Museum Of Thieves The Keepers

Museum of Thieves is basically a pre-teen dystopian story, of a world which is surely the nightmare of most children, one where all children are so overprotected that they are kept chained (to their parents or Keepers). This apparently is to save them from child thieves, or plagues, or robbers, or any of dozens of dangers.

Museum of Thieves (The Keepers) by Lian Tanner (2010-09-28 ...

Someone is trying to change the order of things; the result of which could cause the destruction of Jewel. Together with a boy called Toadspit, Goldie must guard the Museum's secrets and save the world as they know it. Museum of Thieves – the first book of The Keepers is a fantastic adventure – full of magic and mayhem. I thoroughly recommend it to anyone who seeks a new magical hero!

Museum of Thieves: The Keepers 1 by Lian Tanner

Goldie ends up in the "Museum", which is peopled by strange keepers and seems to be a living organism, the repository of all of Jewel's suppressed dangers. O.K., you can have a lot of fun with this as a metaphor, but it gets very clunky very fast as the framing magical fantasy idea of the book. These keepers are never ever developed.

Museum of Thieves (The Keepers) 9780545485746 | eBay
Lian Tanner’s Museum of Thieves is filled with characters who are oddball but meaningful, a dystopia-for-beginners plot that is at once serious and silly, and a pace fast enough to draw in even reluctant readers. The thrilling conclusion teaches that courage and freedom are virtues, too, even if they mean a few scrapes along the way.

Museum of Thieves (The Keepers Book 1) - Kindle edition by ...
Goldie Roth lives in the city of Jewel, where impatience is a sin and boldness is a crime. But Goldie is both bold and impatient. She runs away to the mysterious Museum of Dunt, where she meets a boy named Toadspit and discovers dangerous secrets. A monstrous brizzlehound stalks the museum’s corridors, and only a thief can find the way through its strange, shifting rooms.
