The Christology Of Karl Barth

Kenneth Kantzer, "The Christology of Karl Barth," Bulletin of the Evangelical Theological Society 1.2 (Spring 1958): 25-28. The reality of the human nature of Christ is guaranteed by the virgin birth but also by the clear gospel record of the full humanity of Christ. All forms of Docetism and Apollinarianism Barth repudiates as doing less than justice to the Biblical records.⁷The

humanity he ascribes to Jesus Christ, however, is no "speculative humanity."

Drawing on the best English and German language scholarship to date, this book offers a novel interpretation of Barth's mature

Christology. Examining the entirety of the Dogmatics, it provides a nuanced analysis of Barth's treatment of the Chalcedonian Definition, the enhypostasis/anhypostasis pairing, and various Protestant scholastic Christological distinctions; an examination of the co-inherence of Barth's doctrines of God and Christ, which contributes to current debates about Barth's ...

The Humanity of Christ: Christology in Karl Barth's Church ...

Barth outlines at least three ways the Spirit is directly at work in the human person: Creation. "Life itself is a gift, the event in which the body

becomes ensouled and alive. And for Barth, this event is an expressly pneumatological event," (153) for both Jesus and humanity. Preservation. "In Jesus we see a human person who was continually dependent on the empowering work of the Spirit." (154)

Karl Barth on Mind, Body, and a Christological ...

Sumner suggests that Barth is innovative in six ways as it relates to christology: (1) he changes the trinitarian language from "person" to "nature"; (2) Christ's person is history and event; (3) Jesus's states of humiliation and exaltation are simultaneous; (4) the divine and human

essences are mutually conditioning; (5) Barth denies the classical doctrine of divine impassibility; (6) Barth's christology depends upon his actualist method and ontology (185-90).

Karl Barth and the Incarnation | Reading Religion

A robust Christology begins with the affirmation that the authority of Scripture is the self-testimony of God. Generally, how one defines 'faith' informs practice. It is important to note that Barth's definition of faith as "subjective trust in the encounter with God" is in disagreement with the definition in Scripture (Hebrews 11:1). For example, 'encountering' God, even for those who

witnessed the first advent of Christ was not analogous to saving faith.

Karl Barth & the Authority of Scripture | The Biblical ...

Karl Barth's most significant theological work is his summa theology titled the Church Dogmatics, which contains Barth's doctrine of the word of God, doctrine of God, doctrine of reconciliation and doctrine of redemption. Barth is most well known for reorienting all theological discussion around Jesus.
