My So-called Life Goes on *Random House Books for Young Readers*

Continues the saga of Angela Clark and her friends in this sequel to the first novel, My So-Called Life. TV tie-in. Original.

My So-Called Life *Random House Books for Young Readers*

Real issues of real teens are dealt with in a humorous yet sensitive book based on the award-winning TV series, which centers around the life of Angela Chase and her diverse group of friends. Original. TV tie-in.

In My Humble Opinion

My So-Called Life *ECW Press*

A smart, engaging investigation of the show that brought real teens to TV My

So-Called Life lasted only 19 episodes from 1994 to 1995, but in that time it earned many devoted viewers, including the showrunners who would usher in the teen TV boom of the late 1990s and the new millennium. With its focus on 15-year-old Angela Chase's search for her identity, MSCL's realistic representation of adolescence on TV was groundbreaking; without her there would be no Buffy or Felicity, Rory Gilmore or Veronica Mars. The series' broadcast coincided with the arrival of third-wave feminism, the first feminist movement to make teen voices a priority, and Angela became their small-screen spokesperson. From her perspective, MSCL explored gender, identity, sexuality, race, class, body image, and other issues vital to the third wave (and the world). To this day, passionate fans dissect everything from what Rickie Vasquez did for gay representation to what Jordan Catalano did for leaning, and Soraya Roberts makes an invaluable contribution to that conversation with *In My Humble Opinion*.

My So-Called Bollywood Life *Crown Books for Young Readers*

The romance of Stephanie Perkins meets the quirk of Maureen Johnson, then gets a Bollywood twist in this fate-filled debut that takes the future into its own hands. Winnie Mehta was never really convinced that Raj was her soul mate, but their love was written in the stars. Literally, a pandit predicted Winnie would find the love of her life before her eighteenth birthday, and Raj meets all the qualifications. Which is why Winnie is shocked when she returns from her summer at film camp to find her boyfriend of three years hooking up with Jenny Dickens. As a self-proclaimed Bollywood expert, Winnie knows this is

not how her perfect ending is scripted. Then there's Dev, a fellow film geek and one of the few people Winnie can count on. Dev is smart and charming, and he challenges Winnie to look beyond her horoscope and find someone she'd pick for herself. But does falling for Dev mean giving up on her prophecy and her chance to live happily ever after? To find her perfect ending, Winnie will need a little bit of help from fate, family, and of course, a Bollywood movie star. AN NPR BEST BOOK OF THE YEAR "A delightful and humorous debut."--Kirkus Reviews, Starred review "The perfect timepass for both the Bollywood-obsessed and filmi (melodrama) novices."--Teen Vogue

Dear Angela

Remembering My So-called Life *Lexington Books*

Dear Angela includes fourteen critical essays that examine the brief-lived but landmark television series, *My So-Called Life* (1994-1995). Though certainly not the first young woman to be the center of a television series, Angela Chase and the show about her life were doing something new on television and influenced many of the shows about young people that followed. Michele Byers and David Lavery bring together enthusiastic and engaging voices that bear on a series that continues to be hailed as a breakthrough moment in television, even though more than a decade has passed since its cancellation. Tackling a broad range of topics—from identity politics, to music, to infidelity, and death—each essay builds upon a belief that *My So-Called Life* is a particularly rich text worth studying for the clues it offers about a particular moment in cultural and television history. *Dear Angela* offers a

sophisticated analysis of the show's legacy and cultural relevance that will appeal to media studies scholars and fans alike.

My So-Called Life as a Proverbs 31 Wife

A One-Year Experiment...and Its Surprising Results *Harvest House Publishers*

Author Sara Horn always admired the Proverbs 31 wife, but when she became a busy writer and mother, she deemed this model to be dated and impossible. Or is it? Join Sara as she heads into a one-year domestic experiment and offers full access to see if this biblical model can be embraced by a modern woman—even one who can't sew. With humility and humor, Sara sets out to pursue the Proverbs 31 characteristics through immersing herself in all things domestic, but when her family's situation changes and she must return to a full-time job, she's forced to look at the Proverbs 31 woman with a whole new viewpoint. Through it all, she and readers discover: what it means to be a godly woman and a wife how investing in family and faith refines priorities as a spouse and a parent how mistakes are opportunities for growth This thought-provoking, surprising, and entertaining personal account will inspire women to try their own experiments in living out God's purpose for their lives.

