1987) is the colorful history of a phenomenally gifted

realist painter who, in the 1950s, betrayed his artistic vision for commercial success. now, at seventy-one, he writes his memoirs and plots his revenge on the worldly forces that conspired to corrupt his talent. In *Hocus Pocus* (1990), a freewheeling prison memoir by a Vietnam vet and disgraced academic, Vonnegut brings his indelible voice to a range of still-burning issues—free speech, racism, environmental calamity, deindustrialization, and globalization. *Timequake* (1997), the author's last completed novel, is part science fiction yarn (starring perennial protagonist Kilgore trout), part diary of the mid-1990s (starring the author himself). the result is a

perfect fusion of Vonnegut's two signature genres, the satirical fantasy and the personal essay, and a literary magician's fond farewell to his readers and his craft. Rounded out with a selection of short nonfiction pieces intimately related to these three works, this volume presents the final word from the artist who the *San Francisco Chronicle*, reviewing *Timequake*, called an "old warrior who will not accept the dehumanizing of politics, the blunting of conscience, and the glibness of the late-twentieth-century Western world." LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary

heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Timequake *Penguin*

A New York Times Notable Book from the acclaimed author of *Slaughterhouse-Five*, *Breakfast of Champions*, and *Cat's Cradle*. At 2:27pm on February 13th of the year 2001, the Universe suffered a crisis in self-

confidence. Should it go on expanding indefinitely? What was the point? There's been a timequake. And everyone—even you—must live the decade between February 17, 1991 and February 17, 2001 over again. The trick is that we all have to do exactly the same things as we did the first time—minute by minute, hour by hour, year by year, betting on the wrong horse again, marrying the wrong person again. Why? You'll have to ask the old science fiction writer, Kilgore Trout. This was all his idea.

Kurt Vonnegut**The Complete Novel Set**

The ultimate Vonnegut: all 14 novels plus a selection of the best of

his stories in a definitive collector's boxed set. The novels of Kurt Vonnegut defined a generation and remain among the most enduringly popular and influential works of the last century. Now, for the first time, they are available in a single collector's edition, featuring authoritative annotated texts. This boxed set includes four Library of America volumes: *Novels & Stories 1950-1962* / *Player Piano* / *The Sirens of Titan* / *Mother Night* / *Novels & Stories 1963-1973* / *Cat's Cradle* / *God Bless You, Mr. Rosewater* / *Slaughterhouse-Five* / *Breakfast of Champions* / *Novels 1976-1985* / *Slapstick* / *Jailbird* / *Deadeye Dick* / *Galapagos* / *Novels 1987-1997* / *Bluebeard* /

Hocus Pocus / *Timequake* LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. Palm Sunday

An Autobiographical Collage *Dial Press*

"[Kurt Vonnegut] is

either the funniest serious writer around or the most serious funny writer.”—Los Angeles Times Book Review In this self-portrait by an American genius, Kurt Vonnegut writes with beguiling wit and poignant wisdom about his favorite comedians, country music, a dead friend, a dead marriage, and various cockamamie aspects of his all-too-human journey through life. This is a work that resonates with Vonnegut’s singular voice: the magic sound of a born storyteller mesmerizing us with truth. “Vonnegut is at the top of his form, and it is wonderful.”—Newsday

Sanity Plea

Schizophrenia in the

Novels of Kurt Vonnegut *University of Alabama Press*

In this revised edition of a volume originally published in 1989, Lawrence Broer extends his comprehensive critique of the body of writing by Kurt Vonnegut. Broer offers a broad psychoanalytic study of Vonnegut’s works from *Player Piano* to *Hocus Pocus*, taking a decisively new approach to the work of one of America’s most important, yet often misinterpreted writers. A compelling and original analysis, *Sanity Plea*, explores how Vonnegut incorporates his personal experiences into an art that is not defeatist, but rather creatively therapeutic and life-affirming.

God Bless You, Mr. Rosewater

A Novel *Dial Press*
Trade Paperback

"[Vonnegut] at his wildest best."—The New York Times Book Review Eliot Rosewater—drunk, volunteer fireman, and President of the fabulously rich Rosewater Foundation—is about to attempt a noble experiment with human nature . . . with a little help from writer Kilgore Trout. *God Bless You, Mr. Rosewater* is Kurt Vonnegut's funniest satire, an etched-in-acid portrayal of the greed, hypocrisy, and follies of the flesh we are all heir to. "A brilliantly funny satire on almost everything."—Conrad Aiken "[Vonnegut was]

