High Need Baby Personality Profile: How to Get Through It

What life looks like when your high needs baby grows into a high needs toddler. My daughter Erinn was the poster child for what child behavior expert Dr. William Sears has coined a "high needs baby." She woke frequently at night until about the 11-month mark, napped inconsistently and for very short spurts, refused to sit in bouncery chairs or other made-for-baby contraptions, angrily and ...

High Needs Toddler - What to Expect

Dr Sears was blessed with a high need child after having 3 boys, who made him wonder was the big deal about kids was because they were so easy. I myself was an easy baby, who quickly slept through the night and would fall asleep while playing if I felt I needed a snooze.
