Fallen Angels Zola Books

Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, Fallen Angels has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, Fallen Angels “reaches deep into the minds of soldiers” and makes “readers feel they are there, deep in the heart of war.” Fallen Angels has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. Fallen Angels was #16 on the American Library Association’s list of the most frequently challenged books of 1990–2000 for its realistic depiction of war and those who fight in wars.

IT ALL HAPPENED SO FAST One minute the two space Hab astronauts were scoop-diving the atmosphere, the next they'd been shot down over the North Dakota Glacier and were the object of a massive manhunt by the United States government. That government, dedicated to saving the environment from the evils of technology, had been voted into power because everybody knew that the Green House Effect had to be controlled, whatever the cost. But who would have thought that the cost of ending pollution would include not only total government control of day-to-day life, but the onset of a new Ice Age Stranded in the anti-technological heartland of America, paralyzed by Earth's gravity, the "Angels" had no way back to the Space Habs, the last bastions of high technology and intellectual freedom on or over the Earth. But help was on its way, help from the most unlikely sources Join # 1 national bestsellers Larry Niven and Jerry Pournelle and Michael Flynn in a world where civilization is on the ropes, and the environmentalists have created their own worst nightmare: A world of Fallen Angels At the publisher's request, this title is sold without DRM (Digital Rights Management).

Invasion Scholastic Inc.

Walter Dean Myers brilliantly renders the realities of World War II. Josiah Wedgewood and Marcus Perry are on their way to an uncertain future. Their whole lives are ahead of them, yet at the same time, death's whisper is everywhere. One white, one black, these young men have nothing in common and everything in common as they approach an experience that will change them forever. It's May 1944. World War II is ramping up, and so are these young recruits, ready and eager. In small towns and big cities all over the globe, people are filled with fear. When Josiah and Marcus come together in what will be the greatest test of their lives, they learn hard lessons about race, friendship, and what it really means to fight. Set on the front lines of the Normandy invasion, this novel, rendered with heart-in-the-throat precision, is a cinematic masterpiece. Here we see the bold terror of war, and also the nuanced havoc that affects a young person's psyche while living in a barrack, not knowing if today he will end up dead or alive.

Sunrise Over Fallujah *Scholastic Inc.*

Robin "Birdy" Perry, a new army recruit from Harlem, isn't quite sure why he joined the army, but he's sure where he's headed: Iraq. Birdy and the others in the Civilian Affairs Battalion are supposed to help secure and stabilize the country and successfully interact with the Iraqi people. Officially, the code name for their maneuvers is Operation Iraqi Freedom. But the young men and women in the CA unit have a simpler name for it:WAR

Listen, Slowly *Harper Collins*

This remarkable and bestselling novel from Thanhha Lai, author of the National Book Award-winning and Newbery Honor Book Inside Out & Back Again, follows a young girl as she learns the true meaning of family. Listen, Slowly is a New York Times Book Review Notable Book and a Publishers Weekly Best Book of the Year! A California girl born and raised, Mai can't wait to spend her vacation at the beach. Instead, she has to travel to Vietnam with her grandmother, who is going back to find out what really happened to her husband during the Vietnam War. Mai's parents think this trip will be a great opportunity for their out-of-touch daughter to learn more about her culture. But to Mai, those are their roots, not her own. Vietnam is hot, smelly, and the last place she wants to be. Besides barely speaking the language, she doesn't know the geography, the local customs, or even her distant relatives. To survive her trip, Mai must find a balance between her two completely different worlds. Perfect for fans of Rita Williams-Garcia and Linda Sue Park, Listen, Slowly is an irresistibly charming and emotionally poignant tale about a girl who discovers that home and culture, family and friends, can all mean different things.

On a Clear Day *Ember*

In 2035, Dahlia Grillo, a sixteen-year-old math whiz, joins with six other American teens traveling to England to meet with groups from around the world in hopes of stopping C8, the companies that control nearly everything for their own benefit.

