One Hundred Years of Solitude *Harper Collins*

One of the 20th century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and

death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master.

Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

by Gabriel Garcia Marquez - A Comprehensive Summary

BookSummaryGr

Summary of 100 Years of Solitude - A Comprehensive Summary One Hundred Years of Solitude begins as a flashback, with Colonel Aureliano Buendía recollecting the years immediately following the founding of Macondo, when a band of gypsies

frequently bring technological marvels to the dreamy, isolated village. José Arcadio Buendía, the insatiably curious founder of the town, is obsessed with these magical implements. Using supplies given to him by Melquíades, the leader of the gypsies, he immerses himself in scientific study, to the frustration of his more practical wife, Úrsula Iguarán. Eventually, with Melquíades's prodding, José Arcadio Buendía begins to explore alchemy, the pseudo-science of making gold out of other metals. He is driven by a desire for progress and by an intense search for knowledge that forces him into solitude. Increasingly, he withdraws from human contact, becoming

unkempt, antisocial, and interested only in his pursuit of knowledge. But José Arcadio Buendía is not always a solitary scientist. On the contrary, he is the leader who oversaw the building of the village of Macondo, an idyllic place dedicated to hard work and order, filled with young people, and as yet, unvisited by death. In his quest for knowledge and progress, José Arcadio Buendía's obsession shifts to a desire to establish contact with civilization. He leads an expedition to the north, since he knows there is only... To be continued... Here is a Preview of What You Will Get: - A Full Book Summary - An Analysis - Fun quizzes - Quiz Answers - Etc. Ascent to Glory

How One Hundred Years of Solitude Was Written and Became a Global Classic *Columbia University Press*

Gabriel García Márquez's novel *One Hundred Years of Solitude* seemed destined for obscurity upon its publication in 1967. The little-known

author, small publisher, magical style, and setting in a remote Caribbean village were hardly the usual ingredients for success in the literary marketplace. Yet today it ranks among the best-selling books of all time. Translated into dozens of languages, it continues to enter the lives of new readers around the world. How did *One Hundred Years of Solitude* achieve this unlikely success? And what does its trajectory tell us about how a work of art becomes a classic? *Ascent to Glory* is a groundbreaking study of *One Hundred Years of Solitude*, from the moment García Márquez first had the idea for the novel to its global consecration. Using new documents from the author's archives, Álvaro

Santana-Acuña shows how García Márquez wrote the novel, going beyond the many legends that surround it. He unveils the literary ideas and networks that made possible the book's creation and initial success. Santana-Acuña then follows this novel's path in more than seventy countries on five continents and explains how thousands of people and organizations have helped it to become a global classic. Shedding new light on the novel's imagination, production, and reception, *Ascent to Glory* is an eye-opening book for cultural sociologists and literary historians as well as for fans of García Márquez and *One Hundred Years of*

The Girl with Ghost Eyes

The Daoshi Chronicles, Book One *Simon and Schuster*

“The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish.” —#1 New York Times bestselling author Patricia Briggs It’s the end of the nineteenth

century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman

may be the key to holding everything together. And Other Writings

Collected here for the first time: a selection of the great writer's journalism, which he considered more important to his legacy than his acclaimed novels. Late in his life, Gabriel García Márquez declared: "I don't want to be remembered for One Hundred Years of Solitude, nor for the Nobel Prize, but rather for the newspaper. I was born a journalist. . . . It's in my blood." Now available for the first time in English, this selection offers a glimpse into the great novelist's career as a reporter. Ranging from the early pieces he wrote while starting out in Colombia to his longer reportage from Paris and Rome and, later on, from Venezuela and Mexico, these fifty journalistic

writings amply display the narrative gifts that made his reputation. The *Scandal of the Century* is a tribute to García Márquez's dedication to the profession he believed to be "the best in the world."

