Nearly 4,000 years ago in Egypt, Nofret, the beautiful concubine, was murdered. The possible murderers in the master's family were the next to die.

Death Comes to the Rectory *Kensington Books*

Murder casts a dark shadow over the christening of Lady Lucy and Major Sir Robert Kurland's daughter Elizabeth—even more so when Lucy's own father, the rector, falls under suspicion for the crime . . . Lucy and Robert's joy in christening their new daughter, surrounded by extended family and loved ones who have gathered in the village of Kurland St. Mary, is only enhanced when Robert's aunt Rose—now the second wife of Lucy's father Ambrose—announces that she is with child. However, not everyone is happy about the news, in particular Rose's adult daughter Henrietta and her husband, who fear for their inheritance. Following the christening, Rose's disagreeable son-in-law Basil Northam threatens to turn afternoon tea in the rectory into an unsightly brawl. The next morning, he is found in the rector's study, stabbed through the heart with an antique letter opener, clutching a note that appears to implicate the rector himself. As the local justice of the peace, Robert has an obligation to remain unbiased in his investigation of the ghastly crime, even though his prime suspect is a man of the cloth and his wife's father. But Lucy is under no such obligation. As snow traps the members of the christening party in Kurland St. Mary, she vows to clear her father's name and bring the cold-blooded culprit to justice. Someone had better start saying their prayers . . .

Death Comes in Yellow *Routledge*

Death Comes in Yellow presents the history of one slave labor camp in order to shed light on all aspects of the slave labor camps established in Poland under German occupation. Hasag-Skarzysko was one of hundreds of camps scattered throughout occupied Poland. They were distinguished by size, the nationality of the prisoners, their location, the date of their establishment, and the authority in charge. The large number of labor camps reflected the German policy of exploiting the work forces of the occupied countries. These camps were part of a Europe-wide system of forced labor. The first part of this volume reviews the external history of the camp. The second section, which studies the internal workings of the camp, is quite different in approach and includes an analysis of prisoner society and a moving description of the individual prisoner's struggle to survive.

Death Comes for the Archbishop *U of Nebraska Press*

Death Comes for the Archbishop sprang from Willa Cather's love for the land and cultures of the American Southwest. Published in 1927 to both praise and perplexity, it has since claimed for itself a major place in twentieth-century literature. The narrative follows Bishop Jean Latour and Father Joseph Vaillant, friends since their childhood in France, as they organize the new Roman Catholic diocese of Santa Fe subsequent to the Mexican War. While seeking to revive the church and build a cathedral in the desert, the clerics, like their historical prototypes, Bishop Jean Laury and Father Joseph Machebeuf, face religious corruption, natural adversity, and the loneliness of living in a strange and unforgiving land. The historical essay traces the artistic and spiritual development that led to its writing. The broad-ranging explanatory notes illuminate the elements of French, Mexican,

Hispanic, and Native American cultures that meet in the course of the narrative, they also explain the part played by the land and its people - their history, religion, art, and languages.

A Man For All Seasons *A&C Black*

A Man for All Seasons dramatises the conflict between King Henry VIII and Sir Thomas More. It depicts the confrontation between church and state, theology and politics, absolute power and individual freedom. Throughout the play Sir Thomas More's eloquence and endurance, his purity, saintliness and tenacity in the face of ever-growing threats to his beliefs and family, earn him status as one of modern drama's greatest tragic heroes. The play was first staged in 1960 at the Globe Theatre in London and was voted New York's Best Foreign Play in 1962. In 1966 it was made into an Academy Award-winning film by Fred Zinneman starring Paul Scofield. "A Man for All Seasons is a stark play, sparse in its narrative, sinewy in its writing, which confirms Mr Bolt as a genuine and solid playwright, a force in our awakening theatre." (Daily Mail)

