Confessions of a Street Addict *Simon and Schuster*

A tour of Wall Street in the tradition of Liar's Poker also traces the life and career of the author, the co-founder of TheStreet.com and Smart Money magazine, from his Philadelphia childhood through his exploits as a financial journalist. Reprint. 60,000 first printing.

Confessions of a Street Addict *Simon and Schuster*

Bestselling author Jim

Cramer takes readers on a wild Wall Street ride—revealing how to play the game, who breaks the rules, and who gets hurt. Everyone on Wall Street knows Jim Cramer, and Cramer knows Wall Street better than anyone. In the most candid and outrageous look at Wall Street since Liar's Poker, Cramer, co-founder of TheStreet.com, radio and television commentator, and for years a premier money manager, takes readers on the wild ride that is Wall Street -- revealing how the game is played, who breaks the rules, and who gets hurt. Confessions of a Street Addict takes us from Cramer's roots in the middle-class Philadelphia suburbs to

Harvard, where he began managing money, and then to Goldman Sachs, where he went into business with his wife -- Karen, the "Trading Goddess" -- as his partner. He brilliantly describes the life of a money manager: the frenetic pace, the constant pressure to outperform the market and other fund managers, and the sharklike attacks fund managers make as they circle a fund perceived to be in trouble. Throughout the book Cramer is characteristically outspoken, offering his hard-won insights about the market and everyone in it, himself included. There has never been a more eloquent market insider than Cramer, nor a more high-octane book about Wall Street.

Confessions of a Street Addict *Simon & Schuster*

In the most candid look at Wall Street since Liar's Poker, James J. Cramer, cofounder of TheStreet.com, radio and television commentator, and for years one of Wall Street's premier money managers, takes readers on a no-holds-barred tour of life on Wall Street revealing how the game is played, who breaks the rules, and who gets hurt. Everyone on Wall Street knows Jim Cramer, and Cramer knows Wall Street better than anyone. For fifteen years he ran Cramer, Berkowitz, one of the Street's most successful hedge funds with a compounded annual return of 24% after all fees. In *Confessions of a Street*

Addict he takes us from his fascination with the stock market as a middle-class kid in the Philadelphia suburbs to Harvard, where he began managing money. After an apprenticeship at Goldman, Sachs, Cramer set out on his own with his wife, Karen, the "Trading Goddess," as his partner. Cramer brilliantly describes the life of a money manager -- the frenetic pace, the constant pressure to outperform the market and other fund managers, and the shark-like attacks fund managers make as they circle a fund perceived to be in trouble. At the same time that he was managing money, Cramer was one of the best-known commentators on the financial markets. A former president of the Harvard Crimson, Cramer had been a newspaper reporter before he began managing money. While he was a fund manager, he wrote for SmartMoney and other publications, making him one of the first money managers to offer insight and analysis from inside the world of finance. With the rise of the Internet and online publishing, he co-founded TheStreet.com, the online financial Web site. In one of the most fascinating chapters in this book, Cramer takes us inside the IPO of TheStreet.com, where he found himself a knowledgeable but helpless onlooker as his own Web site came on the market at an

unrealistically high price that it never reached again, a harbinger of the dot-com disasters that would soon haunt the stock market. Throughout the book Cramer is characteristically outspoken, outrageous, and candid about everyone, himself included. There has never been a high-wired, high-octane book about Wall Street like this one.

Jim Cramer's Real Money

Sane Investing in an Insane World *Simon and Schuster*

Presents guidelines on how to invest successfully by becoming a "prudent speculator," explaining the role of psychology in risk taking while

covering such topics as spotting an undervalued stock and knowing when to sell.

A Pound of Paper

Confessions of a Book Addict
Macmillan

The memoirs of a book collector are comprised of the author's whimsical recollections of his encounters with literary figures and trace his transformation from an Australian bush child to a Parisian penthouse occupant with a personal library worth millions. Reprint. 10,000 first printing.

