Phenomenology of the Social World

Studies in Phenomenology ...

Social phenomenology is an approach within the field of sociology that aims to reveal what role human awareness plays in the production of social action, social situations and social worlds. In essence, phenomenology is the belief that society is a human construction. Phenomenology was originally developed by a German mathematician named Edmund Husserl in the early 1900s in order to locate the sources or essences of reality in the human consciousness.

Social Phenomenology - ThoughtCo.com is the World's ...

Phenomenology offers a particularly

interesting view of cognition for social researchers. It sees consciousness as developed through experience, not the work of a disembodied mind. It takes all consciousness as intentional – in other words when we try to make sense of something it is always with a purpose in mind.

What is phenomenology?

Phenomenology within sociology is the study of the formal structures of concrete social existence as made available in and through the analytical description of acts of intentional consciousness. The object of such an analysis is the meaningful lived world of everyday life. The task of

phenomenological sociology is to account for, or describe, the formal structures of the given object of investigation in terms of subjectivity, as an object-constituted-in-and-for-consciousness. That which makes s

The Phenomenology of the Social World Summary - eNotes.com

The Phenomenology of the Social World. Alfred Schutz. Northwestern University Press, 1972

- Phenomenological sociology - 255 pages. 1 Review. In this book, his major work, Alfred Schutz attempts to provide a sound philosophical basis for the sociological theories of Max Weber. Using a Husserlian phenomenology, Schutz provides a complete and original analysis of human action and its "intended meaning."

The Phenomenology of the Social World - Alfred Schutz ...

Alfred Schütz (13 April 1899, Vienna - 20 May 1959, New York City) was an Austrian social scientist, whose work bridged sociological and phenomenological traditions to form a social phenomenology.

Phenomenology of the Social World |

Northwestern ...

His Phenomenology of the Social World supplied philosophical foundations for Max Weber's sociology and for economics, with which he was familiar through contacts with colleagues of the Austrian school.