Fallen Angel

The Unlikely Rise of Walter Stadnick and the Canadian Hells Angels *John Wiley & Sons*

Walter Stadnick is not an imposing man. At five-foot-four, his face and arms scarred by fire in a motorcycle accident, he would not spring to mind as a leader of Canada's most notorious biker gang, the Hells Angels. yet through sheer guts and determination, intelligence and luck, this Hamilton-born youth who had the nickname of "Nurget" rose in the Hells Angels ranks to become national president. Not only did he lead the Angels through the violent war with their rivals the rock machine in Montreal in the Nineties, Stadnick saw opportunity to grow the Hells Angels into a national criminal gang. he was a visionary--and a highly successful one. Bikers are not known for their fondness for rival gangs. Stadnick and the Angels fought and defeated rival gangs, or used power of persuasion to patch them over. As Stadnick's influence spread, law enforcement took notice of the growing presence of the Angels in Ontario, Manitoba and British Columbia. However, Stadnick's success did not come without a price. Arrested and charged with 13 counts of first-degree murder, stadnick beat the murder charges but was convicted of gangsterism and is currently serving time. Fallen Angel details one man's improbable rise to power in one of the world's most violent organizations, while shedding light on how this enigmatic and dangerous biker gang operated and why it remains so powerful.

Bad Boy

A Memoir *Harper Collins*

New York Times bestselling author Walter Dean Myers traveled back to his roots in this memoir that is gripping, funny, and ultimately unforgettable. Don't miss this memoir by a former National Ambassador of Books for Young People! As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Here, in his own words, is the story of one of the most important voices of our time.

Where Does the Day Go?

If I Die in a Combat Zone

Box Me Up and Ship Me Home *Crown*

A classic from the New York Times bestselling author of The Things They Carried "One of the best, most disturbing, and most powerful books about the shame that was / is Vietnam." —Minneapolis Star and Tribune Before writing his award-winning Going After Cacciato, Tim O'Brien gave us this intensely personal account of his year as a foot soldier in Vietnam. The author takes us with him to experience combat from behind an infantryman's rifle, to walk the minefields of My Lai, to crawl into the ghostly tunnels, and to explore the ambiguities of manhood and morality in a war gone terribly wrong. Beautifully written and searingly heartfelt, If I Die in a Combat Zone is a masterwork of its genre. Now with Extra Libris material, including a reader's guide and bonus content.

A Rumor of Angels

Modern Society and the Rediscovery of the Supernatural *Open Road Media*

A sociologist's look at the continuing importance of religion and the supernatural in the modern world, “cleverly expounded [and] enhanced by wit” (Kirkus Reviews). Acclaimed scholar and sociologist Peter L. Berger examines religion in twentieth-century Western society, exploring the social nature of knowledge and its effect on religious belief. Using five signs evident in ordinary life—order, play, hope, damnation, and humor—Berger calls for a rediscovery of the supernatural as a crucial, rich dimension of humanity. Conceived as a response to his influential book The Sacred Canopy, Berger eschews technical jargon and speaks directly and systematically to those, like himself, who wish to explore religious questions.

Fallen Angels

Chronicles of L. A. Crime and Mystery

Los Angeles. The entertainment capital of the world. The city that movie director John Waters called "rich, hilarious, of questionable taste and throbbing with fake glamour." In Fallen Angels, award-winning journalist Marvin Wolf and noted criminal justice attorney Katherine Mader take you beyond the glitzy public facades, beyond the hype and dreams to the real streets and highways of this intriguing, often violent city. Exploring 39 exhaustively researched true crimes and mysteries, they reveal an altogether different side of L.A. than the one you might have seen on TV or in the movies. Instead, you'll find riveting accounts of L.A.'s most extraordinary crimes, from the time of the first American settlement, including: * Did Clarence Darrow bribe jurors? * A heavy crush ruins Fatty Arbuckle * Bugsy Siegel's contract is a big hit * Who killed Nick Adams? * Patty Hearst and the SLA shootout * John Belushi strikes out on a speedball ...and many other enthralling tales involving the mobsters, politicians, movie stars and private citizens of the City of Angels. For instance, no Hollywood screenwriter could have invented the hermit, Otto Sanhuber, who spent his nights hiding in his lover's attic and his days in her unwitting husband's bed--for 22 years--until he killed the husband. And for adventurous readers, the authors provide links to the various crime scenes detailed in each story, so that readers can visit the sites themselves. Fallen Angels--with its colorful cast of real-life characters, bizarre crimes and mysteries--is a must-read for every True Crime buff.

Patrol

An American Soldier in Vietnam *Harper Collins*

Vietnam. A young American soldier waits for his enemy, rifle in hand, finger on the trigger. He is afraid to move and yet afraid not to move. Gunshots crackle in the still air. The soldier fires blindly into the distant trees at an unseen enemy. He crouches and waits -- heart pounding, tense and trembling, biting back tears. When will it all be over? Walter Dean Myers joined the army on his seventeenth birthday, at the onset of American involvement in Vietnam, but it was the death of his brother in 1968 that forever changed his mind about war. In a gripping and powerful story-poem, the award-winning author takes readers into the heart and mind of a young soldier in an alien land who comes face-to-face with the enemy. Strikingly illustrated with evocative and emotionally wrenching collages by Caldecott Honor artist Ann Grifalconi, this unforgettable portrait captures one American G.L's haunting experience.

