The Darkest Night Book Review (2020) - Worth a Read?

"‘The darkest evening of the year’ would be the night before the Winter Solstice (December 21), which is the longest night of the calendar year." My little

horse must think it queer . To stop without a farmhouse near . Between the woods and frozen lake . The darkest evening of the year.

Book Review: The Darkest Evening Ann Cleeves

The Darkest Night is a brilliant start to the series- it jumps right into a delightful darkness that the Lords of the Underworld carry within them- and I say that they literally carry the darkness within them. It all starts when Ashlyn travels to Hungary on business and she hears about the fortress on a hill housing angels.

The Darkest Night (2 book series) Kindle Edition

The Darkest Night is character-driven and also very descriptive. Set in modern times in a small, rural English village, there are throwbacks to an earlier era and way of life. Centre to the story is a family of landed gentry living in Brockburn, Many thanks to NetGalley and St.Martins Press for this compelling ARC.

Books by Gena Showalter (Author of The Darkest Night)

I very much enjoyed The Darkest Night by Gena Showalter. This book had it all, romance, action, demons and steamy love scenes! I loved the story, the longing between Maddox, a man who never meant to fall in love and Ashlyn who never thought she could but always wanted to. I loved the camaraderie between the lords.

The Darkest Night by Gena Showalter | Audiobook | Audible.com

THE DARKEST NIGHT explores the true story of this unholy sacrifice of youth and misplaced trust in a gripping, throat-tightening way. It is an almost-hypnotic read, hard to look away from. But it is also compassionate as we question the awful fate of the victims, sadly singled out by fate or luck or whatever shapes our destinies.

The Darkest Night, By Ron Franscell

The Darkest Night The Second Dark Ages, Book 2 By: Michael Anderle Narrated by: Chris Abernathy I really liked book one but this one was definitely less exciting. It still had great characters, witty dialogue, and wild action. Supernatural characters a big plus. It just didn't have that special something that book one had.