our finest black humorist. . . . We laugh in self-defense."—The Atlantic Monthly

God Bless You, Dr. Kevorkian *Seven Stories Press*

From Slapstick's "Turkey Farm" to Slaughterhouse-Five's eternity in a Tralfamadorean zoo cage with Montana Wildhack, the question of the afterlife never left Kurt Vonnegut's mind. In *God Bless You, Dr. Kevorkian*, Vonnegut skips back and forth between life and the Afterlife as if the difference between them were rather slight. In thirty odd "interviews," Vonnegut trips down "the blue tunnel to the pearly gates" in the guise of a roving reporter for public radio, conducting interviews:

with Salvatore Biagini, a retired construction worker who died of a heart attack while rescuing his schnauzer from a pit bull, with John Brown, still smoldering 140 years after his death by hanging, with William Shakespeare, who rubs Vonnegut the wrong way, and with socialist and labor leader Eugene Victor Debs, one of Vonnegut's personal heroes. What began as a series of ninety-second radio interludes for WNYC, New York City's public radio station, evolved into this provocative collection of musings about who and what we live for, and how much it all matters in the end. From the original portrait by his friend Jules Feiffer that graces the cover, to a final entry from Kilgore

Trout, God Bless You, Dr. Kevorkian remains a joy.

Deadeye Dick

A Novel *Dial Press Trade Paperback*

"The master at his quirky, provocative best."—*Cosmopolitan*
Deadeye Dick is Kurt Vonnegut's funny, chillingly satirical look at the death of innocence. Amid a true Vonnegutian host of horrors—a double murder, a fatal dose of radioactivity, a decapitation, an annihilation of a city by a neutron bomb—Rudy Waltz, aka Deadeye Dick, takes us along on a zany search for absolution and happiness. Here is a tale of crime and punishment that makes us rethink what we believe . . . and who

we say we are. Praise for Deadeye Dick “A moving fable . . . Vonnegut, sweet cynic and ugly duckling, continues to write gentle swan songs for our uncivil society.”—Playboy “A brilliantly unconventional novel . . . a must for all Vonnegut fans.”—Worcester Sunday Telegram “Hits the bull’s-eye . . . dolefully celebrates the randomness of life, treating private and public disasters with a kind of reckless whimsy. . . . You don’t read Kurt Vonnegut for meaning exactly. You read him for the sad-funny attitude of mind, the kind of weirdness that can interpret the world’s weirdness.”—USA Today “Vonnegut is beguiling as ever . . .

Incredible plot constructions and inventive language continue to leap from his typewriter . . . the humor is natural and inborn; the insight usually purchased by his characters at painfully high cost. Funny how life turns out. Even funnier how Mr. Vonnegut turns life’s insanities into funny, profound sense. That takes a master’s touch. Mr. Vonnegut still has it.”—Kansas City Star “Playful and imaginative . . . On finishing the novel, the kitchen of your mind is a cleaner and more well-lighted place than it was before.”—Houston Chronicle “Endearing and enchanting . . . a wise and charming book . . . very full of life.”—Glamour

Slapstick or Lonesome No More!

A Novel *Dial Press
Trade Paperback*

"Some of the best and most moving Vonnegut."—San Francisco Chronicle
Slapstick presents an apocalyptic vision as seen through the eyes of the current King of Manhattan (and last President of the United States), a wickedly irreverent look at the all-too-possible results of today's follies. But even the end of life-as-we-know-it is transformed by Kurt Vonnegut's pen into hilarious farce—a final slapstick that may be the Almighty's joke on us all. "Both funny and sad . . . just about perfect."—Los Angeles Times
"Imaginative and hilarious . . . a brilliant vision of our

wrecked, wacked-out future."—Hartford Courant

**Hocus Pocus and
The All-New Sequel** *Disney Electronic
Content*

Hocus Pocus is beloved by Halloween enthusiasts all over the world. Diving once more into the world of witches, this electrifying two-part young adult novel, released on the twenty-fifth anniversary of the 1993 film, marks a new era of Hocus Pocus. Fans will be spellbound by a fresh retelling of the original film, followed by the all-new sequel that continues the story with the next generation of Salem teens. Shortly after moving from California to Salem, Max Dennison finds himself

in hot water when he accidentally releases a coven of witches from the afterlife. Max, his sister, and his new friends (human and otherwise) must find a way to stop the witches from carrying out their evil plan and remaining on Earth to torment Salem for all eternity. Twenty-five years later, Max and Allison's seventeen-year-old daughter, Poppy, finds herself face-to-face with the Sanderson sisters in all their sinister glory. When Halloween celebrations don't quite go as planned, it's a race against time as Poppy and her friends fight to save her family and all of Salem from the witches' latest death-defying scheme.