Death Comes by Mail

Death Comes to the Nursery *Kensington Books*

Delighted by the quiet uproar of raising their newborn, Lady Lucy and Major Sir Robert Kurland could not be more pleased at the prospect of welcoming another into their home. But their preparations are soon overshadowed by a baffling case of murder . . . Once known to all in her village as the rector's daughter, Lucy is now a mother herself—to a wonderful eighteen-month-old son, Ned. Upon discovering that she is expecting a second child, Lucy and Robert are delighted. In anticipation of the new arrival, Lucy is set on expanding her nursery staff. When Agnes, her current nurse, recommends her cousin, it seems like the perfect solution. But trouble arrives along with the new nursery maid from London. Polly's flirtations provoke fisticuffs in the servants' hall and tumult in the village tavern, and on her afternoon off, she fails to return to the Kurland Estate. When a farmer finds her lifeless body in a drainage ditch, Lucy and Robert fear foul play. To their consternation, they learn their new nursery maid was not who they thought. As Lucy's sister Anna leaves the rectory and moves in to watch over Ned, the couple's search for the truth leads them to the London theater world, where aristocrats purchase their mistresses, and into danger. But the real threat strikes all too close to home . . .

Death Comes for the Archbishop

Large Print

There is something epic-and almost mythic-about this sparsely beautiful novel by Willa Cather, although the story it tells is that of a single human life, lived simply in the silence of the desert. In 1851 Father Jean Marie Latour comes as the Apostolic Vicar to New Mexico. What he finds is a vast territory of red hills and tortuous arroyos, American by law but Mexican and Indian in custom and belief. In the almost forty years that follow, Latour spreads his faith in the only way he knows-gently, although he must contend with an unforgiving landscape, derelict and sometimes openly rebellious priests, and his own loneliness. One of these events Cather gives us an indelible vision of life unfolding in a place where time itself seems suspended.

We too often go through life believing that we are the only ones experiencing pain and frustration. Death Comes to the Maiden

Sex and Execution 1431-1933 *Routledge*

In 1791, the French femme de lettres Olympe de Gouges wrote that 'as women have the right to take their places on the scaffold, they must also have the right to take their seats in government'. This book explores the issues of female emancipation through the history of female execution, from the burning of Joan of Arc in 1431 to the events of the French revolution. Concentrating on individual victims, the author addresses the sexual attitudes and prejudices encountered by women condemned to death. She

examines the horrific treatment of those denounced as witches and reveals the gruesome reality of death by hanging, burning or the guillotine. In an attempt to uncover the historical truth behind such figures as Joan of Arc, Anne Boleyn, Manon Roland and Charlotte Corday, she goes beyond biography to consider their deaths in symbolic terms. She also considers writers such as Genet, Yourcenar and Brecht and their treatment of the tragic, sacrificial and erotic aspects of female execution.

Death Comes Knocking

Policing Roy Grace's Brighton *Pan Macmillan*

Fans of Peter James and his bestselling Roy Grace series of crime novels know that his books draw on in-depth research into the lives of Brighton and Hove police and are set in a world every bit as gritty as the real thing. His friend Graham Bartlett was a long-serving detective in the city once described as Britain's 'crime capital'. Together, in *Death Comes Knocking*, they have written a gripping account of the city's most challenging cases, taking the reader from crime scenes and incident rooms to the morgue, and introducing some of the real-life detectives who inspired Peter James's characters. Whether it's the murder of a dodgy nightclub owner and his family in Sussex's worst non-terrorist mass murder or the race to find the abductor of a young girl, tracking down the antique trade's most notorious 'knocker boys' or nailing an audacious ring of forgers, hunting for a cold-blooded killer who executed a surfer or catching a pair who kidnapped a businessman, leaving him severely beaten, to die on a hillside, the authors skilfully evoke the dangerous inside story of policing, the personal toll it takes and the dedication of those who risk their lives to keep the public safe.

God and Human Dignity *Wm. B. Eerdmans Publishing*

The concept of human dignity has been stripped from its traditional context in Christian thought, becoming "a moral trump frayed by heavy use," but a compelling alternate vision has not yet emerged. *God and Human Dignity* offers a fresh restatement of the nature and scope of human dignity in Christian perspective. Theologians, ethicists, and biblical scholars from around the world here examine the dimensions of human worth in the light of sacred Scripture, doctrine, and ecclesial practice. In contrast to modernity's often monochromatic accounts of human dignity in terms of freedom or rationality, these essays argue that human dignity in Christian perspective is a "many-splendored thing" reflecting humanity's participation in the divine drama of creation, redemption, and new creation. Representing disciplines across the academic spectrum, the essays in *God and Human Dignity* offer systematic and scriptural perspectives on human dignity that connect to a host of pressing contemporary issues. The Daily Stoic

