Allies At Odds The United

Why, despite their similar goals, do the policy preferences of the European Union and United States diverge on so many multilateral issues? To answer that question, Allies at Odds? thoroughly examines recent international efforts in arms control, environmental protection, human rights, and military cooperation. Evidence from 20 separate cases supports the expectations of the realist approach to international politics, which focuses on the role of power above all.

Allies at Odds?: The United States and the European Union ...

In Allies at Odds, Thomas S. Mowle uses realist, institutionalist and epistemic international relations theories to explain why the United States and Europe increasingly are at odds, and to predict the future course of the relationship.
