To use the Never Miss system, you just place two rods on either side of the hitch guide wings (that's attached to the rear of your vehicle) and one rod on the trailer. As you're backing, just keep the rear rod aligned in the middle of the other two, and you'll be dead perfect each time.

Sounds simple in principle, but does it work?

### **Trailer Hitch Assisting Products: Which Ones Really Work?**

The magnetic trailer alignment kit includes two separate telescoping rods that you magnetically attach to your vehicle's hitch and the trailer's coupler. Then simply raise the bright yellow markers to a height where you can see both of them from your driver's seat, then get in and drive. When you've got the two markers aligned, you're in position to easily hook them up.
