One of the most famous sacred geometry patterns is the Flower of Life. This is the modern name for a pattern of multiple overlapping circles that are spaced evenly. They are arranged to form a pattern that looks like a flower with six sides. The centre of each circle is on the circumference of six surrounding circles of the same diameter.

The Power & Magic of Sacred Geometry - Star Magic

“The genius of Islamic artists is seen in abstract representation, where mathematics and geometry both play a major role. Their inventiveness rose to unparalleled heights as they created geometric patterns of endless variations. Infinity is the key word in this context. One of God’s unique and inimitable attributes is the concept of infinity.
