Synchronicity - Meaningful Coincidences or pure chance?!

The term “synchronicity” is often used rather loosely as a synonym for coincidence. As in, events that trigger the exclamation “What a coincidence!” or “What are the chances?” Usually, such coincidences seem to have some kind of inherent meaning – even if we don’t know what it is at the time.

Synchronicity & the Hidden Meaning of Coincidences

A synchronicity is a "meaningful coincidence", but it is so much more than that. A synchronicity can be defined as two or more events that are not connected by the usual linear 'cause and effect' and are unlikely to happen by chance, yet occur or connect together in a meaningful way; it is the connection of an internal event with an external event. When a synchronicity happens it can bring with it a strange and unusual feeling or sensation, and it can also bring excitement, curiosity and ...
