My book, Christian Slavery: Conversion and Race in the Protestant Atlantic World, shows that religion

was fundamental to the development of both slavery and race in the Protestant Atlantic world. Slave owners in the Caribbean and elsewhere established governments and legal codes based on an ideology of “Protestant Supremacy,” which excluded the majority of enslaved men and women from Christian communities.

Katharine Gerbner - historian of religion

Historians of early American religion and slavery have been writing about these issues for a long time, but in Christian Slavery: Conversion and Race in the Protestant Atlantic World, Gerbner does so with a different approach. She addresses developments in the Caribbean and North America in “Protestant” empires, drawing on comparative context with “Catholic” colonies in the Americas as well as offering some European background and context—and in one case (with the Danish Tranquebar ...
