Islam, Science Fiction and Extraterrestrial Life

The Culture of Astrobiology in the Muslim World Bloomsbury Publishing

The Muslim world is not commonly associated with science fiction. Religion and repression have often been blamed for a perceived lack of creativity, imagination and future-oriented thought. However, even the most authoritarian Muslim-majority countries have produced highly imaginative accounts on one of the frontiers of knowledge: astrobiology, or the study of life in the universe. This book argues that the Islamic tradition has been generally supportive of conceptions of extra-terrestrial life, and in this engaging account, Jörg Matthias Determann provides a survey of Arabic, Bengali, Malay, Persian, Turkish, and Urdu texts and films, to show how scientists and artists in and from Muslim-majority countries have been at the forefront of the exciting search. Determann takes us to little-known dimensions of Muslim culture and religion, such as wildly popular adaptations of Star Wars and mysterious movements centred on UFOs. Repression is shown to have helped science fiction more than hurt it, with censorship encouraging authors to disguise criticism of contemporary politics by setting plots in future times and on distant planets. The book will be insightful for anyone looking to explore the science, culture and politics of the Muslim world and asks what the discovery of extra-terrestrial life would mean for one of the greatest faiths.

The Lost Prince

A Search for Pat Conroy Catapult

“In The Lost Prince Michael Mewshaw sets down one of the most gripping stories of friendship I’ve

ever read.” —Daniel Menaker, author of My Mistake: A Memoir Pat Conroy was America’s poet laureate of family dysfunction. A larger-than-life character and the author of such classics as The Prince of Tides and The Great Santini, Conroy was remembered by everybody for his energy, his exuberance, and his self-lacerating humor. Michael Mewshaw’s The Lost Prince is an intimate memoir of his friendship with Pat Conroy, one that involves their families and those days in Rome when they were both young—when Conroy went from being a popular regional writer to an international bestseller. Family snapshots beautifully illustrate that time. Shortly before his forty-ninth birthday, Conroy telephoned Mewshaw to ask a terrible favor. With great reluctance, Mewshaw did as he was asked—and never saw Pat Conroy again. Although they never managed to reconcile their differences completely, Conroy later urged Mewshaw to write about “me and you and what happened . . . i know it would cause much pain to both of us. but here is what that story has that none of your others have.” The Lost Prince is Mewshaw’s fulfillment of a promise.

A Person of Pakistani Origins Oxford University Press

Ziauddin Sardar explores what makes a Pakistani, and whether it's something one wants or ought to be. Reflecting on his culture and heritage through tales of the Pakistanis in his life, A Person of Pakistani Origins is a whirlwind tour of dueling poets, Bollywood films, a bookish auntie who harbors feminist urges, and a vanishing uncle who reappears miles away. Thoughtful and generously laced with humor, this book delves deep into Pakistan's eclectic culture, and the humble insanity of everyday life for a person of Pakistani origins. Sardar richly celebrates the importance of where we come from, and of who we become.

The Herald

Ravan and Eddie New York Review of Books

Ravan and Eddie are the unlikeliest of companions. For one thing, Ravan is Hindu, while Eddie is Catholic. For another, when Ravan was a baby and fell from a balcony, that fall had a dramatic, and very literal, impact on Eddie’s family. But Ravan and Eddie both live in Central Works Department Chawl No. 17—and if you grow up in the crowded Mumbai chawls, you get to participate in your neighbors' lives, whether you like it or not. As we watch the two unlikely heroes of Kiran Nagarkar's acclaimed novel rocket out of the starting blocks of their lives, leaving earth-mothers and absentee fathers, cataclysms and rock ‘n’ roll in their wake, we're compelled to sit up and take notice. Recently selected by The Guardian as one of the ten best novels about Mumbai, Ravan and Eddie is a comic masterpiece about two larger- and truer-than-life characters and their bawdy, Rabelaisian adventures in postcolonial India. It is also a timeless journey of self-discovery, a quest for the meaning of guilt and responsibility, sin and sex, crime and punishment.