Jim Cramer's Getting Back to Even *Simon and Schuster*

Jim Cramer, host of CNBC's *Mad Money* and bestselling author and financial guru, offers

specific advice about how to overcome your fear of the markets and put your investments back on track to recover from the financial debacle of 2008-2009. You don't even look at your 401(k) statements any longer. When mail comes from your broker or your mutual fund, you throw it in a drawer unopened. You know how bad things are and you're just waiting for them to improve before you start thinking about your money again. But how long will that take? How many opportunities will you miss while you hide your head in the sand? Shouldn't you be doing something? Jim Cramer says that there are positive steps you can take to start the financial healing

process. You can start to get back to even, then go from there. Cramer explains how to make the best of the bad situation you're in, and how not to succumb to fear and panic. He tell you what steps to take depending on your age and your financial goals. Getting Back to Even will include advice on refinancing a mortgage, recovering from job loss or downsizing, and making a new financial plan. It will include twenty new rules for investing that fit the current economic climate. Jim Cramer believes that the stock market is still the best long-term investment anyone can make. He'll offer guidance on which stocks to select, or how to find a reliable and successful

mutual-fund manager, and how to spot the economic recovery when it happens. Whether you're 25 and investing to build wealth or 65 and hoping to restore your retirement savings, you'll need the advice Jim Cramer offers in *Getting Back to Even*.

Jim Cramer's Stay Mad for Life

Get Rich, Stay Rich (Make Your Kids Even Richer) *Simon and Schuster*

Confessions of a Jane Austen Addict *Penguin*

NATIONAL BESTSELLER
After nursing a broken engagement with Jane Austen novels and Absolut, Courtney Stone wakes up and finds herself not in her Los Angeles bedroom

or even in her own body, but inside the bedchamber of a woman in Regency England. Who but an Austen addict like herself could concoct such a fantasy? Not only is Courtney stuck in another woman's life, she is forced to pretend she actually is that woman; and despite knowing nothing about her, she manages to fool even the most astute observer. But not even her level of Austen mania has prepared Courtney for the chamber pots and filthy coaching inns of nineteenth-century England, let alone the realities of being a single woman who must fend off suffocating chaperones, condomless seducers, and marriages of

convenience. This looking-glass Austen world is not without its charms, however. There are journeys to Bath and London, balls in the Assembly Rooms, and the enigmatic Mr. Edgeworth, who may not be a familiar species of philanderer after all. But when Courtney's borrowed brain serves up memories that are not her own, the ultimate identity crisis ensues. Will she ever get her real life back, and does she even want to?

Jim Cramer's Get Rich Carefully *Penguin*

Mad Money host Jim Cramer shows you how to invest your savings and turn them into real, lasting wealth. Tired of phony promises about getting

rich quickly? How about trying something different? How about going for lasting wealth—and doing it the cautious way? In *Get Rich Carefully*, Jim Cramer draws on his unparalleled knowledge of the stock market to help you navigate our recovering economy and make big money without taking big risks. In plain English, Cramer lays it on the line. No-waffling, no on-the-one-hand-or-the-other hedging, just the straight stuff. He names names, highlights individual and sector plays, identifies the long-term investing themes—and explains how to develop the discipline you need to exploit them. An invaluable personal finance book, *Get Rich Carefully* is

your guide to turning your savings into real, lasting wealth in a practical, highly readable, and entertaining way.

You Got Screwed!

Why Wall Street Tanked and How You Can Prosper *Simon and Schuster*

You've been screwed. You've been bludgeoned, skewered, crushed, mutilated by the stock market. Every day you read about another corporate scandal: loans to CEOs that didn't have to be repaid, accounting "irregularities," profits that never existed. You think the stock market must have been rigged. And you're right. You were betrayed by the stock promotion machine --

the mutual fund managers, the brokers, analysts, strategists, and stock gurus who brainwashed you into buying and holding and believing that stocks, like parents, always come through and bail you out in the end. So now what do you do? Where do you put your money? You can't just leave it in the bank or stuff it under the mattress. For fourteen years Jim Cramer ran a hedge fund that compounded money at a rate of 24 percent annually after fees, and then he got out at the end of 2000. He knows that there are ways to make money, smart ways that don't require you to own stocks blindly. There are other investments that won't send you to the poorhouse. This book will tell you what

went wrong, who the bad guys were, and what you have to do to restore your financial health. You can't just close your eyes. Ignoring Wall Street isn't the answer. Cash alone isn't the answer. This book has the answers.

