the politics of inequality -

edureff.skeltonparish.co.uk

Social inequality results from a society organized by hierarchies of class, race, and gender that unequally distributes access to resources and rights. It can manifest in a variety of ways, like income and wealth inequality, unequal access to education and cultural resources, and differential treatment by the police and judicial system, among others.

The Sociology of Social Inequality - ThoughtCo

Political inequality is structured differences in the distribution of political resources . According to this definition, one group has greater or lesser access to, or acquisition of, political resources than another group. Political equality is

when everybody's preferences are equally weighted in political decisions.

Social inequality usually implies the
lack of equality of outcome, but may
alternatively be conceptualized in terms
of the lack of equality of access to
opportunity. The social rights include
labor market, the source of income,
health care, and freedom of speech,
education, political representation, and
participation.