366 Meditations on Wisdom, Perseverance, and the Art of Living *Penguin*

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Appointment with Death

Stop Blaming Adam *Aspect Books*

DEATH. It's all around us and no one can escape it. Sometimes it doesn't seem fair that we have to live with the results of one man's choice long ago in the Garden of Eden. In this book you will explore why Adam ate from the forbidden tree and you will embark upon a journey to an amazing truth. We tend to blame Adam for our "appointment with death," but we must remember that the choice is ultimately ours to make. In this world of pain, suffering, and death we must learn to look to God as our Sustainer and thus we can appreciate all the more the sacrifice of His Son to save us. In addition to humanity's appointment with death, this book also shares words of wisdom gained through many years of living and having faith in God through it all. Always remember to "take off fear and put on courage" and know that "your worth does not come from another person—it comes from your Creator." He is there to lead you on this journey. Finally, this experience is not only about what God shares with us, but what we can give back to Him. Sometimes we give money, sometimes we give things, and sometimes we give ourselves. All are important to God.

Death Comes to Bath *Kensington Books*

An English spa town is not beneficial to everyone's health in this Regency-era mystery by the author of *Death Comes to the School*. After Major Sir Robert Kurland's injury from the battle of Waterloo begins troubling him again, his wife Lady Lucy insists they relocate from the village of Kurland St. Mary to Bath, along with her sister Anna, so that Robert can take the waters and recover. At the Roman baths, Robert befriends an elderly and pugnacious businessman, Sir William Benson, ennobled by the Crown for his service to industry. Their acquaintance is short-lived, however, when the man is found drowned in the baths. Robert vows to find his killer, with Lucy's aid. The members of Sir William's family seem the most obvious suspects to benefit from the wealthy man's death, but his will has gone missing. To deduce who sent Sir William to a watery grave, Robert and Lucy must investigate with the utmost discretion—before they too find themselves in over their heads... Praise for *Death Comes to Bath* "Well-crafted.... The couple's complementary investigative skills shine in a plot that balances colorful characters and lively action."—Publishers Weekly "An amusing combination of Regency mores, romantic aspirations, and a clever mystery makes this one of Lloyd's best."—Kirkus Reviews

Grieving Grace *Createspace Independent Pub*

Grieving Grace is penned with pain as words bleed from heart to page. Doug writes about the death march with his family as they spend sleepless nights and tearful days by the bedside of their dying mother. Death comes to us all; we have that in common. But the way it comes is as unique as you. And death comes in its own time. For those who are afforded the foreknowledge of its coming there is a process that takes place within a person and they begin to understand the reality of their own mortality. During this process people begin to withdraw from this world as they prepare to enter the next. Experience what takes place from both sides of the bed as Grieving Grace shares: "This part of our story was written two weeks before our mother's home going. It represents what often takes place prior to death. As you read notice the different manifestations common within the process of withdrawal." Grieving Grace shares real life stories as they happen and answers tough questions like: How do you say good-bye? How do you tell her she's dying? What do kids know about going? What are the five W's of withdrawal? What common symptoms accompany the dying? What happens in the final weeks, days and hours? Death's constant companion is grief and its home looks like an endless tunnel dark and deep. But it's no place to call home-only a place to travel through. There is an exit to grief's dark tunnel and you can find it. These stories, although sown in sorrow, provide comfort and hope for those traveling through the dark days of grief. Grieving Grace written in grief reaps a harvest of relief.

What Christians Ought to Believe

An Introduction to Christian Doctrine Through the Apostles' Creed *Zondervan Academic*

Modern Christians have often hesitated to embrace the ancient creeds because of our "nothing but the Bible" tradition. In *What Christians Ought to Believe* Michael Bird opens our eyes to the possibilities of the Apostle's Creed as a way to explore and understand the basic teachings of the Christian faith. Bringing together theological commentary, tips for application, and memorable illustrations, *What Christians Ought to Believe* summarizes the basic tenets of the Christian faith using the Apostle's Creed as its entryway. After first emphasizing the importance of creeds for the formation of the Christian faith, each chapter, following the Creed's outline, introduces the Father, the Son, and the Spirit and the Church. An appendix includes the Apostles' Creed in the original Latin and Greek. *What Christians Ought to Believe* is ideally suited for both the classroom and the church setting to teach beginning students and laypersons the basics of what Christians ought to affirm if they are to be called Christians.
