Air Law - EASA Exam Preparation (1000+ Questions)

Aviation law is the branch of law that concerns flight, air travel, and associated legal and business concerns. Some of its area of concern overlaps that of admiralty law and, in many cases, aviation law is considered a matter of international law due to the nature of air travel. However, the business aspects of airlines and their regulation also fall under aviation law. In the international realm, the International Civil Aviation Organization provides general rules and mediates international co

Aviation law - Wikipedia

If ordinary law-abiding people are to feel that their society is strong enough to protect them from criminals, then they have to have a system of law enforcement which they feel confident about. That means that they have to trust the police to catch criminals; and they have to trust the courts to punish people who break the law, to release people who obey the law, and to know the difference ...