Dear Angela

Remembering My So-called Life *Lexington Books*

Dear Angela includes fourteen critical essays that examine the brief-lived but landmark television series, *My So-Called Life* (1994-1995). Tackling a broad range

of topics - from identity politics, to music, to infidelity, and death - each essay builds upon a belief that *My So-Called Life* is a particularly rich text worth studying for the clues it offers about a particular moment in cultural and television history.

My So-Called Life as a Submissive Wife

A One-Year Experiment...and Its Liberating Results *Harvest House Publishers*

Can a modern wife be submissive to her husband? In her highly anticipated sequel to *My So-Called Life as a Proverbs 31 Wife*, author Sara Horn takes on one of the most widely debated subjects for a Christian wife—marital submission. What does biblical submission look like for wives today? And why is submission viewed as such a dirty word by so many women and men in our culture, including Christians? Can a happily married couple live out the biblical model of submission and be the better for it? Horn takes on a one-year experiment to seek answers to these questions and to explore what it means to be submissive as a wife and “helper” to her husband. The answers—and her discoveries—may surprise you. This unique, entertaining, and thought-provoking personal account will challenge women to throw out their preconceived notions of what a submissive wife looks like and seek fresh leading from God for their lives and marriages today.

The Gilmore Girls Companion *BearManor Media*

This Thing Called Life

Prince's Odyssey, On and Off the

Record *St. Martin's Press*

A warm and surprisingly real-life biography, featuring never-before-seen photos, of one of rock's greatest talents: Prince. Neal Karlen was the only journalist Prince granted in-depth press interviews to for over a dozen years, from before *Purple Rain* to when the artist changed his name to an unpronounceable glyph. Karlen interviewed Prince for three *Rolling Stone* cover stories, wrote "3 Chains o' Gold," Prince's "rock video opera," as well as the star's last testament, which may be buried with Prince's will underneath Prince's vast and private compound, Paisley Park. According to Prince's former fiancée Susannah Melvoin, Karlen was "the only reporter who made Prince sound like what he really sounded like." Karlen quit writing about Prince a quarter-century before the mega-star died, but he never quit Prince, and the two remained friends for the last thirty-one years of the superstar's life. Well before they met as writer and subject, Prince and Karlen knew each other as two of the gang of kids who biked around Minneapolis's mostly-segregated Northside. (They played basketball at the Dairy Queen next door to Karlen's grandparents, two blocks from the budding musician.) He asserts that Prince can't be understood without first understanding '70s Minneapolis, and that even Prince's best friends knew only 15 percent of him: that was all he was willing and able to give, no matter how much he cared for them. Going back to Prince Rogers Nelson's roots, especially his contradictory, often tortured, and sometimes violent relationship with his father, *This Thing Called Life* profoundly changes what we know about Prince, and explains him as no biography has: a

superstar who calls in the middle of the night to talk, who loved *The Wire* and could quote from every episode of *The Office*, who frequented libraries and jammed spontaneously for local crowds (and fed everyone pancakes afterward), who was lonely but craved being alone. Readers will drive around Minneapolis with Prince in a convertible, talk about movies and music and life, and watch as he tries not to curse, instead dishing a healthy dose of "mamma jmmas."

These Things Happen *Unbridled Books*

A domestic story told in numerous original and endearing voices. The story opens with Wesley, a tenth grader, and involves his two sets of parents (the mom and her second husband, a very thoughtful doctor; and the father who has become a major gay lawyer/activist and his fabulous "significant other" who owns a restaurant). Wesley is a fabulous kid, whose equally fabulous best friend Theo has just won a big school election and simultaneously surprises everyone in his life by announcing that he is gay. No one is more surprised than Wesley, who actually lives temporarily with his gay father and partner, so that he can get to know his rather elusive dad. When a dramatic and unexpected trauma befalls the boys in school, all the parents converge noisily in love and well-meaning support. But through it all, each character ultimately is made to face certain challenges and assumptions within his/her own life, and the playing out of their respective life priorities and decisions is what makes this novel so endearing and so special.

