Ariana

The Biography *Michael O'Mara Books*

Ariana Grande captured the hearts of a nation with her One Love Manchester concert. Less than a fortnight after a terrorist killed twenty-two people at her Manchester show, the petite princess stood tall at her tribute concert that united and healed a shaken nation. She was the emotional core of a powerful evening that reminded us all of music's redemptive power. But who is Ariana Grande? This candid book traces the US pop star's story from her childhood in Florida, through her teenage years on Broadway and Nickelodeon, and onto her gleaming pop career which has seen her described as 'the new Mariah Carey'. This unauthorized biography of the songbird tells her eventful and inspirational story in full for the first time, and shows how she became an award-winning, chart-topping pop idol, as well as an empowering inspiration for a generation of girls. It reveals that there is more to Ariana than the celebrity we all think we know, explaining how her smooth transition from a squeaky-clean teenage pop product to a sophisticated, bold artist was powered by a restless and resilient personality. A must read for all her fans, this is a full, unflinching portrait of a pop sensation and inspiring, uncompromising woman - the small, sassy girl with the ponytail who conquered the world.

Too Much and Never Enough

How My Family Created the World's Most Dangerous Man *Simon & Schuster*

In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

Never Enough

A Fake Relationship Romance *Clever Capybara Press*

It’s a simple enough transaction. Marisol needs the money, and I need a nice girl to parade in front of the cameras. No feelings. No strings. No falling for anyone. I’ve been clean for months, but my record company’s not satisfied. Apparently it isn’t enough to only kick a heroin addiction - they’re insisting that I find a girlfriend as well. If I don’t, they pull Dirtshine’s massive record deal. It’s supposed to show that I’ve changed my ways, that I’ve turned over a new leaf, all that rubbish. But I’ve had it with suit-wearing wankers telling me what I’m to do, so I’m on the verge of telling them to go f*ck themselves. And then she shows up. Marisol locks me out of my own concert by accident. She’s wearing a suit at a rock show, searching for her lost law school textbook, has no idea who I am... ...and for the first time in years, I’m hooked. She’s smart, driven, and utterly gorgeous. The sort of girl who earnestly believes in following the rules and hates when others don’t. I’m a huge rock star, recovering addict, and general f*ckup. Our relationship is for show, and that’s all. But with every smile, every laugh, and every breathtaking glance at her curves, I want her more. Two months is all we agreed to. But it’s never going to be enough.

The Lost Songs *Delacorte Press*

The day Lutie Painter takes the city bus north instead of the school bus west, cutting class for the first time ever, her aunt and uncle have no idea what she is up to. They cannot prevent her from riding into danger. That same morning, Lutie's pastor, Miss Veola, whispers as always, "This is the day that the Lord hath made. Let us rejoice and be glad in it." A block from Miss Veola and up a hill in Chalk, Train Greene, thin and hungry, burns with anger. He has a decision to make, and he's running out of time. A few miles away, among finer houses, Kelvin Hartley yawns and gets ready for another day at school, where he is a friend to all and makes an effort at nothing. And Doria Bell, who recently moved to the South from Connecticut, walks to the bus stop, hoping the high school kids who live nearby will say hello. All of these lives intertwine and—in surprising ways—become connected to Lutie's ancestors, who are buried in the cemetery in Chalk. Who would have dreamed that the long-dead Mabel Painter, who passed down the Laundry List songs to her great-great-granddaughter Lutie, had passed along a piece of American history that speaks to so many who feel lost and need hope. Big changes are in store for all, and things will never be the same. In this luminous novel, Caroline B. Cooney delves deeply into a Southern community. Cooney reveals the comfort, inspiration, and hope its members draw from the power of faith, the glory of music, and the meaning of family.

The Struggle Behind the Soundtrack

Inside the Discordant New World of Film Scoring *McFarland*

Do you want to pick up a light saber whenever you hear John Williams’ Star Wars theme? Get the urge to ride into the desert and face down steely-eyed desperados to the refrain of Ennio Morricone’s The Good, the Bad and the Ugly? Does Hans Zimmer’s Pirates of the Caribbean score have you talking like Jack Sparrow? From the Westerns of the 1960s to current blockbusters, composers for both film and television have faced new challenges—evermore elaborate sound design, temp tracks, test audiences and working with companies that invest in film score recordings all have led to creative sparks, as well as frustrations. Drawing on interviews with more than 40 notable composers, this book gives an in-depth analysis of the industry and reveals the creative process behind such artists as Klaus Badelt, Mychael Danna, Abel Korzeniowski, Walter Murch, Rachel Portman, Alan Silvestri, Randy Thom and others.

