Alice Walker's Short Story "Everyday Use" *GRIN Verlag*

Seminar paper from the year 2011 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 2,0, University of Passau, language: English, abstract: This term paper provides the concept of a teaching unit concerning the short story Everyday Use by Alice Walker. Apart from the different analyses there should also be given an overview of recommendations and possibilities that could be used for creating a

teaching unit. *Everyday Use* was published in 1973 and is basically about a black mother and her two daughters. Whereas one daughter, Dee, had the possibility to go to school and visit college, Maggie, the younger daughter, still lives with her mother and did not enjoy higher education. One day, Dee, who is accompanied by her boyfriend, visits her mother and her sister at her old home. As the story continues it becomes clear that obvious differences have developed between the opinions of Dee and her mother alternatively her sister.

A Study Guide to Alice Walker's *Everyday Use* *Gale, Cengage Learning*
A Study Guide to Alice

Walker's *Everyday Use*, excerpted from Gale's acclaimed *Short Stories for Students* series. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Short Stories for Students* for all of your research needs.

In Love & Trouble

Stories of Black Women *Open Road Media*

Short fiction about the female experience from the New York Times–bestselling author of *The Color Purple*, “one of the best American writers of today” (The

Washington Post). Here are stories of women traveling with the weight of broken dreams, with kids in tow, with doubt and regret, with memories of lost loves, with lovers who have their own hard pasts and hard edges. Some from the South, some from the North, some rich and some poor, the characters that inhabit *InLove & Trouble* all seek a measure of self-fulfillment, even as they struggle with difficult circumstances and limiting social conventions. The stories that make up Alice Walker's debut short fiction collection reflect her tenacious commitment to face brutal and sometimes melancholy truths while also illuminating the ways in which the courageous pursuit of

love brings hope to even the most harrowing lives. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

Everyday Use

The Quilt in the Short Story "Everyday Use" by Alice Walker as a Symbol for the Appreciation of the Heritage of African-American People
GRIN Verlag

Essay from the year 2017 in the subject English Language and Literature Studies - Literature, grade: -, Bielefeld University (Fakultät für Linguistik und Literaturwissenschaft), language: English, abstract: This essay

deals with the short story "Everyday Use" by Alice Walker, which was first published in 1973 as a part of the short story collection "In Love and Trouble". The short story contains many symbols, one of them a handmade quilt, which the two sisters Maggie and Dee (or "Wangero", as she calls herself) both want to have, but for different reasons. In this essay I am going to show that the handmade quilt as a family heritage both symbolises the appreciation of the history of the family and the history of the African-American people. I will also argue that the two sisters, who both want to have the quilt, represent different ideas of how to appreciate the

family's heritage and their origin: While Maggie sees the quilt as an everyday object and wants to maintain the traditions, Dee wants to keep it as a piece of art to depict it as an artefact of a past life, which is no longer reality for her and the African-American people.

Heritage and Deracination in Alice Walker's "Everyday Use"

Taking the Arrow Out of the Heart *Simon and Schuster*

* WINNER of the NAACP Image Award for Outstanding Literary Work * Alice Walker, author of the National Book Award and Pulitzer Prize-winning *The Color Purple*—"an American novel of permanent

importance" (San Francisco Chronicle)—crafts a bilingual collection that is both playfully imaginative and intensely moving. Presented in both English and Spanish, Alice Walker shares a timely collection of nearly seventy works of passionate and powerful poetry that bears witness to our troubled times, while also chronicling a life well-lived. From poems of painful self-inquiry, to celebrating the simple beauty of baking frittatas, Walker offers us a window into her magical, at times difficult, and liberating world of activism, love, hope and, above all, gratitude. Whether she's urging us to preserve an urban paradise or behold the delicate necessity of

beauty to the spirit, Walker encourages us to honor the divine that lives inside all of us and brings her legendary free verse to the page once again, demonstrating that she remains a revolutionary poet and an inspiration to generations of fans.