**Out of This Century:
The Informal
Memoirs of Peggy
Guggenheim**

Ravenio Books

I have no memory. I always say to my friends, "Don't tell me anything you don't want repeated. I just can't remember not to." Invariably I forget and I repeat everything. In 1923 I began to write my memoirs. They began like this: "I come from two of the best Jewish families. One of my

grandfathers was born in a stable like Jesus Christ or, rather, over a stable in Bavaria, and my other grandfather was a peddler." I don't seem to have gotten very far with this book. Maybe I had nothing to say, or possibly I was too young for the task which I had set myself. Now I feel I am ripe for it. By waiting too long I may forget everything I have somehow managed to remember. If my grandfathers started life modestly they ended it sumptuously. My stable-born grandfather, Mr. Seligman, came to America in steerage, with forty dollars in his pocket and contracted smallpox on board ship. He began his fortune by being a roof shingler and later by making uniforms for

the Union Army in the Civil War. Later he became a renowned banker and president of Temple Emanuel. Socially he got way beyond my other grandfather, Mr. Guggenheim the peddler, who was born in St. Gallen in German Switzerland. Mr. Guggenheim far surpassed Mr. Seligman in amassing an enormous fortune and buying up most of the copper mines of the world, but he never succeeded in attaining Mr. Seligman's social distinction. In fact, when my mother married Benjamin Guggenheim the Seligmans considered it a *mésalliance*. To explain that she was marrying into the well known smelting family, they sent a cable to their kin in Europe

saying, "Florette engaged Guggenheim smelter." This became a great family joke, as the cable misread "Guggenheim smelt her." By the time I was born the Seligmans and the Guggenheims were extremely rich. At least the Guggenheims were and the Seligmans hadn't done so badly. My grandfather, James Seligman, was a very modest man who refused to spend money on himself and underfed his trained nurse. He lived sparsely and gave everything to his children and grandchildren. He remembered all our birthdays and, although he did not die until ninety-three, he never failed to make out a check on these occasions. The checks

were innumerable, as he had eleven children and fifteen grandchildren. Most of his children were peculiar, if not mad. That was because of the bad inheritance they received from my grandmother. My grandfather finally had to leave her. She must have been objectionable. My mother told me that she could never invite young men to her home without a scene from her mother. My grandmother went around to shopkeepers and, as she leaned over the counter, asked them confidentially, "When do you think my husband last slept with me?" My mother's brothers and sisters were very eccentric. One of my favorite aunts was an incurable

soprano. If you happened to meet her on the corner of Fifth Avenue while waiting for a bus, she would open her mouth wide and sing scales trying to make you do as much. She wore her hat hanging off the back of her head or tilted over one ear. A rose was always stuck in her hair. Long hatpins emerged dangerously, not from her hat, but from her hair. Her trailing dresses swept up the dust of the streets. She invariably wore a feather boa. She was an excellent cook and made beautiful tomato jelly. Whenever she wasn't at the piano, she could be found in the kitchen or reading the ticker-tape. She was an inveterate gambler. She had a strange complex about

germs and was forever wiping her furniture with lysol. But she had such extraordinary charm that I really loved her. I cannot say her husband felt as much. After he had fought with her for over thirty years, he tried to kill her and one of her sons by hitting them with a golf club. Not succeeding, he rushed to the reservoir where he drowned himself with heavy weights tied to his feet.

Confessions of a Movie Addict *Hats Office Books*

This book chronicles the author's love affair with film from the 1930s through the beginning of the new millennium. In addition to revealing personal movie-related experiences, film critic Betty Jo Tucker

describes encounters with veteran actors.

Mad Money *Simon and Schuster*

Hotel Heaven

Confessions of a Luxury Hotel Addict *Old Street Pub*

Witty and eye-opening account of a decade spent in the world's most luxurious hotels.