Almost Never *Britni Hill*

Five years have passed since Cora Daniels left home. She’s back and supposed to be starting over. She left seeking freedom, the chance to find herself. The person she found wasn't who she expected. One poisonous relationship, two tragic events, and what seems like a lifetime of guilt leave her jaded and unsure of how to start a new life. She’s alone. Left behind to deal with the consequences of her actions. Until she meets Brady Maxwell. He’s warm, caring, and incredibly attractive. When a friendship blooms, Cora fears what will happen when the spark between them undoubtedly catches fire.

Thinking Life with Luce Irigaray

Language, Origin, Art, Love *SUNY Press*

A broad exploration of Irigaray’s philosophy of life and living. Featuring a highly accessible essay from Irigaray herself, this volume explores her philosophy of life and living. Life-thinking, an important contemporary trend in philosophy and in women’s and gender studies, stands in contrast to philosophy’s traditional grounding in death, exemplified in the work of philosophers such as Socrates, Plato, and Schopenhauer. The contributors to Thinking Life with Luce Irigaray consider Irigaray’s criticisms of the traditional Western philosophy of death, including its either-or dualisms and binary logic, as well as some of Irigaray’s “solutions” for cultivating life. The book is comprehensive in its analyses of Irigaray’s relationship to classical and contemporary philosophers, writers, and artists, and produces extremely fruitful intersections between Irigaray and figures as diverse as Homer and Plato; Alexis Wright, the First-Nations novelist of Australia; and twentieth-century French philosophers like Sartre, Badiou, Deleuze, and Guattari. It also develops Irigaray’s relationship to the arts, with essays on theater, poetry, architecture, sculpture, and film. “This is a very timely text; it places Irigaray scholarship in conversation with the lively field of feminist philosophies of life, and this is a really wonderful, fruitful match. The collection itself contains many marvelous pieces. Luce Irigaray’s essay is strong and pithy—she reiterates a number of her important ideas, in accessible language, and places them in the context of pertinent questions in feminism.” — Sabrina L. Hom, coeditor of Thinking with Irigaray

Piano Tide

A Novel *Catapult*

Do we belong to the Earth or does the Earth belong to us? The question raised by Chief Seathl almost two centuries ago continues to be the defining quandary of the wet, wild rainforests along the shores of the Pacific Northwest. It seethes below the tides of the fictional town of Good River Harbor, a little village pressed against the mountains—homeland to bears, whales, and a few weather-worn families. In Piano Tide, the debut novel by award-winning naturalist, philosopher, activist and author Kathleen Dean Moore, we are introduced to town father Axel Hagerman, who has made a killing in this remote Alaskan harbor by selling off the spruce, the cedar, the herring and halibut. But when he decides to export the water from a salmon stream, he runs head-long into young Nora Montgomery, just arrived on the ferry with her piano and her dog. Nora has burned her bridges in the lower 48, and she aims to disappear into this new homeland, with her piano as her anchor. But when Axel's next business proposition, a bear pit, turns lethal, Nora has to act. The clash, when it comes, is a spectacular and transformative act of resistance.

Deaf Side Story

Deaf Sharks, Hearing Jets, and a Classic American Musical *Gallaudet University Press*

The 1957 classic American musical West Side Story has been staged by countless community and school theater groups, but none more ambitious than the 2000 production by MacMurray College, a small school in Jacksonville, Illinois. Diane Brewer, the new drama head at the college, determined to add an extra element to the usual demands of putting on a show by having deaf students perform half of the parts. Deaf Side Story presents a fascinating narrative of Brewer and the cast's efforts to mount this challenging play. Brewer turned to the Illinois School for the Deaf (ISD) to cast the Sharks, the Puerto Rican gang at odds with the Anglo Jets in this musical version of Romeo and Juliet set in the slums of New York. Hearing performers auditioned to be the Jets, and once Brewer had cast her hearing Tony and deaf Maria, then came the challenge of teaching them all to sing/sign and dance the riveting show numbers for which the musical is renowned. She also had to manage a series of sensitive issues, from ensuring the seamless incorporation of American Sign Language into the play to reassuring ISD administrators and students that the production would not be symbolic of any conflict between Deaf and hearing people. Author Mark Rigney portrays superbly the progress of the production, including the frustrations and triumphs of the leads, the labyrinthine campus and community politics, and the inevitable clashes between the deaf high school cast members and their hearing college counterparts. His representations of the many individuals involved are real and distinguished. The ultimate success of the MacMurray production reverberates in Deaf Side Story as a keen depiction of how several distinct individuals from as many cultures could cooperate to perform a classic American art form brilliantly together.

