A good way to make the most informed decision is to follow a process that assures you are taking into account all relevant information and considering each of the most probable outcomes. A step-by-step checklist like this is valuable for that purpose: © The Balance 2018. Define the problem, challenge, or opportunity.

### **Important Decision-Making Skills That Employers Value**

By making informed decisions, you are gradually learning to trust your intuition and teaching yourself to think things through in the best way possible. Over time, you will learn to feel good about

the choices you've made as you become more confident in your decision-making abilities. Don't let fear guide your decisions.

### **How to Make Good Decisions (with Pictures) - wikiHow**

Step 1: Identifying the problem, opportunity or challenge. Step 2: Developing a set of potential responses or viable solutions. Step 3: Evaluating the benefits and any associated costs with the implementation of each solution. Step 4: Selecting the most suitable solution or response to address the issue.

### **The Key Decision Making Skills in 2020 - With Examples**

The session also will introduce a method to help you make great decisions in stressful times by introducing three-steps that can help you become calm, cool, and collected; see the full panorama of the situation that you face; and reformulate the challenge confronting you to make sure you are solving the right problem with a good decision.

### **How to Make Great Decisions in Stressful Times**

There are three ways in which we make design decisions: Experience; Intuition; Reference or imitation; These aren't entirely separate — our experiences inform our intuitions and both of those are influenced by designers we've studied. So there's a constant tug-of-war going on between these three decision-making styles as we do our work.

### **How to Use a Design System to Make Great UX Design Decisions**

The star of BETs Mind, Body & Soul, and featured guest speaker