Love Addict: Confessions of a Serial Dater *IDW Publishing*

LONELY? THERE'S AN APP FOR THAT. Reeling after a breakup, young animator "K" is pushed by a friend to join the popular dating site Lovebug. His journey begins as a search for true love, but soon awakens a relentless craving for novelty and sexual conquest. With

the touch of a button, K embarks on a dating spree, browsing a digital marketplace of the flesh. Who can stop when Lovebug offers an endless stream of prospective mates, sorted by algorithms and stored on a distant server, ready on demand like TV episodes or Chinese takeout? And in the face of this addiction, can K hold on to his friends, his job, or even his humanity? The acclaimed author of *In the Flesh* and *The Abaddon* presents an evocative tale of modern love... in a world where even full bars can lead to a bad connection.

Backstage Wall Street: An Insider's Guide to Knowing Who to Trust, Who to Run From, and

How to Maximize Your Investments
McGraw Hill Professional

Chances are you haven't been making the best investing decisions. Why? BECAUSE THAT'S HOW WALL STREET WANTS IT Wall Street is very good at one thing: convincing you to act against your own interests. And there's no one out there better equipped with the knowledge and moxie to explain how it all works than Josh Brown. A man *The New York Times* referred to as "the Merchant of Snark" and *Barron's* called "pot-stirring and provocative," Brown worked for 10 years in the industry, a time during which he learned some hard truths about how clients are routinely

treated—and how their money is sent on a one-way trip to Wall Street's coffers. *Backstage Wall Street* reveals the inner workings of the world's biggest money machine and explains how a relatively small confederation of brilliant, sometimes ill-intentioned people fuel it, operate it, and repair it when necessary—none of which is for the good of the average investor. Offering a look that only a long-term insider could provide (and that only a “reformed” insider would want to provide), Brown describes: *THE PEOPLE*—Why retail brokers always profit—even if you don't *THE PRODUCTS*—How funds, ETFs, and other products are invented

as failsafe profit generators—for the inventors alone *THE PITCH*—The marketing schemes designed for one thing and one thing only: to separate you from your money It's that bad . . . but there's a light at the end of the tunnel. Brown gives you the knowledge you need to make the right decisions at the right time. *Backstage Wall Street* is about seeing reality for what it is and adjusting your actions accordingly. It's about learning who and what to steer clear of at all times. And it's about setting the stage for a bright financial future—your own way.

Confessions of a Beauty Addict *Harper Collins*

From Nadine Haobsh, aka Jolie in NYC ("The

poster child for the blogger generation...you can't help but love her."—New York Post), comes a delectable novel that only a true beauty industry insider could have written! Bella Hunter may be down but she's not out yet—and she's ready to take on the world of beauty...one bad makeover at a time. Pity the poor twenty-eight-year-old beauty expert and columnist for ultra-chic *Enchanté* magazine, knocked right out of her Jimmy Choos—and out of a job—when her off-the-cuff comment to a reporter is blown way out of proportion. Once the authority on style, Bella's reduced to taking a position at *Womanly World*, a publishing dinosaur of no interest whatsoever

to any woman under fifty. Suddenly she's got to take orders from a dreary and dowdy beauty director—and is soon at war with her male publisher, who might actually be appealing if he wasn't so totally frosty. Bella's supermodel boyfriend, a hometown wedding, and a Paris junket are fine distractions, to be sure. But how can she face her friends and ex-coworkers now that she's stuck in an office where khaki—not Cavalli—is the way of life? And if beauty's not what it's all about...then what is?

Confessions of an English Opium-Eater
Gottfried & Fritz

A book about opium usage and the effects of addiction on the authors life.

Skylight Confessions

A Novel *Little, Brown*

Writing at the height of her powers, Alice Hoffman conjures three generations of a family haunted by love. Cool, practical, and deliberate, John is dreamy Arlyn's polar opposite. Yet the two are drawn powerfully together even when it is clear they are bound to bring each other grief. Their difficult marriage leads them and their children to a house made of glass in the

Connecticut countryside, to the avenues of Manhattan, and to the blue waters of Long Island Sound. Glass breaks, love hurts, and families make their own rules. Ultimately, it falls to their grandson, Will, to solve the emotional puzzle of

his family and of his own identity.

Unfriending My Ex

Confessions of a Social Media Addict *Simon and Schuster*

The author presents a humorous look at her obsession with the Internet and her cellular phone, arguing that her dependence is a sign of how social media has made it difficult for her and her peers to have meaningful connections to others.

