Keep your beloved vehicle from professional thieves. We all have to acknowledge that the thieves today are very skillful and professional trained to break almost any of vehicle you own - having a Car Security System is extremely important to ensure your vehicle is on safe hand.

Delta Fortress

Delta highly recommends the use of vehicle loop detectors to prevent accidental closings and raisings when authorized vehicles move through vehicle access control systems which can suppress the operation of heavy gates and vehicle barricades. Typical digital loop detectors hold a gate open until the last part of a vehicle has passed the closing loop, located beyond the gate.