Armageddon in

Retrospect *Penguin*

The New York Times bestseller from the author of *Slaughterhouse-Five*—a “gripping” posthumous collection of Kurt Vonnegut’s previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, *Armageddon in Retrospect* is a collection of twelve previously unpublished writings. Imbued with Vonnegut's trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a

warmly personal introduction to the collection. Taken together, these pieces provide fresh insight into Vonnegut's enduring literary genius and reinforce his ongoing moral relevance in today's world. Includes an Introduction by Mark Vonnegut

Jailbird

A Novel *Dial Press*

"[Kurt Vonnegut] has never been more satirically on-target. . . . Nothing is spared."—People
Jailbird takes us into a fractured and comic, pure Vonnegut world of high crimes and misdemeanors in government—and in the heart. This wry tale follows bumbling bureaucrat Walter F. Starbuck from Harvard

to the Nixon White House to the penitentiary as Watergate's least known co-conspirator. But the humor turns dark when Vonnegut shines his spotlight on the cold hearts and calculated greed of the mighty, giving a razor-sharp edge to an unforgettable portrait of power and politics in our times. Praise for Jailbird "[Vonnegut] is our strongest writer . . . the most stubbornly imaginative."—John Irving "A gem . . . a mature, imaginative novel—possibly the best he has written . . . Jailbird is a guided tour de force of America. Take it!"—Playboy "A profoundly humane comedy . . . Jailbird definitely mounts up on angelic wings—in its speed, in its sparkle, and in its high-flying

intent.”—Chicago Tribune Book World “Joyously inventive . . . gleams with the loony magic Vonnegut alone can achieve.”—Cosmopolitan “Vonnegut is our great apocalyptic writer, the closest thing we’ve had to a prophet since . . . Lenny Bruce.”—Chicago Sun-Times “Vonnegut at his impressive best. . . . His imaginative leaps alone . . . are worth the price of admission. . . . His far-reaching metaphysical and cultural concerns . . . are ultimately serious and worth our contemplation.”—The Washington Post

A Man Without a Country *Dial Press*
NEW YORK TIMES
BESTSELLER • “For all those who have lived

with Vonnegut in their imaginations . . . this is what he is like in person.”—USA Today In a volume that is penetrating, introspective, incisive, and laugh-out-loud funny, one of the great men of letters of this age—or any age—holds forth on life, art, sex, politics, and the state of America’s soul. From his coming of age in America, to his formative war experiences, to his life as an artist, this is Vonnegut doing what he does best: Being himself. Whimsically illustrated by the author, *A Man Without a Country* is intimate, tender, and brimming with the scope of Kurt Vonnegut’s passions. Praise for *A Man Without a Country* “[This] may be as close as Vonnegut ever

comes to a memoir.”-Los Angeles Times “Like [that of] his literary ancestor Mark Twain, [Kurt Vonnegut’s] crankiness is good-humored and sharp-witted. . . . [Reading *A Man Without a Country* is] like sitting down on the couch for a long chat with an old friend.”-The New York Times Book Review “Filled with [Vonnegut’s] usual contradictory mix of joy and sorrow, hope and despair, humor and gravity.”-Chicago Tribune “Fans will linger on every word . . . as once again [Vonnegut] captures the complexity of the human condition with stunning calligraphic simplicity.”-The Australian “Thank God, Kurt Vonnegut has broken his promise

that he will never write another book. In this wondrous assemblage of mini-memoirs, we discover his family’s legacy and his obstinate, unfashionable humanism.”-Studs Terkel

Between Time and Timbuktu

Or, Prometheus-5, a Space Fantasy *Dial Press*

An experimental television play composed of excerpts from his novels and stories, *Between Time and Timbuktu* features Kurt Vonnegut’s special blend of scientific expertise, wit, and penetrating comment. “Most unusual, ultra imaginative . . . a sort of cross between 2001: A Space Odyssey and

Alice in Wonderland.”—Philadelphia Inquirer The basic story line: Young Stony Stevenson wins a jingle contest and, as his prize, is blasted off into the time-space warp. The country’s first poet-astronaut thus experiences both past and future human history simultaneously. His observations on it consist mainly of dramatized selections from the author’s works. The result is a unique Vonnegut sampler cast in the form of “an excellent drama” (Pittsburgh Press).

Mother Night

A Novel *Dial Press*

“Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but

moral mad scientist.”—Time Mother Night is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. “A great artist.”—Cincinnati Enquirer “A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!”—Commonwealth

Kurt Vonnegut and the American Novel

A Postmodern Iconography

Bloomsbury Publishing

The novels of Kurt Vonnegut depict a profoundly absurd and distinctly postmodern world. But in this critical study, Robert Tally argues that Vonnegut himself is actually a modernist, who is less interested in indulging in the free play of signifiers than in attempting to construct a model that could encompass the American experience at the end of the twentieth century. As a modernist wrestling with a postmodern condition, Vonnegut makes use of diverse and sometimes eccentric narrative techniques (such as metafiction, collage, and temporal slippages) to project a comprehensive vision of life in the United States. Vonnegut's novels thus become

experiments in making sense of the radical transformations of self and society during that curious, unstable period called, perhaps ironically, the 'American Century.' An untimely figure, Vonnegut develops a postmodern iconography of American civilization while simultaneously acknowledging the impossibility of a truly comprehensive representation.