Your So-Called Life

A Guide to Boys, Body Issues, and Other Big-Girl Drama You Thought

You Would Have Figured Out by Now *Harper Collins*

From Andrea Laventhal and Jessica Rozler, the acclaimed authors of *The Hookup Handbook* and *Friend of Frenemy?*, comes *Your So-Called Life*—a must-have, hilarious, and absolutely unique bible for any woman in her late 20s and 30s who's making the big move into real adulthood. With invaluable ideas and advice from a host of experts—from former *Top Chef* host and celebrity chef Katie Lee to dating expert Rachel Greenwald to *Bank of Mom and Dad* host Farnoosh Torabi—*Your So-Called Life* is ideal for every young woman at a crossroads, looking for a career, a soulmate, a home.

This Game Called Life *G Street Chronicles*

A young and ambitious Tonya Arlington dreamed of a life filled with success and riches, but due to tragic events in her life, Tonya is forced at a young age to take off her blindfold of innocence and face the reality of life head on. Finally ready to accept that her life will never be as she dreamed, she is unexpectedly courted by a local hustler named Rondell Jackson. Rondell Jackson, also known as Ronnie, is a nineteen year old genius. Being school and street smart has put Ronnie on top of the drug game in Harlem. Even though Ronnie seems to have everything and should want for nothing, he's still searching for his "Bonnie." Just as he's set to give up his search on looking for his true soulmate, he meets Tonya. Will Ronnie be the knight in shining armor that Tonya needs? Will Tonya be the ride or die woman Ronnie's been looking for? Or will this be a tragedy in the making? Find out what happens when Tonya becomes a player in *This Game Called Life*...

My (so-called) Normal Life

How I Learned to Balance Love, Work, Family, Friends-- and Cancer at 23

A *Glamour* magazine editor describes her diagnosis with leukemia immediately following her college graduation, her survival of the disease through her own personal strength and the support of loved ones, and her journey into remission with the aid of an experimental medication. 40,000 first printing.

Work Simply

Embracing the Power of Your Personal Productivity Style *Penguin*

Make work simple by using the tools and tactics that are right for you. Your time is under attack. You just can't get enough done. You find yourself wondering where the hours go. You've tried every time-management system you can get your hands on—and they've only succeeded in making your work more complicated. Sound familiar? If you sometimes feel you spend more time managing your productivity than doing actual work, it's time for a change. In *Work Simply*, renowned productivity expert Carson Tate offers a step-by-step guide to making work simple again by using the style that works best for you. Tate has helped thousands of men and women better manage their time and become more productive. Her success owes partly to the realization that most of us fit into one of four distinct productivity styles: Arrangers, who think about their projects in terms of the people involved; Prioritizers, who are the definition of "goal-oriented"; Visualizers, who possess a unique ability to comprehend the big picture; and Planners, who live for the

details. In this book, you'll learn How to identify your own productivity style as well as the styles of those around you—bosses, coworkers, staff, and family. How to select your “tools of the trade” to maximize your effectiveness, from the style of pen you use to the way you decorate your office. When face-to-face conversations are more effective than e-mails—and vice versa. What it takes to lead the perfect meeting. Why a messy desk is right for some, but a disaster for others—and how to tell. After reading *Work Simply*, you'll come away with a productivity system that truly and fundamentally fits you—and you'll never feel overwhelmed again.