The Concept of Heritage in Alice Walker's *Everyday Use* GRIN Verlag

Seminar paper from the year 2001 in the subject American Studies - Literature, grade: 1 (A), University of Würzburg (Institute for Anglistics/ American Studies), course: American Female Writers, 10 entries in the bibliography, language: English, abstract: Introduction Alice Walker's short story "Everyday Use",

from the collection *In Love and Trouble* published in 1973, was written during the heyday of the Black Power movement, when African Americans were trying to reach more than mere racial equality and insisted on self-determination and racial dignity. The tracing of ancestral African roots, the slogan *Black is Beautiful*, and the Afro hair style arose. African American short stories of this period were often concerned with problematic issues of integration, separation, redefinition of the past, distant African heritage, and immediate family history. In "Everyday Use", the contrast between two sisters and the domestic struggle over old hand-

made quilts reveal the use and misuse of the concept of heritage and different attitudes towards one's familiar traditions and cultural background. Alice Walker not only explores a disturbed intrafamily relationship between three black women of the South, but represents a severe conflict within America's black society, where new radical views and misperceptions of the word heritage collide with traditional black rural life style. A singular general meaning of the term heritage does not exist. Dictionaries mostly carry several definitions. For example, the *Reader's Digest Illustrated Encyclopedic Dictionary* gives the following two entries:

1. Property that is or can be inherited; an inheritance. 2. Something other than property passed down from preceding generations; a legacy; a tradition. (Rattray 789) [...]

Becoming Myself

A Psychiatrist's Memoir *Basic Books*

Bestselling writer and psychotherapist Irvin D. Yalom puts himself on the couch in a lapidary memoir Irvin D. Yalom has made a career of investigating the lives of others. In this profound memoir, he turns his writing and his therapeutic eye on himself. He opens his story with a nightmare: He is twelve, and is riding his bike past the home of an acne-scarred girl. Like every morning, he calls out,

hoping to befriend her, "Hello Measles!" But in his dream, the girl's father makes Yalom understand that his daily greeting had hurt her. For Yalom, this was the birth of empathy; he would not forget the lesson. As *Becoming Myself* unfolds, we see the birth of the insightful thinker whose books have been a beacon to so many. This is not simply a man's life story, Yalom's reflections on his life and development are an invitation for us to reflect on the origins of our own selves and the meanings of our lives.

Atlas Shrugged *Penguin*

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is

Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius

becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

The Art and Technique of Pen Drawing *Courier Corporation*

Excellent reference describes line technique; drawing the figure, face, and hands; humorous illustration; pen drawing for advertisers; landscape and architectural illustration. Drawings by Dürer, Holbein, Doré, Rackham, Beardsley, Klinger, more. 161 figures.

The Function of Tradition in "Everyday Use" by Alice Walker and "Yellow Woman" by Leslie Marmon Silko

GRIN Verlag

Seminar paper from the year 2000 in the subject American Studies - Literature, grade: 1,3, University of Dusseldorf "Heinrich Heine", 20 entries in the bibliography, language: English, abstract: Tradition is a

simple and abstract word, but it contains a vast amount of important connotations, among them culture, identity, knowledge, advice and emotions. I have chosen the field of African American tradition and Native American tradition to present different views on tradition and tradition awareness. To give a more detailed and concrete analysis I will use the short stories "Everyday Use" by Alice Walker and "Yellow Woman" by Leslie Marmon Silko. In "Everyday Use" I will mainly point out what tradition means to the characters Dee, Maggie and Mrs. Johnson. With the help of the story, I will prove both the antagonistic relationship and the parallels between Dee

on the one side and Mrs. Johnson and Maggie on the other. Then I will focus on the importance of the traditional quilting and the conflicts it brings up among the family members. The short story "Yellow Woman" includes important aspects of the Native American culture such as the Trickster figure or the element of oral narration. So I will present the character Silva as a Trickster figure and describe the importance of oral tradition. Then I will continue with the protagonist's inner conflicts concerning her identity. The last chapter concludes by comparing the attitudes of the shortstories' characters and gives perspectives.

Potential Images

Ambiguity and Indeterminacy in Modern Art *Reaktion Books*

In Potential Images Dario Gamboni explores ambiguity in modern art, considering images that rely to a great degree on a projected or imaginative response from viewers to achieve their effect. Ambiguity became increasingly important in late 19th- and early 20th-century aesthetics, as is evidenced in works by such artists as Redon, Cezanne, Gauguin, Ensor and the Nabis. Similarly, the Cubists subverted traditional representational conventions, requiring their viewers to decipher images to extract their full

meanings. The same device was taken up in the various experiments leading to abstraction. For example, it was Kandinsky's intention that his work could be interpreted in both figurative and non-figurative ways, and Duchamp's Readymades suggested the radical conclusion that 'it is the beholder who makes the picture'. These invitations to viewers to participate in the process of artistic communication had social and political implications, as they accorded artist and beholder symmetrical, almost interchangeable, roles.

