Although the K13 remains in production in certain markets even today, Nissan unveiled a carefully redesigned Micra, known as the K14, at the Paris Motor Show in 2016. It shares most of its underpinnings with its predecessor, but the body panels are all new, and customers get a wide array of customization options to choose from. The most notable addition to the K14 is something called trace ...

Nissan Micra K13 - Service schedule. I purchased a used Nissan Micra K13 last year which was first registered February 2012 and was serviced by the garage that I purchased it from just before I picked it up at 20/03/13. It is now due for its second service and the mileage is 25,000. I intend taking the car to a garage which is more local to where I live (after getting a quote for the work).