Slaughterhouse-Five

A Novel Dial Press
Trade Paperback

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time),

featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds* Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers

not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet

save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties.

"Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe

Kurt Vonnegut Drawings *The Monacelli Press, LLC*

Those who know Kurt Vonnegut as one of America's most beloved and influential

writers will be surprised and delighted to discover that he was also a gifted graphic artist. This book brings together the finest examples of his funny, strange, and moving drawings in an inexpensive, beautifully produced gift volume for every Vonnegut fan. Kurt Vonnegut's daughter Nanette introduces this volume of his never before published drawings with an intimate remembrance of her father. Vonnegut always drew, and many of his novels contain sketches. *Breakfast of Champions* (1973) included many felt-tip pen drawings, and he had a show in 1983 of his drawings at New York's Margo Feiden Gallery, but really got going in the early 1990s when he became acquainted with the screenprinter Joe Petro III, who became his partner in making his colorful drawings available as silkscreens. With a touch of cubism, mixed with a Paul Klee gift for caricature, a Calder-like ability to balance color and line, and more than a touch of sixties psychedelic sensibility, Vonnegut's aesthetic is as idiosyncratic and defiant of tradition as his books. While writing came to be more onerous in his later years, making art became his joyful primary activity, and he made drawings up until his death in 2007. This volume, and a planned touring exhibition of the drawings, will introduce Vonnegut's

legion of fans to an entirely new side of his irrepressible creative personality.

Complete Stories

Seven Stories Press

Here for the first time is the complete short fiction of one of the twentieth century's foremost imaginative geniuses. More than half of Vonnegut's output was short fiction, and never before has the world had occasion to wrestle with it all together. Organized thematically—"War," "Women," "Science," "Romance," "Work Ethic versus Fame and Fortune," "Behavior," "The Band Director" (those stories featuring Lincoln High's band director and nice guy George Hemholtz), and "Futuristic"—these ninety-eight stories

were written from 1941 to 2007, and include those Vonnegut published in magazines and collected in *Welcome to the Monkey House*, *Bagombo Snuff Box*, and other books; here for the first time five previously unpublished stories; as well as a handful of others that were published online and read by few. During his lifetime Vonnegut published fewer than half of the stories he wrote, his agent telling him in 1958 upon the rejection of a particularly strong story, "Save it for the collection of your works which will be published someday when you become famous. Which may take a little time." Selected and introduced by longtime

Vonnegut friends and scholars Dan Wakefield and Jerome Klinkowitz, *Complete Stories* puts Vonnegut's great wit, humor, humanity, and artistry on full display. An extraordinary literary feast for new readers, Vonnegut fans, and scholars alike.

A Luminous Republic
Mariner Books

A new novel from a Spanish literary star about the arrival of feral children to a tropical city in Argentina, and the quest to stop them from pulling the place into chaos.

The Vonnegut Effect
Univ of South Carolina Press

Kurt Vonnegut is one of the few American writers since Mark Twain to have won and

sustained a great popular acceptance while boldly introducing new themes and forms on the literary cutting edge. This is the "Vonnegut effect" that Jerome Klinkowitz finds unique among postmodernist authors. In this innovative study of the author's fiction, Klinkowitz examines the forces in American life that have made Vonnegut's works possible. Vonnegut shared with readers a world that includes the expansive timeline from the Great Depression, during which his family lost their economic support, through the countercultural revolt of the 1960s, during which his fiction first gained prominence. Vonnegut also explored the growth in

recent decades of America's sway in art, which his fiction celebrates, and geopolitics, which his novels question. A pioneer in Vonnegut studies, Jerome Klinkowitz offers *The Vonnegut Effect* as a thorough treatment of the author's fiction—a canon covering more than a half century and comprising twenty books. Considering both Vonnegut's methods and the cultural needs they have served, Klinkowitz explains how those works came to be written and concludes with an assessment of the author's place in American fiction.