The Big Turnoff

Confessions of a TV-addicted Mom Trying to Raise a TV-free Kid *Algonquin Books*

A whimsical and wise parenting memoir describes how one television-addicted

mother, vowing to become a better parent than her own, launched a campaign to kick the TV habit and remove the "boob tube" from her son's everyday life.

Confessions of a Gay Priest

A Memoir of Sex, Love, Abuse, and Scandal in the Catholic Seminary

"A sexual abuse survivor unapologetically confesses the intimate workings of the Catholic seminary, celibacy and priesthood during an era of sexual scandal and exposes how priests are "formed" to perpetuate a cycle of abuse where truth is relative, chastity is a myth, and powerful men will stop at

nothing to silence those who speak the truth"--

Memoirs of an Addicted Brain

A Neuroscientist Examines his Former Life on Drugs

Doubleday Canada

A gripping, ultimately triumphant memoir that's also the most comprehensive and comprehensible study of the neuroscience of addiction written for the general public.

FROM THE INTRODUCTION: "We are prone to a cycle of craving what we don't have, finding it, using it up or losing it, and then craving it all the more. This cycle is at the root of all addictions, addictions to drugs, sex, love, cigarettes, soap operas, wealth, and

wisdom itself. But why should this be so? Why are we desperate for what we don't have, or can't have, often at great cost to what we do have, thereby risking our peace and contentment, our safety, and even our lives?" The answer, says Dr. Marc Lewis, lies in the structure and function of the human brain. Marc Lewis is a distinguished neuroscientist. And, for many years, he was a drug addict himself, dependent on a series of dangerous substances, from LSD to heroin. His narrative moves back and forth between the often dark, compellingly recounted story of his relationship with drugs and a revelatory analysis of what was going on in his brain. He shows how drugs

speak to the brain - which is designed to seek rewards and soothe pain - in its own language. He shows in detail the neural mechanics of a variety of powerful drugs and of the onset of addiction, itself a distortion of normal perception. Dr. Lewis freed himself from addiction and ended up studying it. At the age of 30 he traded in his pharmaceutical supplies for the life of a graduate student, eventually becoming a professor of developmental psychology, and then of neuroscience - his field for the last 12 years. This is the story of his journey, seen from the inside out.

For the Love of Money

A Memoir of Family, Addiction, and a Wall Street Trader's Journey to Redefine Success *Simon and Schuster*

"A former hedge-fund trader presents a memoir about coming of age on Wall Street, his obsessive pursuit of money, his disillusionment and the radical new way he has come to define success, "--NoveList.

Out of This Century

Confessions of an Art Addict

This is the fascinating autobiography of a society heiress who became the bohemian doyenne of the art world. Written in her own words it is the frank and outspoken story of her life and loves: her stormy relationships with such

men as Max Ernst and Jackson Pollock, and her discovery of new artists. Known as 'the mistress of modern art', Peggy Guggenheim was a passionate collector and major patron. She amassed one of the most important collections of early twentieth century European and American art embracing cubism, surrealism and expressionism. A must read for anyone with an interest in these major-league artists, this seminal period of art history, and the ultimate self-invented woman.

Mayhem Knopf

A searingly powerful memoir about the impact of addiction on a family. In the summer of 2012 a

woman named Eva was found dead in the London townhouse she shared with her husband, Hans K. Rausing. The couple had struggled with drug addiction for years, often under the glare of tabloid headlines. Now, writing with singular clarity and restraint, Hans' sister, the editor and publisher Sigrid Rausing, tries to make sense of what happened. In *Mayhem*, she asks the difficult questions those close to the world of addiction must face. "Who can help the addict, consumed by a shaming hunger, a need beyond control? There is no medicine: the drugs are the medicine. And who can help their families, so implicated in the self-destruction of the

addict? Who can help when the very notion of 'help' becomes synonymous with an exercise of power; a familial police state; an end to freedom, in the addict's mind?" An eloquent and timely attempt to understand the conundrum of addiction--and a memoir as devastating as it is riveting.

