Inflation: How your Money is Becoming Worth Less. Inflation has been a thing ever since money was created. The value of money is set in the same way as for any product: through the demand for it. The more demand there is for a euro or dollar, the more it will become worth when compared to other currencies.

Your Money is Losing its Value - Inflation | Ledger

When you put money in perspective and recognize why it was given to you, it becomes a blessing instead of a curse. And by using your wealth for charitable and philanthropic purposes instead of spending it all on the desire of the moment, your money becomes eternal. How does giving charity turn money into a blessing?
