At first I wasn't so sure on this book, the whole idea that Dank had to win Pagan all over again, it felt like a story rehash. And you know how I hate love triangles.

I do love how Abbi switches from one character to the next in the chapters so you can see the story from all points of view. I think Pagan is a great protagonist and isn't a pathetic so and so like some in other YA books. You can't help but love Dank. I love Abbi Glines, she is a fantastic author with a knack for storytelling.