The Burning Girl: A Novel W. W. Norton & Company

A Los Angeles Times Book Prize Finalist "[A] masterwork of psychological fiction.... Messud teases readers with a psychological mystery, withholding information and then cannily parceling it out." —Chicago Tribune Julia and Cassie have been friends since nursery school. They have shared everything, including their desire to escape the stifling limitations of their birthplace, the quiet town of Royston, Massachusetts. But as the two girls enter adolescence, their paths diverge and Cassie sets out on a journey that will put her life in danger and shatter her oldest friendship. *The Burning Girl* is a complex examination of the stories we tell ourselves about youth and friendship, and straddles, expertly, childhood's imaginary worlds and painful adult reality—crafting a true, immediate portrait of female adolescence. Claire Messud, one of our finest novelists, is as accomplished at weaving a compelling fictional world as she is at asking the big questions: To what extent can we know ourselves and others? What are the

stories we create to comprehend our lives and relationships? Brilliantly mixing fable and coming-of-age tale, *The Burning Girl* gets to the heart of these matters in an absolutely irresistible way. *The Burning Girl* was named one of the best books of the year by the Los Angeles Times, San Francisco Chronicle, Vogue, NPR, Financial Times, Town & Country, Kirkus Reviews, Publishers Weekly, Refinery29, and Literary Hub.

I Really Didn't Think This Through

Tales from My So-Called Adult Life HarperCollins

Armed with her beloved illustrations, popular Instagram artist Beth Evans (197k followers) tackles a range of issues—from whimsical musings to deeply personal struggles—in this imaginative anti-guide to being your own person. Welcome To Adulthood! Hey, wait—where are you going...? Did you ever wish your best friend—the person you would trust with your innermost secrets, the person whose wisdom and comfort you seek in times of stress or self-doubt—could draw? Popular Instagram illustrator, Beth Evans, has made a name for herself writing comics and sharing her personal experiences on life as she enters and navigates adulthood. Her ability to find humor in common situations around love, social anxieties, depression and work has created a cult-like following from her 217k Instagram fans. Like *Mindy Kaling meets Hyperbole and a Half*, *I Really Didn't Think This Through* gets at the heart of what makes life both so challenging and so joyful—figuring out how to be a person in the world. This book is a compendium of Beth's collected wisdom and stories, interwoven with her tremendously

popular and loveable illustrations. The book is a wonderful mix of fun (playful meditations on the band Rush and international pen-pals) and thoughtful (Beth delves into her personal history with obsessive compulsive disorder and depression while commiserating on topics like dating and credit card shame) all with a simple candor that anyone from a teen to their grandparent can relate to. Through all of her experiences, Beth manages to extract valuable lessons, and the book is replete with friendly advice about caring for yourself, getting help no matter what your problems are, and embracing what makes you happy. Beth is a compelling storyteller, her drawings picking up where her words leave off, creating an approachable and immersive experience for the reader. Beth's work feels like a hug from your best friend. And like a best friend, she's here to say "You got this!"

My So-Called Phantom Lovelife
Bonnier Publishing Fiction Ltd.

Boyfriend troubles? Try dating a ghost! When fourteen-year-old Skye Thackery meets Owen Wicks, it's not exactly love at first sight. She's getting over a broken heart and he's, well, a ghost. But as Skye gets to know him, she can't help wondering what it would be like to kiss him. Dating a ghost isn't easy, and things get worse when Owen declares he's found a way to stay with Skye for ever. His plans make her uneasy - the shadowy organisation which claims to be able to help him is bad news, and it seems Nico, her ex, is involved too. As Owen prepares to risk everything, Skye begins to wonder if she really has a future with him, or if his desire to be more than just a ghost will cost them everything?

My So-called Digital Life

2,000 Teenagers, 300 Cameras, and 30 Days to Document Their World
Santa Monica PressLlc

Collects the best work from a project in which two thousand high school and middle school students from all backgrounds in California were given cameras and one month to document their daily lives.

Life *Little, Brown*

The #1 New York Times bestselling autobiography of the guitarist, songwriter, singer, and founding member of the Rolling Stones. Ladies and gentlemen: Keith Richards. With The Rolling Stones, Keith Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in "Jumping Jack Flash" and "Honky Tonk Women." His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patti Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and Xpensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richards brings us the story of a life we have all longed to know more of, unfettered, fearless, and true.

