Stuff Parisians Like

Discovering the Quoi in the Je Ne Sais Quoi Penguin

In the tradition of the New York Times bestseller *Stuff White People Like*, a tongue-in-cheek homage to Parisians. To be mistaken for a Parisian, readers must buy the newspaper *Le Monde*, fold it, and walk. Then sit at a café and make phone calls. Be sure to order San Pellegrino, not any other kind of fizzy water. They shouldn't be surprised when a waiter brings out two spoons after they order *le moelleux au chocolat*- it is understood that the dessert is too sinfully delicious not to share. Go to *l'île Saint-Louis*-all Parisians are irredeemably in love with that island. Feel free to boldly cross the street whenever the impulse strikes-pedestrian crosswalks are too dangerous. If they take a cruise on the Seine, they will want to stand outside, preferably with their collar popped up. If they want to decorate, may we suggest the photographs of Robert Doisneau? To truly be cool in Paris, own an iPhone, wear Converse sneakers, and order sushi. And as they stroll through the Luxembourg Gardens, remember-they can't go wrong wearing black.

The Best Handbook for Learning to Speak French! *CreateSpace*

French for Beginners 2nd Edition; The Best Handbook for Learning to Speak French! French is considered as one of the languages that is widely learned all over the world. There is a high likelihood

that you are already familiar with some French phrases and words. Because of the French invasion in England during the eleventh century, the French language has given significant contributions to the English vocabulary. This means that even if you are not actively learning French but is adept in English, you are already using a lot of French words without you knowing. Because of hundreds of years of interaction with the British and because of common ancient forefathers, French has offered English-speakers a fairly easy path to conversing using a different language. French and English share several similarities in sentence construction. You may even realize that a lot of French and English words have similar sounds. The limited French sounds may still be familiar to you because of movies and TV shows. Some of these unique French sounds include the silent "h" and the gruff "r" sound; but this does not completely mean that everything you watch and hear on TV is totally accurate. Still, being able to adopt the French accent you have acquired from watching movies can help you a lot while learning the language. Even if French is remotely related to the English language, it is more generally compared to other Romance languages such as Spanish and Italian. All these three languages were created from the Latin language used by the Romans during their invasions in 1 B.C.; but despite their common origin, the evolution of the French language is different from the evolution of Italian and Spanish (which still share a lot of similarities even up to today). Currently, there are around thirty countries who name French as one of their official languages. In Canada, French is commonly used in the Quebec region only. While in Belgium, French is

used in the Southern area only. The spread of the French language can be partly explained by the colonization of several nations in the Pacific, Africa and the Caribbean by France. On top of that, the French language was actually used as the official language for international diplomacy until the initial years of the twentieth century when the English language took over. At Night All Blood Is Black

A Novel *Farrar, Straus and Giroux*

WINNER OF THE 2021 INTERNATIONAL BOOKER PRIZE *A BARACK OBAMA SUMMER READING LIST SELECTION* Winner of the Los Angeles Times Book Prize for fiction "Astonishingly good." —Lily Meyer, NPR "So incantatory and visceral I don't think I'll ever forget it." —Ali Smith, The Guardian | Best Books of 2020 One of The Wall Street Journal's 11 best books of the fall | One of The A.V. Selected by students across France to win the Prix Goncourt des Lycéens, David Diop's English-language, historical fiction debut *At Night All Blood is Black* is a "powerful, hypnotic, and dark novel" (Livres Hebdo) of terror and transformation in the trenches of the First World War. Alfa Ndiaye is a Senegalese man who, never before having left his village, finds himself fighting as a so-called "Chocolat" soldier with the French army during World War I. When his friend Mademba Diop, in the same regiment, is seriously injured in battle, Diop begs Alfa to kill him and spare him the pain of a long and agonizing death in No Man's Land. Unable to commit this mercy killing, madness creeps into Alfa's mind as he comes to see this refusal as a cruel moment of cowardice. Anxious to avenge the death of his friend and find forgiveness for himself, he begins a macabre ritual: every night he sneaks across enemy lines to find and murder a blue-eyed German soldier, and every night he returns to base, unharmed, with the German's severed hand. At first his comrades look at Alfa's deeds with admiration, but soon rumors begin to circulate that this super soldier isn't a hero, but a sorcerer, a soul-eater. Plans are hatched to get Alfa away from the front, and to separate him from his growing collection of hands, but how does one reason with a demon, and how far will Alfa go to make amends to his dead friend? Peppered with bullets and black magic, this remarkable novel fills in a forgotten chapter in the history of World War I. Blending oral storytelling traditions with the gritty, day-to-day, journalistic horror of life in the trenches, David Diop's *At Night All Blood is Black* is a dazzling tale of a man's descent into madness.
