The Book of Gates is an ancient Egyptian funerary text dating from the New Kingdom. It narrates the passage of a newly deceased soul into the next world, corresponding to the journey of the sun through the underworld during the hours of the night. The soul is required to pass through a series of 'gates' at different stages in the journey. Each gate is associated with a different goddess, and requires that the deceased recognise the particular character of that deity. The text implies that some p