Pity the Reader

On Writing with Style *Rosetta Books*
 “A rich, generous book

about writing and reading and Kurt Vonnegut as writer, teacher, and friend . . . Every page brings pleasure and insight.”—Gail Godwin, *New York Times* bestselling author
 Here is an entirely new side of Kurt Vonnegut, Vonnegut as a teacher of writing. Of course he's given us glimpses before, with aphorisms and short essays and articles and in his speeches. But never before has an entire book been devoted to Kurt Vonnegut the teacher. Here is pretty much everything Vonnegut ever said or wrote having to do with the writing art and craft, altogether a healing, a nourishing expedition. His former student, Suzanne McConnell, has outfitted us for the

journey, and in these 37 chapters covers the waterfront of how one American writer brought himself to the pinnacle of the writing art, and we can all benefit as a result. Kurt Vonnegut was one of the few grandmasters of American literature, whose novels continue to influence new generations about the ways in which our imaginations can help us to live. Few aspects of his contribution have not been plumbed—fourteen novels, collections of his speeches, his essays, his letters, his plays—so this fresh view of him is a bonanza for writers and readers and Vonnegut fans everywhere. “Part homage, part memoir, and a 100% guide to making art with words,

Pity the Reader: On Writing with Style is a simply mesmerizing book, and I cannot recommend it highly enough!” —Andre Dubus III, #1 New York Times bestselling author “The blend of memory, fact, keen observation, spellbinding descriptiveness and zany characters that populated Vonnegut’s work is on full display here.”—James McBride, National Book Award-winning author

Look at the Birdie (Short Story)

Delacorte Press

Look at the Birdie is a collection of fourteen previously unpublished short stories from one of the most original writers in all of American fiction. In this series of perfectly rendered vignettes,

written just as he was starting to find his comic voice, Kurt Vonnegut paints a warm, wise, and often funny portrait of life in post-World War II America—a world where squabbling couples, high school geniuses, misfit office workers, and small-town lotharios struggle to adapt to changing technology, moral ambiguity, and unprecedented affluence. How do you plan the perfect murder? Belly up to the bar with Vonnegut's narrator and listen as a self-proclaimed "murder counselor" outlines his fool-proof program for getting rid of your enemies—and assuring yourself a guaranteed annuity income for life. Look at the Birdie and the thirteen other never-

before-published pieces that comprise *Look at the Birdie* serve as an unexpected gift for devoted readers who thought that Kurt Vonnegut's unique voice had been stilled forever—and provide a terrific introduction to his short fiction for anyone who has yet to experience his genius.

Kurt Vonnegut

Letters *Delacorte Press*

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY

Newsweek/The Daily Beast • *The Huffington Post* • *Kansas City Star* • *Time Out New York* • *Kirkus Reviews* This extraordinary collection of personal correspondence has all the hallmarks of Kurt Vonnegut's fiction.

Written over a sixty-year period, these letters, the vast majority of them never before published, are funny, moving, and full of the same uncanny wisdom that has endeared his work to readers worldwide. Included in this comprehensive volume: the letter a twenty-two-year-old Vonnegut wrote home immediately upon being freed from a German POW camp, recounting the ghastly firebombing of Dresden that would be the subject of his masterpiece *Slaughterhouse-Five*; wry dispatches from Vonnegut's years as a struggling writer slowly finding an audience and then dealing with sudden international fame in middle age; letters of protest to local school boards that tried to ban his work; intimate remembrances penned to high school classmates, fellow veterans, friends, and family; and letters of commiseration and encouragement to such contemporaries as Gail Godwin, Günter Grass, and Bernard Malamud. Vonnegut's unmediated observations on science, art, and commerce prove to be just as inventive as any found in his novels—from a crackpot scheme for manufacturing "atomic" bow ties to a tongue-in-cheek proposal that publishers be allowed to trade authors like baseball players. ("Knopf, for example, might give John

Updike's contract to Simon and Schuster, and receive Joan Didion's contract in return.") Taken together, these letters add considerable depth to our understanding of this one-of-a-kind literary icon, in both his public and private lives. Each letter brims with the mordant humor and openhearted humanism upon which he built his legend. And virtually every page contains a quotable nugget that will make its way into the permanent Vonnegut lexicon. • On a job he had as a young man: "Hell is running an elevator throughout eternity in a building with only six floors." • To a relative who calls him a "great literary figure": "I am an American fad—of a slightly higher order than the hula hoop." • To his daughter Nanny: "Most letters from a parent contain a parent's own lost dreams disguised as good advice." • To Norman Mailer: "I am cuter than you are." Sometimes biting and ironical, sometimes achingly sweet, and always alive with the unique point of view that made him the true cultural heir to Mark Twain, these letters comprise the autobiography Kurt Vonnegut never wrote. Praise for Kurt Vonnegut: Letters "Splendidly assembled . . . familiar, funny, cranky . . . chronicling [Vonnegut's] life in real time."—Kurt Andersen, *The New York Times Book Review* "[This collection is] by turns hilarious,

heartbreaking and mundane. . . . Vonnegut himself is a near-perfect example of the same flawed, wonderful humanity that he loved and despaired over his entire life.”—NPR
 “Congenial, whimsical and often insightful missives . . . one of [Vonnegut’s] very best.”—Newsday
 “These letters display all the hallmarks of Vonnegut’s fiction—smart, hilarious and heartbreaking.”—The New York Times Book Review