Confessions Of an Art Addict *Harper Collins*

A patron of art since the 1930s, Peggy Guggenheim, in a candid self-portrait, provides an insider's view of the early days of modern art, with revealing accounts of her eccentric wealthy family, her personal and professional relationships, and often surprising portrayals of the artists themselves.

Here is a book that captures a valuable chapter in the history of modern art, as well as the spirit of one of its greatest advocates.

Declare *Harper Collins*
Professor Andrew Hale rejoins Her Majesty's Secret Service in 1963 after receiving a coded message, quickly finding himself entangled in a plot involving the biblical Ark and the fall of the Iron Curtain.

The Book of Drugs

A Memoir *Da Capo Press*
Recounts the addiction and recovery of the world-renowned solo artist and former lead singer and songwriter of Soul Coughing.

Beautiful Day

A Novel *Reagan Arthur Books*

The Carmichaels and the Grahams have gathered on Nantucket for a wedding. Plans are being made according to the wishes of the bride's late mother, who left behind The Notebook: specific instructions for every detail of her youngest daughter's future nuptials. Everything should be falling into place for the beautiful event--but in reality, things are far from perfect. While the couple-to-be are quite happy, their loved ones find their own lives crumbling. In the days leading up to the wedding, love will be questioned, scandals will arise, and hearts will be broken and healed. Elin Hilderbrand takes readers on a touching

journey in BEAUTIFUL DAY--into the heart of marriage, what it means to be faithful, and how we choose to honor our commitments.

Pill Head

The Secret Life of a Painkiller Addict

Hachette Books

This compelling, honest book investigates the growing epidemic of prescription painkiller abuse among today's Generation Rx. Through gripping profiles and heartbreaking confessions, this memoir dares to uncover the reality--the addiction, the withdrawal, and the recovery--of this newest generation of pill poppers. Joshua Lyon was no stranger

to substance abuse. By the time he was seventeen, he had already found sanctuary in pot, cocaine, Ecstasy, and mushrooms--just to name a few. Ten years later, on assignment for *Jane* magazine, he found himself with a two-inch-thick bottle of Vicodin in his hands and only one decision to make: dispose of the bottle or give in to his curiosity. He chose the latter. In a matter of weeks he'd found his perfect drug. In the early half of this decade, purchasing painkillers without a doctor was as easy as going online and checking the spam filter in your inbox. The accessibility of these drugs--paired with a false perception of their safety--contributed to their

epidemic-like spread throughout America's twenty-something youth, a group dubbed Generation Rx. Pill Head is Joshua Lyon's harrowing and bold account of this generation, and it's also a memoir about his own struggle to recover from his addiction to painkillers. The story of so many who have shared this experience--from discovery to addiction to rehabilitation--Pill Head follows the lives of several young people much like Joshua and dares to blow open the cultural phenomena of America's newest pill-popping generation. Marrying the journalist's eye with the addict's mind, Joshua takes readers through the shocking and often painful

profiles of recreational users and suffering addicts as they fight to recover. Pill Head is not only a memoir of descent, but of endurance and of determination. Ultimately, it is a story of encouragement for anyone who is wrestling to overcome addiction, and anyone who is looking for the strength to heal.

Beautiful Things

A Memoir *Simon and Schuster*

NEW YORK TIMES BESTSELLER "I come from a family forged by tragedies and bound by a remarkable, unbreakable love," Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden

was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

Debunkery

Learn It, Do It, and

Profit from It -- Seeing Through Wall Street's Money- Killing Myths *John Wiley & Sons*

Legendary money manager Ken Fisher outlines the most common—and costly—mistakes investors make. Small cap stocks are best for all time. Bunk! A trade deficit is bad for markets. Bunk! Stocks can't rise on high unemployment. Bunk! Many investors think they are safest following widely accepted Wall Street wisdom—but much of Wall Street wisdom isn't so wise. In fact, it can be costly bunk. In *Debunkery: Learn It, Do It, and Profit From It—Seeing Through Wall Street's Money-Killing Myths*, Ken Fisher—named one of the 30 most influential

individuals of the last three decades by Investment Advisor magazine—details why so many investors fail to get the long-term results they desire. The short answer is many investors fail to question if what they believe is true—and are therefore blinded by tradition, biases, ideology, or any number of cognitive errors. Your goal as an investor shouldn't be to be error-free—that's impossible. Rather, to be more successful, you should aim to lower your error rate. Debunkery gets you started by debunking 50 common myths—but that's just the beginning. It also gives you the tools you need to continue to do your own debunkery for the rest of your investing career.

