The 2018 edition of The Investment Trust Handbook was the first in what will hopefully be a long-running series. It came out almost a year ago now but the good news is that it is available a free download. In fact, it's one of a number of free ebooks made available by Harriman House. The 2019 edition should be published on 10 December 2018.

Investment trusts, unlike unit trusts, can borrow money to buy shares, which is known as gearing. This extra buying potential can produce gains in rising markets but also accentuate losses in falling markets.

Investment trusts generally have more freedom to borrow than unit trusts that can be sold to the general public.
