Responsibility vs. Accountability - Culture Management Experts

In the absence of a culture of accountability and organizational integrity no one will bear the responsibility or feel embarrassed by their wrongdoings while corruption would get further aggravated. But one must remember that penalty for corruption cases is severe and costs to families' ripple effect through generations to come.

Cultivating Accountability And Transparency During Covid ...

According to Robert Klitgaard's formula: $C = M + D - A$. Corruption equals monopoly plus discretion minus accountability. One will tend to find corruption happens when an organisation or person has monopoly power over a good or service, has the discretion to decide who will receive it and how much that person will get, and is not accountable.

Cultivating accountability and transparency during Covid ...

In the process these systems of accountability should increase the pressure for more transparent local governance, in which corruption will be easier to bring to light and thus to curtail. But just as it took many decades for such efforts to make much headway in the industrial countries, so too quick results cannot be expected elsewhere.

Accountability, Transparency and Corruption in ...

Although not a panacea, multi-stakeholder processes – involving

representatives from civil society, government and the private sector – are increasingly viewed by donors as a means to promote accountability and address corruption- related challenges in natural resource management (Søreide and Truex 2011).