The Courage to Go On: It's Called

Life *Paul Lane*

What can a Brooklyn street kid without formal high school and college education teach you about life? Simply put: everything.

In My Humble Opinion**My So-Called Life** *ECW Press*

A smart, engaging investigation of the show that brought real teens to TV *My So-Called Life* lasted only 19 episodes from 1994 to 1995, but in that time it earned many devoted viewers, including the showrunners who would usher in the teen TV boom of the late 1990s and the new millennium. With its focus on 15-year-old Angela Chase's search for her identity, *MSCL*'s realistic representation of adolescence on TV was groundbreaking; without her there would be no *Buffy* or *Felicity*, *Rory Gilmore* or *Veronica Mars*. The series' broadcast coincided with the arrival of third-wave feminism, the first feminist movement to make teen voices a priority, and Angela became their small-screen spokesperson. From her perspective, *MSCL* explored gender, identity, sexuality, race, class, body image, and other issues vital to the third wave (and the world). To this day, passionate fans dissect everything from what *Rickie Vasquez* did for gay representation to what *Jordan Catalano* did for leaning, and *Soraya Roberts* makes an invaluable contribution to that conversation with *In My Humble Opinion*.

Unruly Girls, Unrepentant Mothers**Redefining Feminism on Screen** *University of Texas Press*

Since the 1990s, when *Reviving Ophelia* became a best seller and "Girl Power" a familiar anthem, girls have assumed new

visibility in the culture. Yet in asserting their new power, young women have redefined femininity in ways that have often mystified their mothers. They have also largely disavowed feminism, even though their new influence is a likely legacy of feminism's Second Wave. At the same time, popular culture has persisted in idealizing, demonizing, or simply erasing mothers, rarely depicting them in strong and loving relationships with their daughters. *Unruly Girls, Unrepentant Mothers*, a companion to *Kathleen Rowe Karlyn's* groundbreaking work, *The Unruly Woman*, studies the ways popular culture and current debates within and about feminism inform each other. Surveying a range of films and television shows that have defined girls in the postfeminist era—from *Titanic* and *My So-Called Life* to *Scream* and *The Devil Wears Prada*, and from *Love and Basketball* to *Ugly Betty*—*Karlyn* explores the ways class, race, and generational conflicts have shaped both Girl Culture and feminism's Third Wave. Tying feminism's internal conflicts to negative attitudes toward mothers in the social world, she asks whether today's seemingly materialistic and apolitical girls, inspired by such real and fictional figures as the Spice Girls and *Buffy the Vampire Slayer*, have turned their backs on the feminism of their mothers or are redefining unruliness for a new age.

My So-Called Freelance Life**How to Survive and Thrive as a Creative Professional for Hire** *Seal Press*

Shares uplifting tips and advice for women seeking to embark on a freelance career, in a guide for business professionals of all experience levels

that also offers counsel on how to balance a working life with family responsibilities. Original.

My So-Called Life

The Tragically Normal Diary of Rachel Riley *OUP Oxford*

Not suitable for younger readers.

So Here's the Thing . . .

Notes on Growing Up, Getting Older, and Trusting Your Gut *Twelve*

From the New York Times bestselling author of *Who Thought This Was a Good Idea?* comes a fun, frank book of reflections, essays, and interviews on topics important to young women, ranging from politics and career to motherhood, sisterhood, and making and sustaining relationships of all kinds in the age of social media. Alyssa Mastromonaco is back with a bold, no-nonsense, and no-holds-barred twenty-first-century girl's guide to life, tackling the highs and lows of bodies, politics, relationships, moms, education, life on the internet, and pop culture. Whether discussing Barbra Streisand or *The Bachelor*, working in the West Wing or working on finding a wing woman, Alyssa leaves no stone unturned...and no awkward situation unexamined. Like her bestseller *Who Thought This Was a Good Idea?*, *SO HERE'S THE THING...* brings a sharp eye and outsize sense of humor to the myriad issues facing women the world over, both in and out of the workplace. Along with Alyssa's personal experiences and hard-won life lessons, interviews with women like Monica Lewinsky, Susan Rice, and Chelsea Handler round out this modern woman's guide to, well, just about everything you can think of.

