Work Less, Live More?: Critical Analysis of the Work-Life ...

Work Less, Live More was written before the 2008 financial crisis, so many of its suggestions seem laughable now (especially the repeated suggestion that semi-retirees can subsist on owning and flipping multiple homes). I appreciated the focus on how semi-retirement differs from the initial idea of retirees spending their languid days with no worthwhile pursuits, and some of the ideas of ways to find meaning and small income after leaving a 9-5 job were quite interesting.

Nine years ago, I started living a more bountiful life by working less, earning

less, and spending less. I started by going to my employer's human resources department to ask if I might take a significant pay cut. "How significant?" they asked. I said, "I'm not sure yet; maybe 75 percent?"

Live A More Bountiful Life by Working Less and Earning Less

When you live frugally, you have a much better chance of spending less than you earn. You can then use the difference to pay off debt, save, or invest. Or, all three! Plus, when you need less money to live, your earning needs reduce, too. You can work less, retire early, take time to travel. In short, you have more lifestyle choices open to you.