An ALA-YALSA Best Book for Young Adults New Bonus Content: -Q&A with Walter Dean Myers -Q&A with screenwriter John Ballard -Teaser chapter from On a Clear Day -Excerpt from 145th Street All eyes are on seventeen-year-old Lonnie Jackson while he practices with his team for a city-wide basketball Tournament of Champions. His coach, Cal, knows Lonnie has what it takes to be a pro basketball player, but warns him about giving in to the pressure. Cal knows because he, too, once had the chance—but sold out. As the tournament nears, Lonnie learns that some heavy bettors want Cal to keep him on the bench so that the team will lose the championship. As the last seconds of the game tick away, Lonnie and Cal must make a decision. Are they willing to blow the chance of a lifetime?

Scorpions *Harper Collins*

The Scorpions are a gun-toting Harlem gang, and Jamal Hicks is about to become tragically involved with them in this authentic tale of the sacrifice of innocence and the struggle to steer clear of violence. This Newbery Honor Book will challenge young men to consider their own decisions as they come of age in a complex and often frustrating society. Pushed by a bully to fight and nagged by his principal, Jamal is having a difficult time staying in school. His home life is not much better, with his mother working her fingers to the bone to try to earn the money for an appeal for Jamal's jailed older brother, Randy. Jamal wants to do the right thing and help earn the money to free his brother by working, but he's afraid to go against the Scorpions. Jamal eventually pulls free of the gang's bad influence, but only through the narrowest of escapes. Walter Dean Myers, five-time winner of

the Coretta Scott King Award, sensitively explores the loyalty and love between friends faced with hard choices. Scorpions is 25 years old, but the issues of poverty and violence make it a timeless powerful read—sadly as relevant as ever.

Working-Class War

American Combat Soldiers and Vietnam *Univ of North Carolina Press*

No one can understand the complete tragedy of the American experience in Vietnam without reading this book. Nothing so underscores the ambivalence and confusion of the American commitment as does the composition of our fighting forces. The rich and the powerful may have supported the war initially, but they contributed little of themselves. That responsibility fell to the poor and the working class of America.--Senator George McGovern "Reminds us of the disturbing truth that some 80 percent of the 2.5 million enlisted men who served in Vietnam--out of 27 million men who reached draft age during the war--came from working-class and impoverished backgrounds. . . . Deals especially well with the apparent paradox that the working-class soldiers' families back home mainly opposed the antiwar movement, and for that matter so with few exceptions did the soldiers themselves.--New York Times Book Review "[Appy's] treatment of the subject makes it clear to his readers--almost as clear as it became for the soldiers in Vietnam--that class remains the tragic dividing wall between Americans.--Boston Globe

Ground Zero *Scholastic Inc.*

Out of nowhere, an airplane slams into the tower, creating a fiery nightmare of terror and confusion. And Brandon is in the middle of it all. Can he survive -- and escape? September 11, 2019, Afghanistan: Reshmina has grown up in the shadow of war, but she dreams of peace and progress. When a battle erupts in her village, Reshmina stumbles upon a wounded American soldier named Taz. Should she help Taz -- and put herself and her family in mortal danger? Two kids. One devastating day. Nothing will ever be the same.

When Dad Killed Mom *HMH*

A brother and sister cope with loss and trauma—and fight to keep what’s left of their family together—in a “compelling” novel by a Newbery Honor

Medal winner. Jenna and Jeremy knew their parents’ marriage was in trouble. That was pretty obvious. But no one who knew the family could have predicted what would come next. One afternoon, Jenna and Jeremy are pulled from class and given horrifying news: their father, a college psychologist, has just shot their mother to death on a public street. Now, Mom is dead, Dad is in jail, and a fifth-grade boy and his fourteen-year-old sister have a lot to reconcile. Not only grief, anger, confusion, and guilt—but their dad’s motive, the secrets in their mother’s diary, and shifting loyalties that are driving Jenna and Jeremy even further apart. With their fragile new lives in free fall, and their father about to stand trial, they’re now going to have to confront the unimaginable. From an author who has been a finalist for the National Book Award, among numerous other honors, this is “a compelling story suffused with raw and honest emotion” (Kirkus Reviews) and “a taut psychological mystery” (Publishers Weekly).