The Book of Life *Applewood Books*

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: *The Book of the Mind* covers such subjects as faith, reason, morality, and the subconscious. Part Two: *The Book of the Body* develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures.

White Fragility

Why It's So Hard for White People to Talk About Racism *Beacon Press*

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

This Is Not the Jess Show *Quirk Books*
 “A fantastically smart, funny, and thoughtful thriller.”—Nicola Yoon, #1 New York Times best-selling author of *Everything, Everything* and *The Sun Is Also a Star* The year is 1998: Titanic just won six Oscars, boy bands are dominating MTV’s airwaves, and like any other teenager Jess Flynn is just trying to survive high school. Between a crush on her childhood best friend, overprotective parents, and her sister’s worsening health, the only constant is her hometown of Swickley, which feels smaller by the day. Jess is resigned to her small-town life, until the day she discovers a mysterious device with an apple logo, causing her to question everything and everyone she’s ever known. As more cracks appear in Jess’s world, she faces a choice: can she live the rest of her life knowing it’s a lie, or should she risk everything for the truth? A fast-paced, mind-bending YA thriller packed with ‘90s pop culture references and perfect for fans of *Riverdale*, *This Is Not the Jess Show* will keep readers guessing until the very end. Now with an excerpt from the explosive and thrilling conclusion, *This Is Not the Real World*!

Go Ask Alice *Simon and Schuster*

A fifteen-year-old drug user chronicles her daily struggle to escape the pull of the drug world.

Alphabet City: My So-Called Sitcom Life

Moving from Dallas to Manhattan in his late 20s, Jon Paul fancied himself a gay Mary Tyler Moore starring in a sitcom of his life called Alphabet City. A series of publicity jobs created madcap storylines, including a mishap with Whoopi Goldberg's Oscar, a mistaken identity as Tyra Banks' Turkish boy-toy, and

finishing school lessons in the gossip halls of Cond Nast. Unlike snarky tell-alls, Alphabet City maintains a Texas-sized optimistic spirit about life in the Big Apple, with guest appearances from Cameron Diaz, Gloria Estefan, Teri Hatcher, Derek Jeter, Ashley Judd, Rosie O'Donnell, Graham Norton, and Vanessa Williams. Following Jon Paul's journey from naive Southerner to wizened New Yorker, Alphabet City combines the glamour of *Sex and the City* with the warmth of *Tales of the City*, and taps into America's fascination with the world of celebrities. In the end, just like Mary, Jon Paul discovers he's going to make it after all.

Go the Fk to Sleep** *Open Road Media*

The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can’t go to the bathroom. You know where you can go? The f**k to sleep.” *Go the Fuck to Sleep* is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

Top Five Regrets of the Dying

A Life Transformed by the Dearly Departing *Hay House, Inc*

Revised edition of the best-selling memoir that has been read by over a

million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

I Can Do This Thing Called Life: And So Can You! *Wisewoman Press*

This book is about you, getting to know yourself for who you really are and learning how to see all the good there is for you already in place. It is an invitation to look at yourself and your life

and see all the wonder and magnificence. Are you ready? Is your life ready for a MAJOR CHANGE At last, a readable semi-autobiographical book outlining 'religious science based life plans' in the areas of HEALTH, WEALTH, CAREER, RELATIONS and more! DePalma bares her soul to reveal how she climbed out of the 'dark' valley into a life filled with glowing success. READ THIS BOOK - --and start your own climb---you can do it too! Walter J. Peach, Ph.D., Religious Science Practitioner (retired) If you would like to improve the quality of your life, then this book will guide you down the path of "self discovery" showing you step by step how to achieve the life that you want. Exposing her vulnerability and sharing with you how she transformed her life is a genuine blessing to every reader. You will surely relate too many of her life challenges, how she moved through them and how you can too. The book includes numerous tools and exercises that you can use to speed up your transformation. I highly recommend that you take up Cath's challenge. Go ahead and say it, "I'll show you!" Bruce I. Doyle, Ph.D. Former GE Executive, President of Growth Dynamics Coaching.

