Urban Masses and Moral Order in America, 1820-1920 eBook ...

For over a century, dark visions of moral collapse and social disintegration in American cities spurred an anxious middle class to search for ways to restore order. In this important book, Paul Boyer explores the links between the urban reforms of the Progressive era and the long efforts of prior generations to tame the cities. He integrates the ideologies of urban crusades with an examination of the careers and the mentalities of a group of vigorous activists, including Lyman Beecher; the ...

Paul Boyer, Urban Masses and Moral Order in America 1820 -

1920 (1978) For much of the twentieth century, America existed as an urban society, meaning one in which the majority of people lived in metropolitan rather than rural areas. Since the 1950's on, much concern has been expressed over urban America's fate, deindustrialization during the 1970s only amplified such emotions.
