History was the first section established within RUSA and is the only group within the American Library Association devoted to the discipline of history. Reflecting the Section's broad representation, its objectives are to identify common problems and to recommend solutions that can enhance service to users. Through its programs, committees, and projects, the Section helps to improve the materials and methods for historical reference and research services. History Section Brochure

History Section - American Library Association

Depends which old days you mean, 80 years ago there was food rationing and you couldn't put on weight even if you wanted to. People certainly worked harder as there was less machinery, and there was less in the way of 'convenience' foods (fast food) full of strange additives like HFCS that screw up the body's chemistry.