Japanese and Western Bioethics Studies in Moral

Diversity Springer Science & Business Media

The editors of the Philosophy and Medicine series recognize with gratitude the foresight, understanding, hard labor, and patience of Prof. Kazumasa Hoshino. It is his perseverance that has made this volume a reality. It was his faith in ideas that brought together a cluster of scholars in Tokyo on September 2-4, 1994, at Sophia University for a U. S. -Japan Bioethics Congress. With the support of the Foundation for Advancement of International Science, the Japan Foundation Center for Global Partnership, the Foundation of Thanatology, the Japanese Center for

Quality of Life Studies, and Sophia University, scholars from Canada, Germany, Japan, and the United States were able to explore the differences and similarities in their approaches to bioethics and health care policy. That conference first produced a volume through Shibunkaku Publishers of Kyoto that appeared in 1995 in Japanese: *The Dignity of Death*, edited by Kazumasa Hoshino. Selections from those materials have been reworked for an English audience and now appear, along with new essays, in this volume. The field of comparative bioethics is only in its infancy. We are deeply grateful to Prof. Kazumasa Hoshino, one of the fathers of J

apanese bioethics, for having made this volume possible. H. Tristram Engelhardt, Jr. Stuart F. Spicker VII
ACKNOWLEDGEMENTS
 This volume's editors and Kluwer Academic Publishers wish to thank Shibunkaku Press, Kyoto, Japan, for permission to publish, without charge, essays derived from the U. S.

The Clandestine Cold War in Asia, 1945-65

Western Intelligence, Propaganda and Special Operations *Routledge*

A range of clandestine Cold War activities in Asia, from intelligence and propaganda to special operations and security support, is examined here. The contributions draw on

newly-opened archives and a two-day conference on the subject.

Proud Shoes

The Story of an American Family

Beacon Press

First published in 1956, *Proud Shoes* is the remarkable true story of slavery, survival, and miscegenation in the South from the pre-Civil War era through the Reconstruction. Written by Pauli Murray, the legendary civil rights activist and one of the founders of NOW, *Proud Shoes* chronicles the lives of Murray's maternal grandparents. From the birth of her grandmother, Cornelia Smith, daughter of a slave whose beauty incited the master's sons to near murder to

the story of her grandfather Robert Fitzgerald, whose free black father married a white woman in 1840, *Proud Shoes* offers a revealing glimpse of our nation's history.

Cultural Trauma's Influence on Representations of African American Identity in Alice Walker's "Everyday Use"

This analysis employs Ron Eyerman's *Cultural Trauma: Slavery and the Formation of African American Identity* as a conceptual lens to analyze representations of African American identity in Alice Walker's "Everyday Use." In *Cultural Trauma*, Eyerman implements two narrative frames, the

tragic/redemptive and progressive, to explore how cultural trauma has influenced the identity formation of generations of African Americans from Reconstruction to the present. This literary analysis uses those narrative frames to investigate why the characters in "Everyday Use" form conflicting cultural identities and interpretations of heritage despite sharing racial and ethnic ties. Moreover, this study reveals that the contrasting representations of African American identity presented by the characters in "Everyday Use" are a result of the variance within the tragic/redemptive and progressive, narrative frames that shaped

their respective worldviews. The fundamental differences between the progressive and tragic/redemptive frames lies in how they regard the African and the American, and how they interpreted the meaning of slavery. By examining "Everyday Use's" characters in the context of cultural trauma, this piece presents a balanced interpretation of the opposing two energies in "Everyday Use." Particularly, instead of offering a one-sided interpretation of the characters, as other critics have, this analysis focuses on the complexities within the diverse representations of African American identity presented in the story.

Maternal and Infant

Nutrition and Nurture *Mark Allen Group*

This title presents an excellent discussion on cutting-edge research related to the short and long term effect of nutrition on babies. It contains a timely analysis on the nature of the relationship between mother and infant as a consequence of nutritive and nurturing behaviour.

