This fourth edition of Kuby Immunology is written by the new group of authors. Most of the materials in the text are based on what (late) Janis Kuby had done for the first three excellent editions.

However, there are some current information added to this edition. I found they are pretty helpful and up-to-date.

**Kuby Immunology:
Goldsby, Richard A.,**

Kindt, Thomas J ...

The only textbook written for undergraduates by teachers of the course, this bestseller presents the most current concepts in an experimental context, conveying the excitement of scientific discovery, and highlighting important advances while providing unsurpassed pedagogical support for the first-time learner. The new edition is thoroughly updated, including most notably the new chapter on ...