Soap! the Inside Story of the Sitcom That Broke All the Rules *BearManor Media*

This is the story of two sisters, Jessica Tate and Mary Campbell, and the world that their two families made. From its tumultuous beginnings in 1977 to its end by firing squad, onscreen and off, Soap was as passionate and controversial as the times in which it was made. During its four-year run, it tackled the subjects of sex, death, depression, infidelity, family, and the absurdities of the human condition, all with a wit and gentleness never before seen on American screens. Throughout that time, a vocal minority hounded the sitcom and its parent network, ABC, over its perceived irreverence toward the mores of a declining generation, even as the real world was convulsed by terrorism, energy crises and fallout from the Vietnam conflict and Watergate. Though continued pressures from these groups would bring about an early end to the series, its cast and crew would go on to change the face of American entertainment, earning Soap an enduring place in American culture. Go behind the scenes of the making of this classic show, from the producers' battles with network censors over an earlier series to the creation of enduring story lines, such as the death of Peter Campbell and Corinne and Tim's devil baby. Based on interviews with nearly

thirty members of the cast and crew, including creator Susan Harris, Katherine Helmond (Jessica) and directors Jay Sandrich and J. D. Lobue, and awash with extensive examination of every episode. Discover the answer to the question of what really led to the series' premature demise.

Aftershocks

A Memoir *Simon & Schuster*

In the tradition of *The Glass Castle*, a deeply felt memoir from Whiting Award-winner Nadia Owusu about the push and pull of belonging, the seismic emotional toll of family secrets, and the heart it takes to pull through. A Most-Anticipated Selection by * The New York Times * Entertainment Weekly * O, The Oprah Magazine * New York magazine * Vogue * Time * Elle * Minneapolis Star Tribune * Electric Literature * Goodreads * The Millions * Refinery29 * HelloGiggles * Young Nadia Owusu followed her father, a United Nations official, from Europe to Africa and back again. Just as she and her family settled into a new home, her father would tell them it was time to say their goodbyes. The instability wrought by Nadia's nomadic childhood was deepened by family secrets and fractures, both lived and inherited. Her Armenian American mother, who abandoned Nadia when she was two, would periodically reappear, only to vanish again. Her father, a Ghanaian, the great hero of her life, died when she was thirteen. After his passing, Nadia's stepmother weighed her down with a revelation that was either a bombshell secret or a lie, rife with shaming innuendo. With these and other ruptures, Nadia arrived in New York as a young woman feeling stateless, motherless, and uncertain about her

future, yet eager to find her own identity. What followed, however, were periods of depression in which she struggled to hold herself and her siblings together. *Aftershocks* is the way she hauled herself from the wreckage of her life's perpetual quaking, the means by which she has finally come to understand that the only ground firm enough to count on is the one written into existence by her own hand. Heralding a dazzling new writer, *Aftershocks* joins the likes of *Don't Let's Go to the Dogs Tonight* and William Styron's *Darkness Visible*, and does for race identity what Maggie Nelson does for gender identity in *The Argonauts*.

In Love

A Memoir of Love and Loss *Random House*

NEW YORK TIMES EDITORS' CHOICE • This powerful memoir by New York Times bestselling author Amy Bloom is an illuminating story of two people whose love leads them to find a courageous way to part—and of a woman's struggle to go forward in the face of loss. "What a book this is—full of everything that matters . . . gripping, moving, and beautifully told."—Meg Wolitzer, author of *The Female Persuasion* ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, BookPage Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly,

it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love.

My So-Called Life as a Submissive Wife *Harvest House Publishers*

Can a modern wife be submissive to her husband? Horn takes on one of the most widely debated subjects for a Christian wife: marital submission. Can a happily married couple live out the biblical model of submission and be the better for it? Horn's discoveries may surprise you. She challenges women to throw out their preconceived notions of what a submissive wife looks like, and seek fresh leading from God for their lives and marriages today.
