We bought this book to keep our 2.5 year daughter entertained on a trip since it is a "seek and find" style book. We've had it for several months, and it is one of her favorite books. The illustrations have

a lot to look at and talk about. I highly recommend this book.

I love a good seek-and-find book. You're probably already familiar with the classic I Spy books (which I could NOT keep on the library shelves when I was a librarian — they never made it out of the book drop before another child swooped in and snatched them up) and Where's Waldo? from your own childhood, but now the shelves are bursting with lots of new options that your children will love.

I had bought the "My Giant Seek and Find Activity Book" by Priddy and liked it so much I then bought the "My Big Seek and Find Activity Book". What they failed to explain was that all of the pages in the "Big book were the same as the pages in the "Giant" book. Do not buy

both books. This is why I gave it a 1 Star - just buy one of the books.