Faithful and Devoted

Confessions of a Music Addict

Confessions of a Wall Street Analyst

A True Story of Inside Information and Corruption in the Stock Market *Harper Collins*

Here is the true story of a top Wall Street player's transformation from a straight-arrow believer to a jaded cynic, who reveals how Wall Street's insider game is really played. Dan Reingold was a top Wall Street analyst for fourteen years and Salomon Smith Barney analyst Jack Grubman's chief competitor in the red-hot sector of telecom. Reingold was part of the "Street" and believed in it. But in

this action-packed, highly personal memoir written with accomplished Fast Company senior writer Jennifer Reingold the author describes how his enthusiasm gave way to disgust as he learned how deeply corrupted Wall Street and much of corporate America had become during the roaring stock market bubble of the 1990s. Confessions of a Wall Street Analyst provides a front-row seat at one of the most dramatic -- and ultimately tragic -- periods in financial history. Reingold recounts his introduction to the world of Wall Street leaks and secret deal-making; his experiences with corporate fraud; and Wall Street's alarming penchant for lavish

spending and multimillion-dollar pay packages. Reingold spars with arch rival Grubman; fends off intense pressures from Wall Street bankers and corporate CEOs; and is wooed by Morgan Stanley's CEO, John Mack, and CSFB's über-banker Frank Quattrone. Reingold describes instances in which confidential deals are whispered days before their official announcement. He recalls the moment he learns that Bernie Ebbers's WorldCom was massively cooking its books. And he is shocked to have been an unwitting catalyst for a series of sexually explicit e-mails that would rock Wall Street; bring Jack Grubman to his knees; and contribute to the stepping aside of

Grubman's boss, Citigroup CEO Sandy Weill. Some of Reingold's stories are outrageous, others hilarious, and many are simply absurd. But, together, they provide a sobering exposé of Wall Street: a jungle of greed and ego, a place brimming with conflicts and inside information, and a business absurdly out of touch with the Main Street it claims to serve. He shows how government investigators, headlines notwithstanding, never got to the heart of the ethical and legal transgressions of the era. And how they completely overlooked Wall Street's pervasive use of inside information, leaving investors -- even sophisticated

professionals -- cheated. The book ends with a series of important policy recommendations to clean up the investing business. In the tradition of *Liar's Poker* and *Den of Thieves*, *Confessions of a Wall Street Analyst* is a no-holds-barred insider's account that will open the eyes of every investor.

Long Bright River

A Novel *Penguin*

ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF THE YEAR BY NPR, PARADE, REAL SIMPLE, and BUZZFEED AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK "[Moore's] careful balance of the hard-

bitten with the heartfelt is what elevates Long Bright River from entertaining page-turner to a book that makes you want to call someone you love." – The New York Times Book Review "This is police procedural and a thriller par excellence, one in which the city of Philadelphia itself is a character (think Boston and Mystic River). But it's also a literary tale narrated by a strong woman with a richly drawn personal life – powerful and genre-defying." – People "A thoughtful, powerful novel by a writer who displays enormous compassion for her characters. Long Bright River is an outstanding crime novel... I absolutely loved it." —Paula Hawkins, #1 New York Times-

bestselling author of The Girl on the Train Two sisters travel the same streets, though their lives couldn't be more different. Then one of them goes missing. In a Philadelphia neighborhood rocked by the opioid crisis, two once-inseparable sisters find themselves at odds. One, Kacey, lives on the streets in the vise of addiction. The other, Mickey, walks those same blocks on her police beat. They don't speak anymore, but Mickey never stops worrying about her sibling. Then Kacey disappears, suddenly, at the same time that a mysterious string of murders begins in Mickey's district, and Mickey becomes dangerously obsessed with finding the culprit--and her

sister--before it's too late. Alternating its present-day mystery with the story of the sisters' childhood and adolescence, *Long Bright River* is at once heart-pounding and heart-wrenching: a gripping suspense novel that is also a moving story of sisters, addiction, and the formidable ties that persist between place, family, and fate.