ONE OF THE FOREMOST WORKS OF

TWENTIETH-CENTURY CHINESE LITERATURE

This beautifully portrayed epic family history spans one hundred years, from the 1890s during the later stages of the Qing Dynasty to the 1990s, traversing the experiences of five generations of women. Yu is the central character, whose life story is woven through the lives of her grandmother, mother, sisters, and niece. She loves her parents but at a tender age realizes they do not love her. After committing two unforgivable sins, she is sent away to live in the city but is soon abandoned. Yu's life becomes a quest for love; she is fragile but resilient, lonely but determined. Now, in the 1980s, Yu becomes

caught up in the political storm and comes close to love but falls short. Her last chance at getting what she desires will ultimately come at a tragic cost. A political satirist in the guise of a mystical writer, Xu Xiaobin masterfully creates an atmosphere where distinctions are blurred; memories of the past and present are intertwined; realities and illusions are fused without a clear trace; and events occur in unspecified places but tinted with fairylike imaginations. Xu Xiaobin is a rare talent with a vast knowledge of history, religion, and culture, and occupies a unique place in modern Chinese literature. When Feathered Serpent won China's inaugural Creative

Writing Award for women's literary fiction, it was described as "a breakthrough, a record-setting novel in China's women's literature" and "the best fiction at the end of the century in China."

Beauty Is a Wound

New Directions Publishing

The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully

grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet

astringent to contemporary literature.

“A dazzling debut, establishing Namwali Serpell as a writer on the world stage.” —Salman Rushdie, *The New York Times Book Review* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** Dwight Garner, *The New York Times* • *The New York Times Book Review* • *Time* • *NPR* • *The Atlantic* • *BuzzFeed* • *Tordotcom* • *Kirkus Reviews* • *BookPage* **WINNER OF:** The Arthur C. On the banks of the Zambezi River, a few miles from the majestic Victoria Falls, there is a colonial settlement called The Old Drift. In a smoky room at the hotel across the river, an Old Drifter named Percy M. Clark, foggy with fever, makes a mistake that entangles the fates of an Italian hotelier and an African busboy. This sets off a cycle of unwitting retribution between three Zambian families (black, white, brown) as they collide and converge over the course of the century, into the present and beyond. As the generations pass, their lives—their triumphs, errors, losses and hopes—emerge through a panorama of history, fairytale, romance and science fiction. From a woman

covered with hair and another plagued with endless tears, to forbidden love affairs and fiery political ones, to homegrown technological marvels like Afronauts, microdrones and viral vaccines, this gripping, unforgettable novel is a testament to our yearning to create and cross borders, and a meditation on the slow, grand passage of time. Finalist for the Los Angeles Times Ray Bradbury Prize • Longlisted for the Center for Fiction First Novel Prize “An intimate, brainy, gleaming epic . . . This is a dazzling book, as ambitious as any first novel published this decade.”—Dwight Garner, *The New York Times* “A founding epic in the vein of Virgil’s *Aeneid* . . . though in

its sprawling size, its flavor of picaresque comedy and its fusion of family lore with national politics it more resembles Salman Rushdie’s *Midnight’s Children*.”—*The Wall Street Journal* “A story that intertwines strangers into families, which we’ll follow for a century, magic into everyday moments, and the story of a nation, Zambia.”—NPR

The Enlightenment of the Greengage Tree *Europa Editions*

A grieving family flees Tehran after the Islamic Revolution in this novel of "magical realism with a Persian twist" translated from Farsi (The Guardian, UK). When their home in Tehran is burned to the ground by zealots,

killing their thirteen-year-old daughter Bahar, a once-prominent family flees to a small village. There, they hope to preserve both their intellectual freedom and their lives. But they soon find themselves caught up in the post-revolutionary chaos that sweeps across their ancient land and its people. Bahar's mother, after a tragic loss, will embark on a long, eventful journey in search of meaning in a world swept up in the post-revolutionary madness. The Enlightenment of the Greengage Tree speaks of the power of imagination when confronted with cruelty, and of our human need to make sense of trauma through the ritual of

storytelling itself. Through her unforgettable characters, Iranian novelist Shokoofeh Azar weaves a timely and timeless story that juxtaposes the beauty of an ancient, vibrant culture with the brutality of an oppressive political regime. Where the Bird Sings Best *Restless Books*

The magnum opus from Alejandro Jodorowsky—director of *The Holy Mountain*, star of Jodorowsky's *Dune*, spiritual guru behind *Psychomagic*