Black Women Novelists

The Development of a Tradition, 1892-1976 *Praeger*

Surveying the evolution of images of black women in black fiction from 1892 to 1976, Christian analyzes novelists from Frances Harper through Zora Neale

Hirston to Anne Perty. She traces the struggle of black female novelists to contend against the images that have defined them in American life and literature. Part II discusses three contemporary novelists -- Paule Marshall, Tom Morrison and Alice Walker.

British Genres

Cinema and Society, 1930-1960 *Princeton University Press*

In this unprecedented survey of British cinema from the 1930s to the New Wave of the 1960s, Marcia Landy explores how cinematic representation and social history converge. Landy focuses on the genre film, a product of British mass culture often dismissed by

critics as "unrealistic," showing that in England such cinema subtly dramatized unresolved cultural conflicts and was, in fact, more popular than critics have claimed. Her discussion covers hundreds of works--including historical films, films of empire, war films, melodrama, comedy, science-fiction, horror, and social problem films--and reveals their relation to changing attitudes toward class, race, national identity, sexuality, and gender. Landy begins by describing the status and value of genre theory, then provides a history of British film production that illuminates the politics and personalities connected with the major studios. In vivid accounts of the films

within each genre, she analyzes styles, codes, and conventions to show how the films negotiate history, fantasy, and lived experience.

Throughout Landy creates a dynamic sense of genre and of how the genres shape, not merely reflect, cultural conflicts. Originally published in 1991. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to

vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Romancing the Room

How to Engage Your Audience, Court Your Crowd, and Speak Successfully in Public *Three Rivers Press (CA)*

A practical guide to effective public speaking details the key elements of successful presentations and offers ingenious techniques used by leading communicators, including establishing a common ground with an audience, using visuals and anecdotes, and winning over an

audience with substance. Original. 20,000 first printing.

The Swimmer *Pioneer Drama Service, Inc.*

Good Wives

Image and Reality in the Lives of Women in Northern New England, 1650-1750 *Vintage*

This enthralling work of scholarship strips away abstractions to reveal the hidden--and not always stoic--face of the "goodwives" of colonial America. In these pages we encounter the awesome burdens--and the considerable power--of a New England housewife's domestic life and witness her occasional forays into the world of men. We see her borrowing from her

neighbors, loving her husband, raising--and, all too often, mourning--her children, and even attaining fame as a heroine of frontier conflicts or notoriety as a murderess. Painstakingly researched, lively with scandal and homely detail, *Good Wives* is history at its best.

I Came a Stranger

The Story of a Hull-House Girl *University of Illinois Press*

Hilda Satt Polacheck's family emigrated from Poland to Chicago in 1892, bringing their old-world Jewish traditions with them into the Industrial Age. Throughout her career as a writer and activist, Polacheck (1882-1967) never forgot the immigrant neighborhoods, the

markets, and the scents and sounds of Chicago's West Side. Here, in charming and colorful prose, she recounts her introduction to American life and the Hull-House community, her friendship with Jane Addams, her marriage, her support of civil rights, woman suffrage, and the Women's International League for Peace and Freedom, and her experiences as a writer for the WPA.

Community Public Health in Policy and Practice E-Book

A Sourcebook *Elsevier Health Sciences*

Designed for public health nurses and health visitors at every stage of their career from students to

experienced practitioners Community Public Health in Policy and Practice: A Source Book provides an overview of theoretical constructs and principles for community public health practice, including underpinning research. Written by leading experts the book is designed to support innovation and practice development, including dealing with major policy changes and changes to theory and the evidence base. For this edition the text has been completely reorganised and updated including eight brand new chapters. New chapters include current information and research about contemporary topics such as digital health,

economics and implementation science. Updated chapters focus upon relevant knowledge required for current practice, including both seminal theories and research, along with new international frameworks. Brief introduction to the long-lasting impacts of Covid-19, as the pandemic unfolds.