Krazy Kat *Vintage*

Krazy Kat adores Ignatz Mouse. She sees the bricks he hurls at her head as tokens of love, and each day Ignatz arranges a cunningly different method of delivery for

his missile. But when Ignatz and Krazy witness the mega-brick explosion in the desert, Krazy becomes depressed, and refuses to perform. To coax her back to work so they can regain their lost limelight, Ignatz invents his own brand of psychotherapy, orchestrates her kidnapping, and tries to seduce Krazy with promises of stardom from a Hollywood producer. As the mouse confronts the Kat with bewildering new concepts like sex, death, and politics, Ignatz and Krazy begin yearning to become round, for a fullness of body and spirit beyond their two-dimensional realm. Forming an altogether witty and winning counterpoint to George Herriman’s classic comic strip, Jay

Cantor's kinetic novel has become a classic in its own right, one of those masterpieces that creates its own unforgettable universe.

We Are What We Pretend To Be

The First and Last Works *Vanguard Press*

A double volume of the influential author's first and last written works includes the bitter satire "Basic Training" and the unfinished final novel, "If God Were Alive Today."

Love, Kurt

The Vonnegut Love Letters, 1941-1945 *Random House*

A never-before-seen collection of deeply personal love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by

their daughter "A glimpse into the mind of a writer finding his voice."—The Washington Post "If ever I do write anything of length—good or bad—it will be written with you in mind." Kurt Vonnegut's eldest daughter, Edith, was cleaning out her mother's attic when she stumbled upon a dusty, aged box. Inside, she discovered an unexpected treasure: more than two hundred love letters written by Kurt to Jane, spanning the early years of their relationship. The letters begin in 1941, after the former schoolmates reunited at age nineteen, sparked a passionate summer romance, and promised to keep in touch when they

headed off to their respective colleges. And they did, through Jane's conscientious studying and Kurt's struggle to pass chemistry. The letters continue after Kurt dropped out and enlisted in the army in 1943, while Jane in turn graduated and worked for the Office of Strategic Services in Washington, D.C. They also detail Kurt's deployment to Europe in 1944, where he was taken prisoner of war and declared missing in action, and his eventual safe return home and the couple's marriage in 1945. Full of the humor and wit that we have come to associate with Kurt Vonnegut, the letters also reveal little-known private corners of his mind. Passionate and tender, they form an illuminating portrait of a young soldier's life in World War II as he attempts to come to grips with love and mortality. And they bring to light the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him, the young couple having no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith's insights and family memories, *Love, Kurt* is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of

falling in love.

Cat's Cradle

A Novel *Dial Press*

"A free-wheeling vehicle . . . an unforgettable ride!"—The New York Times *Cat's Cradle* is Kurt Vonnegut's satirical commentary on modern man and his madness. An apocalyptic tale of this planet's ultimate fate, it features a midget as the protagonist, a complete, original theology created by a calypso singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, *Cat's Cradle* is one of the twentieth century's most important works—and

Vonnegut at his very best. "[Vonnegut is] an unimitative and inimitable social satirist."—Harper's Magazine "Our finest black-humorist . . . We laugh in self-defense."—Atlantic Monthly

Stranger in a Strange Land *Hachette UK*

The original uncut edition of *STRANGER IN A STRANGE LAND* by Hugo Award winner Robert A Heinlein - one of the most beloved, celebrated science-fiction novels of all time. Epic, ambitious and entertaining, *STRANGER IN A STRANGE LAND* caused controversy and uproar when it was first published and is still topical and challenging today. Twenty-five years ago, the first

manned mission to Mars was lost, and all hands presumed dead. But someone survived... Born on the doomed spaceship and raised by the Martians who saved his life, Valentine Michael Smith has never seen a human being until the day a second expedition to Mars discovers him. Upon his return to Earth, a young nurse named Jill Boardman sneaks into Smith's hospital room and shares a glass of water with him, a simple act for her but a sacred ritual on Mars. Now, connected by an incredible bond, Smith, Jill and a writer named Jubal must fight to protect a right we all take for granted: the right to love.

The Rhythm of Memory *Berkley*

Originally falling in love as students in Chile, Octavio and Salome must escape to Sweden after their outspoken opposition to a brutal dictator puts them in grave danger in this new novel from the author of *The Lost Wife*. Original. 75,000 first printing.