Sam Phillips: The Man Who Invented Rock 'n' Roll *Little, Brown*

From the author of the critically acclaimed Elvis Presley biography: Last Train to Memphis brings us the life of Sam Phillips, the visionary genius who singlehandedly steered the revolutionary path of Sun Records. The music that he shaped in his tiny Memphis studio with artists as diverse as Elvis Presley, Ike Turner, Howlin' Wolf, Jerry Lee Lewis, and Johnny Cash, introduced a sound that had never been heard before. He brought forth a singular mix of black and white voices passionately proclaiming the vitality of the American vernacular tradition while at the same time declaring, once and for all, a new, integrated musical day. With extensive interviews and firsthand personal observations extending over a 25-year period with Phillips, along with wide-ranging interviews with nearly all the legendary Sun Records artists, Guralnick gives us an ardent, unrestrained portrait of an American original as compelling in his own right as Mark Twain, Walt Whitman, or Thomas Edison.

The Rough Guide to Classical Music *Penguin*

This expanded and completely revised fifth edition is a unique ebook, spanning a thousand years of music from Gregorian chant via Bach and Beethoven to current leading lights such as Thomas Adès and Kaija Saariaho. There are concise biographical profiles of more than 200 composers and informative summaries of the major compositions in all genres, from chamber works to operatic epics. Topics such as the influence of jazz, notation, conducting, the madrigal, and why Stradivarius made such great violins are covered fully in feature boxes. The Rough Guide to Classical Music in a new ebook (PDF) fromat has been praised for its mix of well-known composers with more obscure, but interesting, figures (like Antoine Brumel and Barbara Strozzi), and for the way it takes contemporary music seriously.

Guidelines for College Teaching of Music Theory *Scarecrow Press*

John D. White's comprehensive approach to music education is updated here in the second edition of Guidelines for College Teaching of Music Theory. The text demonstrates presentation styles for developing aural, keyboard, and writing skills as well as examining the theoretical and pedagogical conventions of musical education. Twenty years after the publication of the first edition, this revised second edition responds to the new trends in pedagogical study, highlights the transcendence of the canon by international music styles and popular music, and takes a fresh look at the current state of American academia. Features an additional chapter by William E. Lake on the benefits of technology in the classroom.

Heroines Behind the Lines Series (Set of 4 books) *Moody Publishers*

This set includes all four books of the Heroines Behind the Lines Series: Wedded to War, Widow of Gettysburg, Yankee in Atlanta, and Spy of Richmond. The Heroines Behind the Lines Series highlights the crucial contributions made by women during the Civil War. In Wedded to War, Charlotte chooses a life of service over privilege, just as her childhood friend had done when he became a military doctor. She soon discovers that she's combatting more than just the rebellion by becoming a nurse. Will the two men who love her simply stand by and watch as she fights her own battles? Or will their desire for her wage war on her desire to serve God? In Widow of Gettysburg, the farm of Union widow Liberty Holloway is disfigured into a Confederate field hospital, bringing her face to face with unspeakable suffering—and a Confederate scout who awakens her long dormant heart. Will Liberty be defined by the tragedy in her life, or will she find a way to triumph over it? In Yankee in Atlanta, soldier Caitlin McKae wakes up in Atlanta after being wounded in battle. The Georgian doctor who treated her believed Caitlin's only secret was that she had been fighting for the Confederacy disguised as a man. To avoid arrest or worse, Caitlin hides her true identity and makes a new life for herself in Atlanta. When Sherman's troops edge closer to Atlanta, Caitlin tries to escape north, but is arrested on charges of being a spy. Will honor dictate that Caitlin follow the rules, or love demand that she break them? In Spy of Richmond, Union loyalist Sophie Kent attempts to end the war from within the Confederate capital, but she can't do it alone. As Sophie's spy network grows, she walks a tightrope of deception, using her father's position as newspaper editor and a suitor's position in the ordnance bureau. When her espionage endangers the people she loves, she's forced to make a life-and-death gamble.

Player Piano

A Novel *Dial Press*
“A funny, savage appraisal of a totally automated American society of the future.”—San Francisco Chronicle Kurt Vonnegut’s first novel spins the chilling tale of engineer Paul Proteus, who must find a way to live in a world dominated by a supercomputer and run completely by machines. Paul’s rebellion is vintage Vonnegut—wildly funny, deadly serious, and terrifyingly close to reality. Praise for Player Piano “An exuberant, crackling style . . . Vonnegut is a black humorist, fantasist and satirist, a man disposed to deep and comic reflection on the human dilemma.”—Life “His black logic . . . gives us something to laugh about and much to fear.”—The New York Times Book Review

Nineteenth-century Piano Music

Essays in Performance and Analysis *Psychology Press*
Nineteenth-Century Piano Music clarifies some theoretical concepts, debunks some longstanding myths, and above all, stimulates the reader's intellectual curiosity about the piano repertoire of the 19th century. While our emotions tell us that this repertoire is thrilling to hear and exciting to play, our intellect demands explanations, some of which are provided in the essays in this collection.