Thinking it Through

A Practical Guide to Academic Essay Writing *Peterborough, Ont. : Academic Skills Centre, Trent University*

Yellow Woman *Rutgers University Press*

In the past twenty-five years many Native American writers have retold the traditional

stories of powerful mythological women: Corn Woman, Changing Woman, Serpent Woman, and Thought Woman, who with her sisters created all life by thinking it into being. Within and in response to these evolving traditions, Leslie Marmon Silko takes from her own tradition, the Keres of Laguna, the Yellow Woman. Yellow Woman stories, always female-centered and always from the Yellow Woman's point of view, portray a figure who is adventurous, strong, and often alienated from her own people. She is the spirit of woman. Ambiguous and unsettling, Silko's "Yellow Woman" explores one woman's desires and changes--her need to open herself to a richer

sensuality. Walking away from her everyday identity as daughter, wife and mother, she takes possession of transgressive feelings and desires by recognizing them in the stories she has heard, by blurring the boundaries between herself and the Yellow Woman of myth. Silko's decision to tell the story from the narrator's point of view is traditional, but her use of first person narration and the story's much raised ambiguity brilliantly reinforce her themes. Like traditional yellow women, the narrator is unnamed. By choosing not to reveal her name, she claims the role of Yellow Woman, and Yellow Woman's story is the one Silko clearly claims as her own. The

essays in this collection compare Silko's many retellings of Yellow Woman stories from a variety of angles, looking at crucial themes like storytelling, cultural inheritances, memory, continuity, identity, interconnectedness, ritual, and tradition. This casebook includes an introduction by the editor, a chronology, an authoritative text of the story itself, critical essays, and a bibliography for further reading in both primary and secondary sources. Contributors include Kim Barnes, A. LaVonne Ruoff, Paula Gunn Allen, Patricia Clark Smith, Bernard A. Hirsch, Arnold Krupat, Linda Danielson, and Patricia Jones.

Literature

Reading Fiction, Poetry, Drama, and the Essay *McGraw-Hill College*

The Color Purple *Open Road Media*

Winner of the Pulitzer Prize and the National Book Award, this novel about a resilient and courageous woman has become a Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older

suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The *Color Purple* has sold more than five million copies, inspired

an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (*The Nation*), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. The *Color Purple* is the 1st book

in the Color Purple Collection, which also includes The Temple of My Familiar and Possessing the Secret of Joy.

Classification and Index of the World's Languages *Elsevier Science Limited*

Classification of the world's languages; Reference.

Alice Walker, New Edition *Infobase Publishing*

Presents a selection of criticism devoted to the fiction of African American author Alice Walker.

Phone Skills for the Information Age *McGraw-Hill Education*

This five-hour program teaches proper phone use to help students develop and maintain professional

relationships, project a positive company image, and provide reliable service. Phone Skills for the Information Age features realistic situations and problems found in today's increasingly complex business environments. The text includes reinforcement exercises, self-assessments, case studies, reference charts for on-the-job use, and a glossary.

To Hell with Dying *Voyager Books*

The author relates how old Mr. Sweet, though often on the verge of dying, could always be revived by the loving attention that she and her brother gave him.

Perrine's Literature

Structure, Sound

and Sense *Heinle & Heinle Pub*

This book is a classic. Literature: Structure, Sound, and Sense has been consistently updated through its revised editions and remains the model for introductory literature texts. It is compact and easy to hold--not bloated and indiscriminate in its selections

to establish a slave trading center at Kilwa, between 1776 and 1779.

Black Feminist Criticism

Perspectives on Black Women Writers *Pergamon*

A collection of critical essays on African-American women writers.

The French at Kilwa Island

An Episode in Eighteenth-century East African History

Translations of documents from the National Archives of France and the Rhodes House Library at Oxford University, concerning the activities of a French shipowner, Monsieur Morice, in his attempt

Fokker

The Creative Years

London : Putnam

Beretter om Fokker's flyproduktion og flytyper under 1. verdenskrig og mellemkrigsårene

The Blue Tower

Simon and Schuster

As the vastly advanced guardians of mankind, the Belphins knew how to make a lesson

stick—but whom? Evelyn E. Smith is best known as the author of the Miss Melville mysteries. From 1952 to 1969 she wrote dozens of science fiction and fantasy short stories that appeared in magazines such as The Magazine of Fantasy and Science Fiction, Galaxy, Super Science Fiction, and Fantastic Universe. Her stories were witty, well written, often humorous, and always unforgettable.