Slaughterhouse Five Or the Children's Crusade

A Duty Dance With Death *Dell Publishing Company*

Billy Pilgrim survives capture by the Germans in World War II, the Dresden bombings, and the struggle for financial success only to be kidnapped in a flying saucer and taken to the planet Tralfamadore.

The Tetherballs of Bougainville

A Novel *Vintage*

From his cult classic, I Smell Esther Williams, to his wildly popular and insightful column "Wild Kingdom" appearing in Esquire magazine every month, Mark Leyner has been giving us up close and personal encounters of the most hilarious kind for over a decade. Now, in his new novel *The Tetherballs of Bougainville*, Leyner shares with us, long last, the quintessential coming of age story that every writer, at some point, is compelled to tell. In the novel we meet young Mark Leyner, 13-years-old to be exact, as he waits in a New Jersey prison to witness his father's

execution. Adolescence is never easy, and it just so happens that this junior high schooler is on deadline to turn in a screenplay for which he has already been awarded the Vincent and Lenore DiGiacomo/Oshimitsu Polymers America Award. And, as it was for all of us during out teenage years, nothing seems to go as planned. Written as autobiography, screenplay and movie review, *The Tetherballs of Bougainville* twists three familiar narrative forms into an outlandishly compelling story. Leyner's use of the media-driven formats brilliantly reflects our secret, shameful and hilarious desire to experience our private lives as mass entertainment. The

Tetherballs of Bougainville skewers and celebrates American pop culture in the late twentieth century. Leyner's version of our lives is so deeply funny because it is so painfully true.

Bluebeard

A Novel *Dial Press Trade Paperback*

"Ranks with Vonnegut's best and goes one step beyond . . . joyous, soaring fiction."—The Atlanta Journal and Constitution Broad humor and bitter irony collide in this fictional autobiography of Rabo Karabekian, who, at age seventy-one, wants to be left alone on his Long Island estate with the secret he has locked inside his potato barn. But

then a voluptuous young widow badgers Rabo into telling his life story—and Vonnegut in turn tells us the plain, heart-hammering truth about man's careless fancy to create or destroy what he loves. Praise for *Bluebeard* "Vonnegut is at his edifying best."—The Philadelphia Inquirer "The quicksilver mind of Vonnegut is at it again. . . . He displays all his talents—satire, irony, ridicule, slapstick, and even a shaggy dog story of epic proportions."—The Cincinnati Post "[Kurt Vonnegut is] a voice you can trust to keep poking holes in the social fabric."—San Francisco Chronicle "It has the qualities of classic Bosch and *Slaughterhouse Vonnegut*. . . . *Bluebeard* is

uncommonly feisty.”—USA Today “Is Bluebeard good? Yes! . . . This is vintage Vonnegut—good wine from his best grapes.”—The Detroit News “A joyride . . . Vonnegut is more fascinated and puzzled than angered by the human stupidities and contradictions he discerns so keenly. So hop in his rumble seat. As you whiz along, what you observe may provide some new perspectives.”—Kansas City Star

Garbage Head *Vehicule Press*

Imagine Douglas Coupland writing a Kurt Vonnegut novel in hypertext. The outcome: *Garbage Head*, a daring postmodern novel written almost entirely in sentence-length

paragraphs which examines the promiscuity of telecommunication devices and the vicarious thrills of celebrity culture. The reader surfs through the text gathering points of view and sound bites from disparate locales in real time and, just as in the today's world of endless stimuli, must construct the story from an array of media messages. As technology erases the lines between reality and virtual reality, a boy nicknamed *Garbage Head* develops the ability to say what those on TV and radio will say before they say it. An appearance on *The Fabulous Gigi Fandone Show* rockets him to fame, but his troubles begin when he uses his

ability to predict the numbers of a multi-million dollar lotto. The FBI deems him to be a national threat and Garbage Head is arrested and taken to a president more consumed with watching reruns and learning street slang than in leading a nation. Garbage Head is the idiot savant through whose eyes we glimpse a world spinning out of control, where belief is found in media and its ubiquitous stars, where technology provides a human life line, and where everyone is searching for a meaning which can only be found within.

