Recovering Our Sanity

How the Fear of God Conquers the Fears that Divide Us *Zondervan*

How cultivating a healthy fear of God liberates us from our fear of others, our fear of the future, and even our fear of death itself. At times the world feels like it's losing its mind. From politics to the pandemic, we live with an ever-increasing uncertainty, and many of us have grown to fear the rapid disintegration of our society and our own lives. *Recovering Our Sanity* is not another self-help book about how to beat your daily fears for a better life. It's a book that will show you the gravity and glory of a God who's worthy of our fear. It's a book that will reveal how these two biblical phrases—Fear God and Do Not Be Afraid—are not contradictory but actually one coherent message. Michael Horton—Professor of Theology and Apologetics at Westminster Seminary—shows us that we cannot fight our fears by seeking the absence of fear altogether, but by living with a fear of God that drives out the fear of everything else. Horton will walk you through the case for the fear of God by: Developing what it means to fear God, biblically and theologically, and what this kind of fear looks like in practice. Categorizing different types of fears—from cultural anxiety to pain and hardship—and what they stem from. Focusing on how to confront our earthly fears with our hope in Christ, rooted in the gospel. Reminding us that God does not exist for us; we exist for God. Humbling, thought-provoking, and hope-igniting, *Recovering Our Sanity* delivers a timely message that will help you shift your focus from a human-centered obsession with self-preservation to a fixation on Christ and his salvation. Rather than clinging to false securities and promises of immediate gratification, you can gain the lasting joy of knowing the One who has given himself to save us and who says to us, "Do not be afraid."

Cry of the Hunter *Open Road Media*

From the New York Times–bestselling author of *The Eagle Has Landed*: A hero of the IRA must turn on his own people to save his country. Martin Fallon is a legend. After joining the IRA he shot up the ranks in the fight against the Brits in Northern Ireland with his tactical brilliance and devotion. Then, after a daring escape from prison, he simply disappeared. And that’s the way he wants it to stay. After years of hiding from the world in his books and the bottle, he thinks he’s out. He’s wrong. The IRA wants him to break Patrick Rogan, a high-ranking Ulster rebel, out of prison. Fallon reluctantly agrees, and soon finds himself swept back into the Troubles. But in his absence, the IRA has changed. Gone are those who wanted freedom, replaced by those like Rogan—bloodthirsty psychopaths who want nothing but power. And now Fallon must bring his own legend to life in order to bring them down. In one of his earliest works, Jack Higgins puts on display the absolute mastery of the thriller genre that would earn him a place among the most respected novelists of the twentieth century. *Cry of the Hunter* is the 1st book in the Martin Fallon Novels, but you may enjoy reading the series in any order.