and *The Way of Tarot*, innovator behind classic comics *The Incal* and *Metabarons*, and legend of Latin American literature. There has never been an artist like the polymathic Chilean director, author, and mystic Alejandro Jodorowsky. For eight decades, he has blazed new trails across a dazzling variety of creative fields. While his psychedelic, visionary films have been celebrated by the likes of John Lennon, Marina Abramovic, and Kanye West, his novels—praised throughout Latin America in the same breath as those of Gabriel García Márquez—have remained largely unknown in the English-speaking world. Until now. Where the *Bird Sings Best* tells the fantastic story of the Jodorowskys' emigration from Ukraine to Chile amidst the political and cultural upheavals of the 19th and 20th centuries. Like *One Hundred Years of Solitude*, Jodorowsky's book transforms family history into heroic legend: incestuous beekeepers hide their crime with a living cloak of bees, a czar fakes his own death to live as a hermit amongst the animals, a devout grandfather confides only in the ghost of a wise rabbi, a transgender ballerina with a voracious sexual appetite holds a would-be saint in thrall. Kaleidoscopic, exhilarating, and erotic, *Where the Bird Sings Best* expands the classic immigration

story to mythic proportions. Praise "This epic family saga, reminiscent of Gabriel García Márquez's *One Hundred Years of Solitude* in structure and breadth, reads at a breakneck pace. Though ostensibly a novelization of the author's own family history, it is a raucous carnival of the surreal, mystical, and grotesque."

—Publishers Weekly "A man whose life has been defined by cosmic ambitions."

—The New York Times Magazine "A great eccentric original....A legendary man of many trades." —Roger Ebert For more information on Alejandro Jodorowsky, please visit www.restlessbooks.com/alejandro-jodorowsky

It is the story of four generations of a singular family, living in a house that is many houses on the magical border of an otherworld. It is a story of fantastic love and heartrending loss; of impossible things and unshakable destinies; and of the great Tale that envelops us all. It is a wonder.

 In 1990, fearing extradition to the United States, Pablo Escobar – head of the Medellín drug cartel – kidnapped ten notable Colombians to use as bargaining chips. With the eye of a poet, García Márquez describes the survivors' perilous ordeal and the bizarre drama of the negotiations for their release. He also depicts the keening ache of Colombia after nearly forty years of rebel uprisings, right-wing death squads, currency collapse and narco-democracy. With cinematic intensity, breathtaking language and journalistic rigor, García Márquez evokes the sickness that inflicts his beloved country and how it penetrates every strata

of society, from the lowliest peasant to the President himself.

A Room of One's Own Renard Press Ltd

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of

feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

* National Bestseller and winner of the 2014 International IMPAC Dublin Literary Award * Hailed by Edmund White as "a brilliant new novel" on the cover of the New York Times Book Review * Lauded by Jonathan Franzen, E. L. Doctorow and many others From a global literary star comes a prize-winning tour de force - an intimate portrayal of the drug wars in Colombia. Juan Gabriel Vásquez has been hailed not only as one of South America's greatest literary stars, but also as one of the most acclaimed writers of his generation. In this gorgeously wrought, award-winning novel, Vásquez confronts the history of his home country,

Colombia. In the city of Bogotá, Antonio Yammara reads an article about a hippo that had escaped from a derelict zoo once owned by legendary Colombian drug kingpin Pablo Escobar. The article transports Antonio back to when the war between Escobar's Medellín cartel and government forces played out violently in Colombia's streets and in the skies above. Back then, Antonio witnessed a friend's murder, an event that haunts him still. As he investigates, he discovers the many ways in which his own life and his friend's family have been shaped by his country's recent violent past. His journey leads him all the way back to the 1960s and a world on

the brink of change: a time before narco-trafficking trapped a whole generation in a living nightmare. Vázquez is "one of the most original new voices of Latin American literature," according to Nobel Prize winner Mario Vargas Llosa, and *The Sound of Things Falling* is his most personal, most contemporary novel to date, a masterpiece that takes his writing—and will take his literary star—even higher.

My Name Is Red *Faber & Faber*

The Sultan secretly commissions a great book: a celebration of his life and the Ottoman Empire, to be illuminated by the best artists of the day - in the European manner. In Istanbul at a time of

violent fundamentalism, however, this is a dangerous proposition. Even the illustrious circle of artists are not allowed to know for whom they are working. But when one of the miniaturists is murdered, their Master has to seek outside help. Did the dead painter fall victim to professional rivalry, romantic jealousy or religious terror? With the Sultan demanding an answer within three

days, perhaps the clue lies somewhere in the half-finished pictures . . . From Turkey's winner of the Nobel Prize and author of *Istanbul and The Museum of Innocence*, this novel is a thrilling murder mystery set amid the splendour of Istanbul and the Ottoman Empire. Part fantasy and part philosophical puzzle, *My Name is Red* is also a stunning meditation on love, artistic devotion and the tensions between East and West.