The Sirens of Titan

The Sirens of Titan (1959), Vonnegut's second novel, was on the Hugo final ballot

along with Robert Heinlein's Starship Troopers and lost in what Harlan Ellison called a monumental injustice. Malachi Constant is a feckless but ultimately good-hearted millionaire who, in this incompressible interplanetary Candide (lacking perhaps Voltaire's utter bitterness), searches the solar system for the ultimate meaning of existence. Constant is aided by another tycoon, Winston Rumfoord, who, with the help of aliens, has discovered the fundamental meaning of life. With the help of Salo--an alien robot overseeing the alien race, the Tralmafordians (who also feature in Slaughterhouse-Five)--Constant attempts to

find some cosmic sense and order in the face of universal malevolence. Constant and Rumfoord deal with the metaphysics of "chrono-synclastic infundibula" and the interference of the Tralmafadorians. The novel is pervaded by a goofy, episodic charm which barely shields the readers (or the characters) from the fact of what seems to be a large and indifferent universe. All of Vonnegut's themes and obsessions, further developed or recycled in later work, are evident here in a novel slightly more hopeful than most of his canon. It is suggested that ultimately Constant learns only that it is impossible to learn, that fate (and the Tralmafadorians) are impenetrable. On the

basis of this novel, Vonnegut was wholly claimed by the science fiction community (as the Hugo nomination demonstrated) but he did not reciprocate, feeling from the outset that to be identified as a science fiction writer would limit his audience and trivialize his themes. His recurring character, the hack science fiction writer Kilgore Trout (prominent in *Slaughterhouse-Five*) was for Vonnegut a worst case version of the writer he did not wish to become.

Hocus Pocus

Or What's the Hurry, Son?.

While Mortals Sleep

Unpublished Short Fiction *Delacorte*

Press

NATIONAL BESTSELLER

• Foreword by Dave Eggers These previously unpublished, beautifully rendered works of fiction are a testament to Kurt Vonnegut's unique blend of observation and imagination. Here are stories of men and machines, art and artifice, and how ideals of fortune, fame, and love take curious twists in ordinary lives. An ambitious builder of roads fritters away his free time with miniature trains—until the women in his life crash his fantasy land. Trapped in a stenography pool, a young dreamer receives a call from a robber on the run, who presents her with a strange proposition. A crusty newspaperman

is forced onto a committee to judge Christmas displays—a job that leads him to a suspiciously ostentatious ex-con and then a miracle. Featuring a Foreword by Dave Eggers, *While Morts Sleep* is a poignant reflection of our world as it is and as it could be. Includes the following stories: "Jenny" "The Epizootic" "Hundred-Dollar Kisses" "Guardian of the Person" "With His Hand on the Throttle" "Girl Pool" "Ruth" "While Morts Sleep" "Out, Brief Candle" "Tango" "Bomar" "The Man Without No Kiddleys" "Mr. Z" "\$10,000 a Year, Easy" "Money Talks" "The Humbugs" Praise for *While Morts Sleep* "Immensely readable and thoroughly entertaining."—The

Washington Post "Taut, concise . . . The stories set themselves up with neat swiftness, proceed at a clip, and shut down with equal speed, [showing Vonnegut] honing his skills in structure and satire."—Los Angeles Times "A lovely reminder of the mischievous moral voice we lost when we lost Kurt Vonnegut."—San Francisco Chronicle "These stories were all good when they were written decades ago, but many strike me as great now. Never has the voice of Kurt Vonnegut, humanist and humorist, been more relevant."—The Seattle Times "There's something distinctly timeless about Vonnegut's vision."—Minneapolis Star-Tribune

I Wanna Be Where You Are *Roaring Brook Press*

A debut young adult rom-com about an African American ballerina who finds love on the road to an audition. "In a world where it's easy to lose faith in love, *I Wanna Be Where You Are* is a brilliant burst of light. A dazzling debut." — Nic Stone, New York Times bestselling author of *Dear Martin* and *Odd One Out* When Chloe Pierce's mom forbids her to apply for a spot at the dance conservatory of her dreams, she devises a secret plan to drive two hundred miles to the nearest audition. But Chloe hits her first speed bump when her annoying neighbor Eli insists upon hitching a ride, threatening to tell Chloe's mom if she

leaves him and his smelly dog, Geezer, behind. So now Chloe's chasing her ballet dreams down the east coast—two unwanted (but kinda cute) passengers in her car, butterflies in her stomach, and a really dope playlist on repeat. Filled with roadside hijinks, heart-stirring romance, and a few broken rules, Kristina Forest's *I Wanna Be Where You Are* is a YA debut perfect for fans of Jenny Han and Sandhya Menon.

Sun Moon Star
RosettaBooks

Sun Moon Star is the story of the birth of Jesus—as told by Kurt Vonnegut. This

children's book takes the newborn Jesus' perspective, offering beautiful and insightful descriptions of the world from someone newly born into it. In this book, we follow Jesus and meet the people most important to his life—presented in new and surprising ways. A powerful departure from Vonnegut's more adult work, *Sun Moon Star* gives readers a rare glimpse of the writer's talent in a format that's unique and unexpected. This book's well-crafted simplicity is sure to make it a favorite—with both children and adult readers who are Vonnegut fans.
