The Dancing Floor
Harper Collins

For years, Heather Tradescant had dreamed of the journey she and her father would take to England—a pilgrimage to the great gardens of history. Now that her father is dead, Heather is determined to fulfill his dreams. Unfortunately, her request to see the fabled 17th-century garden of Troytan House is denied by the owner. Though unwelcome, she braves the walls of briars and reaches the Victorian manor house beyond. She senses a strange mission of evil lurking, tainting the manor's peaceful beauty. Only then does Heather

begin to wonder whether it is only stories of long-vanished witchcraft that haunt Troytan House or whether there is some more modern horror, nearer at hand, and far, far more dangerous. Continuing in the classic tradition she established with such acclaimed novels of suspense as *Stitches in Time*, *Vanish with the Rose*, and *House of Stone*, New York Times bestselling author Barbara Michaels has penned a chilling tale that will keep you reading until the last page.

The Collector's Daughter

A Novel of the Discovery of Tutankhamun's Tomb
HarperCollins

Bestselling author Gill Paul returns with a brilliant novel about Lady Evelyn Herbert, the woman who took the very first step into the tomb of Pharaoh Tutankhamun, and who lived in the real Downton Abbey, Highclere Castle, and the long after-effects of the Curse of Pharaohs. Lady Evelyn Herbert was the daughter of the Earl of Carnarvon, brought up in stunning Highclere Castle. Popular and pretty, she seemed destined for a prestigious marriage, but she had other ideas. Instead, she left behind the world of society balls and chaperones to travel to the Egyptian desert, where she hoped to become a lady archaeologist, working alongside her father and Howard Carter in

the hunt for an undisturbed tomb. In November 1922, their dreams came true when they discovered the burial place of Tutankhamun, packed full of gold and unimaginable riches, and she was the first person to crawl inside for three thousand years. She called it the “greatest moment” of her life—but soon afterwards everything changed, with a string of tragedies that left her world a darker, sadder place. Newspapers claimed it was “the curse of Tutankhamun,” but Howard Carter said no rational person would entertain such nonsense. Yet fifty years later, when an Egyptian academic came asking questions about what really happened in the tomb,

it unleashed a new chain of events that seemed to threaten the happiness Eve had finally found.

Unexpectedly separated from all family, Zane and his dog experience the terror of Katrina's wind, rain, and horrific flooding. Facing death, they are rescued from

an attic air vent by a kind, elderly musician and a scrappy young girl--both African American. The chaos that ensues as storm water drowns the city, shelter and food vanish, and police contribute to a dangerous, frightening atmosphere, creates a page-turning tale that completely engrosses the reader. Based on the facts of the worst hurricane disaster in U.S. history, Philbrick includes the lawlessness and lack of government support during the disaster as well as the generosity and courage of those who risked their lives and safety to help others.
