The Security Dilemma in Alliance Politics

The two countries' alliance security dilemma with the U.S., however, is not derived from the mere presence or absence of external threats. Instead, it is

a product of: (1) the regional security environments along with U.S. security commitment to the two countries, (2) the type of alliance institutions to which each country belongs, and (3) the characteristics of their military institutions"--

Alliance Security Dilemmas in the Iraq War: German and ...

Some scholars of international relations have argued that the security dilemma is the most important source of conflict between states. They hold that in the international realm, there is no legitimate monopoly of violence—that is, there is no world government—and, as a consequence, each state must take care of its own security.