Guilty Thing

A Life of Thomas De Quincey *Farrar, Straus and Giroux*

National Book Critics Circle Award, Biographers International Organization Plutarch Award and Los Angeles Times Book Prize Finalist New York Times Book Review, Times Literary

Supplement and The Guardian Best Books of 2016 Thomas De Quincey was an obsessive. He was obsessed with Wordsworth and Coleridge, whose *Lyrical Ballads* provided the script to his life, and by the idea of sudden death. Running away from school to pursue the two poets, De Quincey insinuated himself into their world. Basing his sensibility on Wordsworth's and his character on Coleridge's, he forged a triangle of unusual psychological complexity. Aged twenty-four, De Quincey replaced Wordsworth as the tenant of Dove Cottage, the poet's former residence in Grasmere. In this idyllic spot he followed the

reports of the notorious Ratcliffe Highway murders of 1811, when two families, including a baby, were butchered in their own homes. In his opium-soaked imagination the murderer became a poet while the poet became a murderer. Embedded in *On Murder as One of the Fine Arts*, De Quincey's brilliant series of essays, Frances Wilson finds the startling story of his relationships with Wordsworth and Coleridge. Opium was the making of De Quincey, allowing him to dissolve self-conflict, eliminate self-recrimination, and divest himself of guilt. Opium also allowed him to write, and under the pseudonym "The Opium-Eater" De Quincey emerged as the strangest and most

original journalist of his age. His influence has been considerable. Poe became his double; Dostoevsky went into exile with *Confessions of an English Opium-Eater* in his pocket; and Charles Dickens, Oscar Wilde, George Orwell, Alfred Hitchcock, and Vladimir Nabokov were all De Quincey devotees. There have been other biographies of Thomas De Quincey, but *Guilty Thing* is the first to be animated by the spirit of De Quincey himself. Following the growth of his obsessions from seed to full flowering and tracing the ways they intertwined, Frances Wilson finds the master key to De Quincey's vast Piranesian mind. Unraveling a tale of hero worship and revenge, *Guilty Thing* brings the last of the

Romantics roaring back to life and firmly establishes Wilson as one of our foremost contemporary biographers.

The Shadow of an Addict *eBookIt.com*

A collection of poetry about addiction by Matthew Ganem

Silver Screen Fiend

Learning About Life from an Addiction to Film *Simon and Schuster*

The instant New York Times bestseller from author, comedian and actor Patton Oswalt, a “heartfelt and hilarious” (USA TODAY) memoir about coming of age as a performer during the late 1990s while obsessively watching classic films at a legendary theater in Los Angeles.

“[Oswalt has] a set of synapses like a pinball machine and a prose style to match” (The New York Times). Between 1995 and 1999, Patton Oswalt lived with an unshakable addiction. It wasn’t drugs, alcohol, or sex: it was film. After moving to Los Angeles, Oswalt became a huge film buff (or as he calls it, a sprocket fiend), absorbing classics, cult hits, and new releases at the famous New Beverly Cinema. Silver screen celluloid became Patton’s life schoolbook, informing his notion of acting, writing, comedy, and relationships. Set in the nascent days of LA’s alternative comedy scene, Silver Screen Fiend chronicles Oswalt’s journey from fledgling

stand-up comedian to self-assured sitcom actor, with the colorful New Beverly collective and a cast of now-notable young comedians supporting him all along the way. "Clever and readable...Oswalt's encyclopedic knowledge and frothing enthusiasm for films (from sleek noir classics, to gory B movies, to cliché-riddled independents, to big empty blockbusters) is relentlessly present, whirring in the background like a projector" (The Boston

Globe). More than a memoir, this is "a love song to the silver screen" (Paste Magazine).

Confess

A Novel *Simon and Schuster*

Fighting to rebuild her life after shattering losses, Auburn Reed is unexpectedly attracted to an enigmatic artist only to discover that the object of her affections is hiding threatening secrets from his past. By the #1 New York Times best-selling author of *Slammed*. Original.
